MARGAM CREMATORIUM JOINT COMMITTEE

11th July 2024

REPORT OF THE TREASURER – HUW JONES

MATTER FOR DECISION

WARDS AFFECTED - ALL

OUTTURN REPORT AND ANNUAL RETURN 2023/24

1. Purpose of Report

- 1.1 This report provides details of the Margam Crematorium Joint Committee Outturn position for 2023/24. It also includes the Annual Return required to comply with proper accounting practices.

2. Outturn Report 2023/24

- 2.1 This Outturn Report provides details of the variances in service levels and income and expenditure since this Committee approved the revised budget on the 7th December 2023. Members will note that there were 1,559 paid services provided in 2023/24, this includes 127 cremation only services. This is 9 services more than the 1,550 budgeted for in December.
- 2.2 In summary, the actual position shows that the net amount available to transfer to the reserves is £41,037 more than anticipated at revised budget, made up from a reduction in expenditure of £28,311 and an increase in income of £12,726.
- 2.3 Full details of each variance to the revised budget is shown in Appendix 1, with the main variances between the Revised Budget and the Actual position further explained as follows:

Expenditure

Organists Fees -£2,348

There was an underspend on the anticipated organist costs for the financial year.

Staff Training +£3,895

There was an overspend on staff training as one staff member enrolled on an ICCM diploma training course after the revised budget was set.

Grounds Maintenance -£2,515

There was an underspend on the anticipated cost of grounds maintenance work in the financial year.

Repair & Maintenance – Buildings +£5,725

There was an overspend on repair and maintenance at the Crematorium, which is due to an increase in the anticipated demand for maintenance work.

Maintenance Cremators -£2,511

The budget was increased to allow for additional cremator maintenance during the financial year, this additional maintenance did not cost as much as anticipated resulting in reduced expenditure.

Brochures -£1,000

Brochures were not ordered this financial year and will now be ordered in the next financial year.

Urns & Caskets +£1,996

There was an increase in the anticipated urns & caskets expenditure this financial year, this expenditure is offset by urns & caskets income.

Multi-media System +£5,029

The multi-media system expenditure has increased this financial year the additional media services costs are offset by increased income received from this service.

Provision for Capital works -£33,666

The schedule below analyses the capital works undertaken during 2023/24.

Capital Works	Revised Estimate	Actual	Variance
	£	£	£
Other capital works & contingency	100,000	66,334	-33,666
	100,000	66,334	-33,666

Income

Cremation Fees -£2,635

The revised budget estimated that there would be 1,550 paid cremations during the year, the actual number provided in-year was 1,559. This includes 127 cremation only services.

Palm Sunday and Bulb donations £184 and £161

These are voluntary donations made by the public to the Crematorium in relation to Palm Sunday and Bulbs. The donations received contribute to any expenditure in relation to the service during the financial year, with any surplus or deficit transferred to the reserve at year end.

Media Services income +£9,246

The additional services offered to the public from the media system have been very popular. This includes streaming funeral services all over the world, service recordings, music and visual tributes. The demand for these additional services is increasing, resulting in more income than anticipated at revised budget.

Miscellaneous income +£530

Income for certificates of cremation, window vases, extra time in chapel and witness burials has increased this financial year.

Investment income +£4,594

All the Crematorium's income and expenditure is transacted via Neath Port Talbot Council and interest paid on the net funds held for the Crematorium. The amount of interest due at the financial year end was higher than anticipated at original and revised budget.

CAMEO +£119

The Crematoria Abatement of Mercury Emissions organisation (CAMEO) operates a trading pool that receives contributions from those crematoria that have not installed abatement equipment. This fee, less any administrative charges, is then redistributed to the crematoria that have installed abatement equipment.

This sum is based on the net surplus tradable mercury abatement of cremations for the period of 1st January 2022 to 31st December 2022. The Crematorium had surplus cremations which generated income of £3,119. The level of any future income cannot be predicted with any accuracy, as the funds to be distributed are dependent on the demand from crematoria for tradable mercury abated cremations.

3. Reserve Position

3.1 The contributions to and from reserve were £41,037 more than anticipated, resulting in the closing position for reserves shown below:

	Balance at 31st March 2023	Transfers to/from Reserve	Balance at 31st March 2024
	£	£	£
General Reserve	Cr 1,007,305	Cr 36,293	Cr 1,043,598

	Cr 1,817,439	Cr 136,202	Cr 1,953,641

4. Annual Report for the Year Ended 31st March 2024

- 4.1 The Accounts and Audit (Wales) Regulations 2014 allow for small relevant bodies with gross income or expenditure (whichever is greater) of no more than £2.5M to complete an Annual Return for audit purposes. This summarises the annual activities at the year-end of each financial year.
- 4.2 The Local Councils in Wales Annual Return will be used by Wales Audit Office for scrutiny and audit. The draft Annual Return, which incorporates the Annual Governance Statement, is included at Appendix 3. In line with the requirements of the Accounts and Audit Regulations, Members should note that as the responsible financial officer I signed the Annual Return on the 20th May 2024, prior to the 31st May deadline. A copy of this report and Annual Return has been provided to the Wales Audit Office for their attention and a formal copy also signed by the Chair will be forwarded after the Committee meeting.
- 4.3 The Accounts and Audit (Wales) (Amendment) Regulations 2018 mean that the date for signing and auditing the accounts will come forward in future years, as follows:

Year	Accounts drafted	Accounts audited
2019/20	15 th June 2020	15 th September 2020
2020/21	31 st May 2021	31 st July 2021
Annually thereafter	31 st May	31 st July

5. External Audit

- 5.1 Any material changes resulting from the examination of the Annual Return by the External Auditor will be reported back to this Committee for consideration prior to signing off the final version of the Annual Return before the deadline. Members should note that if the External Auditor does not identify any material changes there will be no need for the accounts to be represented to the Joint Committee and then re-signed by the Chair.

6. Recommendations

6.1 It is recommended that Members:

- Approve the Outturn report for 2023/24.
- The Annual Return, prior to external audit certification, for the year ended 31st March 2024, be approved and signed by the Chairman of this Committee.
- The Annual Governance Statement is confirmed.

7. Reasons for Proposed Decision

To approve the Outturn report for Margam Crematorium for 2023/24 and to confirm the Annual Return and Annual Governance Statement in line with statutory requirements.

8. Implementation of Decision

The decision is proposed for immediate implementation.

Annual internal audit report to:

Name of body: Margam Joint Crematorium Committee

The Committee's internal audit, acting independently and on the basis of an assessment of risk, has included carrying out a selective assessment of compliance with relevant procedures and controls expected to be in operation during the financial year ending 31 March 2024.

The internal audit has been carried out in accordance with the Committee's needs and planned coverage. On the basis of the findings in the areas examined, the internal audit conclusions are summarised in this table. Set out below are the objectives of internal control and the internal audit conclusions on whether, in all significant respects, the following control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of the Committee.

3. Margam Crematorium offered a respectful service to those suffering bereavement and to meet the needs of the public during the first half of 2024. Webcasting of the service by Wesley Media remains popular and invaluable. Services have been streamed across the world including Australia and New Zealand with many favourable comments being received.

MARGAM JOINT CREMATORIUM COMMITTEE

REPORT OF THE TECHNICAL OFFICER TO MARGAM CREMATORIUM JOINT COMMITTEE

11th July 2024

Matter for Information

Update on Capital work programme.

Purpose of the Report:

To detail works undertaken to date on the previously agreed Capital works programme.

Background:

A list of capital works has previously been agreed upon, namely

- External decoration of the Crematorium and external toilet block.
 - A survey has been undertaken on the building to check the structural integrity of the reinforced concrete structure and to assess the adherence of the existing decorative coating. This has identified numerous concrete issues that require repair, along with a concern as to the adherence of the existing decoration to the substrate. It is recommended that a sample repair and decoration be undertaken to assess the adequacy of the specified works.
- Refurbishment of the external toilet block.
 - Confirmation is required as to the extent of the works required. If the required works are for a straightforward like for like replacement and upgrade we have been advised that these do not require Listed

Building Consent. If however the requirement is to undertake any internal or external remodelling along with any possible works to relocate the ground operatives accommodation this would require consent, therefore it would make sense to include this in one application along with the works to the internal courtyard and exit canopy

- Redevelopment of the internal courtyard, remembrance garden and installation of exit canopy.
 - The design has been signed off based on a 3D images; this is now being worked up in to detail construction drawings to enable a budget cost to be produced prior to applying for Listed Building Consent.
- Highway resurfacing.
 - Patch repairs have been undertaken and a quotation is being sought for complete resurfacing.
- Possible drainage improvements to some burial areas.
 - Further investigations are required to investigate possible mitigating measures.
