Report of the Head of Legal Services

1. **LICENSING ACT 2003 – APPLICATION FOR A PREMISES
LICENCE – ST. OSWALDS, 6 STATION ROAD, PORT TALBOT**

The Sub Committee was asked to consider the application for a premises licence for the above mentioned premises. The circulated report contained details of the application under the Licensing Act 2003. The applicant did not attend the meeting.

The Sub Committee was informed by the Licensing Officer of amendments made to the application following representations from the Police Authority and Environmental Health. As a result the representations had now been withdrawn. However, a representative of the Fire Authority was in attendance and made representations.

The Fire Officer outlined details of the schedule of works which had been prepared for the above mentioned premises and confirmed that a final inspection would be carried out as soon as the required works had been completed.

The Committee adjourned following receipt of all representations prior to reaching its final decision.

RESOLVED: that the application be deferred pending works required by the Fire Officer being first satisfactorily completed and that the Head of Legal Services be granted delegated powers to issue the licence upon satisfaction of same.
