M.Shaw (Legal Section);
Miss C.L.Davies (Committee Section).

Report of the Head of Legal Services

1. **LICENSING ACT 2003 (HEARINGS) REGULATION 2005 –
APPLICATION TO VARY A PREMISES LICENCE – OXYGEN,
44-46 STATION ROAD, PORT TALBOT**

The Sub Committee was asked to consider varying a Premises Licence. The circulated report contained details of the application under the Licensing Act 2003.

Members noted that the original application was to extend the opening hours of the premises and that the application has been amended to now be a high class Indian Restaurant, rather than a nightclub style venue. The licensed hours for the sale of alcohol requested had been reduced until 2am each day, with the premises closing 30 minutes later.

RESOLVED: that the application be approved subject to the conditions specified by the police, as detailed in the circulated report.

CHAIRMAN
