Title

APPOINTMENT AND REMOVAL OF LA GOVERNOR
REPRESENTATIVES

Purpose of the Report

To appoint LA governor representatives to existing vacancies and vacancies that will arise up to and including the end of the Autumn Term 2017/18.

Background

Governing bodies are made up of various categories of governor under existing legislation of The Government of Maintained Schools (Wales) Regulations 2005. One of those categories is LA governor representative. This Authority has determined that appointments and removals of LA governor representatives will be made by the Education, Skills and Culture (Special) Cabinet Board.

Criteria for appointing and removing LA Governor Representatives

The Cabinet Board shall apply the following criteria in the priority set out below when considering appointments:

- a) Elected members representing wards in the catchment area of the relevant school or pupil referral unit.
- b) Other elected members of the LA.
- c) Persons who, in the opinion of the panel, would contribute to the well-being of the school or pupil referral unit.

In each of the above categories, where there are more candidates than vacancies, LA governor representatives shall be appointed on the basis of who, in the opinion of the Cabinet Board, will make the most significant contribution to the management of the relevant school or pupil referral unit.

The Cabinet Board shall apply the following criteria when considering removals.

Where there is an oversubscription of LA governor representatives on the governing body of the relevant school, or pupil referral unit, then the Board will replace one of the current LA governor representatives with the newly elected member.

Priority for replacement will be: any former elected member(s) having lost or resigned their ward seat; followed by the shortest time served LA governor representative on that particular governing body.

The Cabinet Board shall take the steps necessary to remove LA governor representatives where, in the opinion of Cabinet Board, there is good reason.
