23rd SEPTEMBER 2016

REPORT OF THE TREASURER HYWEL JENKINS

SECTION A – MATTER FOR DECISION

WARDS AFFECTED - ALL

ANNUAL RETURN 2015/16

1. Purpose of Report

1.1 This report provides an update to Members of Margam Crematorium Joint Committee’s Annual Return, which is required to comply with proper accounting practices.

2. External Audit

2.1 The annual audit exercise undertaken by Wales Audit Office identified that the loan interest included in the Annual Return was misstated as it included costs relating to the new cremators, which are the Council’s assets. These should have been treated as a contribution for capital costs reimbursed to the Council, rather than interest costs.

2.2 The misstatement figure impacts on two elements within the accounting statement, with costs shown within loan charges, when they should be included as other payments. These changes do not have an impact on the overall financial position for the Committee, but have resulted in the following updates to the accounting statement.

	Initially reported 31 st Mar 16 £	Updated position 31 st Mar 16 £
Line 5. Loan interest	-13,142	-9,887
Line 6. Total other payments	-562,564	-565,819

2.3 The external auditors report is included as Appendix 1, with the Annual Return incorporating the final Accounting Statement and Annual Governance Statement included as Appendix 2.

3. Recommendations

3.1 It is recommended that :

- The external auditors report on the Margam Joint Committee Annual Report is noted by the Committee
- The Joint Committee members approve the updated Annual Return and that the Chair signs the approval and certification section to reflect this approval of the updated accounting statements and the Annual Governance Statement
- The Treasurer is tasked with ensuring that the final accounts are certified by the Wales Audit Office by the 30th September
- The approved Annual Return is published on the Council's Internet before 1st October.

4. Reason for proposed decision

4.1 To provide a decision in relation to the approval of the Margam Joint Committee Annual Report and Annual Governance Statement 2015/16 within the statutory deadline.

5. Appendices

- Appendix 1 External Auditors Report on the Annual Return
Appendix 2 Margam Crematorium Annual Return including Annual Governance Statement

Dear Committee Members

Margam Joint Crematorium: Annual Return for the year ended 31 March 2016

We received the draft Annual Return for the financial year ended 31 March 2016 in line with the agreed deadline, and have now completed our audit work.

Misstatements in the Statement of Accounts

During the audit, we identified a misstatement that has been corrected by management, but which we consider should be brought to your attention due to its relevance to your responsibilities:

- the contribution towards the cost of the cremator was incorrectly categorised as loan interest/capital repayments. Line 5 loan interest/ capital repayments was therefore reduced by £3,255 to -£9,887 and Line 6 total other payments was correspondingly increased by £3,255 to - £565,819

Audit certificate and opinion

It is our intention to issue an unqualified certificate and report and there are no other matters which we wish to draw to the attention of the Joint Committee

Other matters not affecting our opinion

There are no other matters not affecting our opinion that we wish to draw the attention of the Joint Committee.

Re-approving the Annual Return

The Joint Committee must re-approve the Annual Return and ensure that the Annual Return is signed and dated by the Responsible Financial Officer and by the person presiding at the meeting at which the amendments were approved.

Once the Annual Return has been approved, it should be returned to the Auditor. We will then complete the Auditor General for Wales' Certificate and Report and send you a notice of completion of the audit.

Yours sincerely

Smaller local government bodies in Wales Annual Return for the Year Ended 31 March 2016

Smaller local government bodies in Wales must prepare annual accounts following proper practices as set out in the One Voice Wales/SLCC publication **Governance and accountability for local councils in Wales – A Practitioners' Guide** (the Practitioners' Guide). The Practitioners' Guide states that bodies may prepare their accounts in the form of an annual return prepared by the Wales Audit Office.

The accounts and audit process

The accounts and audit arrangements follow the process as set out below.

Please complete all sections highlighted in red. Incomplete or incorrect returns may require additional external audit work and incur additional costs. Send the **original** Annual Return, together with all additional information requested, to the external auditor acting on behalf of the Auditor General for Wales. **Please note that copies of all documents provided for the purposes of the audit must be certified as true copies of the originals by the Clerk and Chair.** Unless requested, please **do not** send any original financial or other records to the external auditor.

Bodies should note the changes to the Annual Governance Statement. This is to be completed in full by all Bodies.

Audited and certified returns are sent back to the Body for publication or display of the accounting statements, Annual Governance Statement and the Auditor General for Wales' certificate and report.

Internal audit confirmation

I confirm that as the Council's internal auditor, I have not been involved in a management or administrative role within the body or as a member of the body during the financial years 2014-15 and 2015-16. I also confirm that there are no conflicts of interest surrounding my appointment.

Name of person who carried out the internal audit: 
Signature of person who carried out the internal audit:

Guidance notes on completing the Annual Return

1. You must apply proper practices when preparing this annual return. For guidance, please read the Practitioners' Guide (**Governance and accountability for local councils: A Practitioners' Guide (Wales)**) – available from One Voice Wales and SLCC. It contains everything you need for the financial year-end and the statutory audit.
2. The Wales Audit Office Good Practice Exchange (www.audit.wales/good-practice/finance/community-council-money) provides further information on the accounts and audit process along with guidance on governance matters.
3. Make sure that the Annual Return is fully completed ie, no empty red boxes. Please avoid making any amendments to the completed return. If this is unavoidable, cross out the incorrect entries, make sure the amendments are drawn to the attention of the body, properly initialled and an explanation for them is provided to the external auditor. **Please do not use correction fluid.** Annual returns that are incomplete or contain unapproved and/or unexplained amendments or correction fluid will be returned unaudited and may incur additional costs.
4. **There are now two boxes for certification and approval by the Body. The second box is only required if the annual return has to be amended as a result of the audit. You should only complete the top box before sending the form to the auditor.**
5. Use a second pair of eyes, perhaps the Chair or a member, to review your Annual Return for completeness before sending the original form to the auditor.
6. Make sure that your accounting statements add up, that the balance carried forward from the previous year (line 7 of 2015) equals the balance brought forward in the current year (line 1 of 2016). Explain any differences between the 2015 figures on this annual return and the amounts recorded in last year's annual return.
7. Explain fully any significant variances in the accounting statements. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include a detailed analysis to support your explanation and be specific about the values of individual elements making up the variances.
8. Make sure that the copy of the bank reconciliation you send to your auditor with the Annual Return covers **all** your bank accounts and cash balances. If there are no reconciling items, please state this and provide evidence of the bank balances. If your Council holds any short-term investments, please note their value on the bank reconciliation. The auditor should also be able to agree your bank reconciliation to line 9 in section 1. More help on bank reconciliation is available in the Practitioners' Guide*.
9. **Every** small body is now required to send to the external auditor, information to support the assertions made in the Annual Governance Statement. Your auditor will tell you what information you need to provide. Please read the audit notice carefully to ensure you include all the information the auditor has asked for. You should send **copies** of the original records (certified by the Clerk and Chair as accurate copies) to the external auditor and not the original documents themselves.
10. Please do not send the auditor any information that you are not specifically asked for. Doing so is not helpful.
11. If the auditor has to review unsolicited information, repeat a request for information, receives an incomplete bank reconciliation or explanation of variances or receives original documents that must be returned, the auditor will incur additional costs for which they are entitled to charge additional fees.
12. **Do not complete the Auditor General for Wales' Audit Certificate and report.** The external auditor completes this on behalf of the Auditor General for Wales on completion of the audit.
13. **Please deal with all correspondence with the external auditor promptly.** This will help you to meet your statutory obligations and will minimise the cost of the audit.
14. **Please note that if completing the electronic form, you must print the form for it to be certified by the RFO and signed by the Chair before it is sent to the auditor.**

Amendments to the Cremation (England and Wales) Regulations 2008

Purpose of Report

1. The purpose of the report is to brief Members on amendments to the Regulations in relation to cremation.

Background

2. To a large extent the legal rules in relation to cremation are found in the Cremation (England and Wales) Regulations 2008 (“the 2008 Regulations”).
3. The UK Government have laid Regulations before Parliament which will come into effect on 1st October 2016. The title of those Regulations is The Cremation (England and Wales) (Amendment) Regulations 2016. The amendments contained in those Regulations amend the 2008 Regulations in two respects; firstly, they insert a definition of “ashes” into the 2008 Regulations and, secondly, remove an obligation to keep paper records.
4. Whilst Regulation 30 and 34 of the 2008 Regulations made provision in relation to what has always been described as “ashes” i.e. the remains left after cremation, there has never been any statutory definition of that word.
5. Regulation 3 inserts fresh provision in the 2008 Regulations which defines ashes as meaning all the material left in the cremator after a cremation following the removal of any metal and any subsequent grinding or other process which is applied to the material. Members will know that cremated remains are processed in a cremulator following cremation before being placed in an urn or other container.

6. Those who provide cremation services must keep records of cremations. The 2008 Regulations require that these records must be kept for 15 years. Those regulations also require crematoria to hold paper records for two years even though those records were also kept in electronic form. The Amendment Regulations do away with those requirements.
7. I would also take the opportunity to mention that a Ministerial Statement was issued by the Ministry of Justice on 8th September 2016 describing the changes referred to above but also announcing that the Ministry had now set up a National Cremation working Group made up of representatives from the bodies that provide cremation and funeral services, voluntary organisations, medical professionals and other Government Departments. In the coming months it will consider proposals to improve cremation legislation.
