Title

APPOINTMENT AND REMOVAL OF LA GOVERNOR
REPRESENTATIVES

Purpose of the Report

To appoint LA governor representatives to existing vacancies and vacancies that will arise up to and including the end of the Autumn Term 2016/17.

Background

Governing bodies are made up of various categories of governor under existing legislation of The Government of Maintained Schools (Wales) Regulations 2005. One of those categories is LA governor representative. This Authority has determined that appointments and removals of LA governor representatives will be made by the Children, Young People and Education (Special) Cabinet Board.

Criteria for appointing and removing LA Governor Representatives

The Cabinet Board shall apply the following criteria in the priority set out below when considering appointments:

- a) Elected members representing wards in the catchment area of the relevant school or pupil referral unit.
- b) Other elected members of the LA.
- c) Persons who, in the opinion of the panel, would contribute to the well-being of the school or pupil referral unit.

In each of the above categories, where there are more candidates than vacancies, LA governor representatives shall be appointed on the basis of who, in the opinion of the Cabinet Board, will make the most significant contribution to the management of the relevant school or pupil referral unit.

The Cabinet Board shall apply the following criteria when considering removals.

The Cabinet Board shall take the steps necessary to remove LA governor representatives where, in the opinion of Cabinet Board, there is good reason.

Financial Impact

There is no financial impact associated with this proposal.

Equality Impact Assessment

Having considered the Council's screening assessment guidance produced to assist the Council in discharging its Public Sector Equality Duty under the Equality Act 2010 it has been determined that the proposal within this report does not require an equalities impact assessment.

Workforce Impacts

There are no direct workforce or staffing issues in relation to this report.

Legal Impacts

The recommendations contained within this report are in accordance with the Council's obligations set out in The Government of Maintained Schools (Wales) Regulations 2005.

Risk Management

Failure to appoint sufficient numbers of governors is likely to impede the operation and efficiency of the governing body.

Consultation

There is no requirement under the Constitution for external consultation on this item. Internal consultation regarding nominations of the LA Governor Representatives has though been undertaken with the respective Ward Members.

Recommendations

That, in line with approved policy, LA governor representatives be appointed to the existing and forthcoming vacancies set out in the attached appendix.
