JOINT REPORT OF THE CLERK TO THE JOINT COMMITTEE OF MARGAM CREMATORIUM AND THE SUPERINTENDENT AND REGISTRAR

21 July 2020

Matter for Information

Wards Affected: All Wards

Service Provision at Margam Crematorium during the Covid-19 Pandemic

Purpose of the Report:

1. To provide an overview to members of the arrangements for funeral services that have taken place during the Covid-19 Pandemic

Executive Summary:

2. To provide an overview to members of the arrangements for funeral services that have taken place during the Covid-19 Pandemic and to provide information to Members on the number of services held compared to previous years and the number that have arisen directly due to Covid-19

Background:

3. In March 2020, Wales entered into a lockdown following the direction of the UK and Welsh Governments which various legislation passed curtailing certain activities.
4. The Health Protection (Coronavirus Restrictions) (Wales) Regulations 2020 (“the Regulations”) impose temporary restrictions on gatherings and movement of people in Wales. This has been done to minimise the extent to which people leave their homes to help protect the public from the spread of Covid-19.

Margam Crematorium Grounds

5. The Regulations made provisions that apply both to those responsible for a crematorium, place of worship or cemetery at which a funeral or burial is held, and to members of the public who may wish to attend a funeral or burial. A person responsible for a crematorium must ensure that, during the emergency period, the crematorium is closed to members of the public. However, if all reasonable measures were taken to ensure a distance of 2 metres is maintained between every person in the crematorium (except between two members of the same household, or a carer and the person assisted by the carer), the crematorium may open to members of the public for funerals or burials (and to broadcast a funeral or burial whether over the internet or otherwise).
6. As a result this on the 23rd March 2020, Margam Crematorium closed its grounds and only allowed access those attending funeral services to have access.
7. Following clarification being raised with the Welsh Government, the Regulations were amended and allowed for the grounds to be reopened and a reopening took place on the 8th April 2020 with suitable signage being present to remind the public on the

need to ensure social distancing and to keep 2m apart. The change being that crematorium grounds and gardens of remembrance were allowed to be open and it would be a reasonable excuse for individuals to leave their home in order to pay their respects to a loved one.

Book of Remembrance

8. The Book of Remembrance Chapel remains closed to the general public at present because of the difficulties in maintaining social distancing in this venue but consideration is now underway for the development of a system of appointments for access to view the Book of Remembrance

General Office

9. During this period the general office has remained closed to the general public and funeral directors are required to make an appointment to attend the office in order to provide paperwork (a drop box having been provided) though measures have been put in place to allow funeral directors to provide forms and paperwork electronically. Members of the public are still able to contact crematorium staff via telephone or email and all services to which the public might have chosen to attend the office to undertake (i.e. renewal of memorials or to obtain further information) so all elements of the service have continued to function.
10. In order to protect staff during this period a number of updated risk assessments have been prepared, which included, for example, separate workstations for all staff and increased cleaning. All of these being in line with the Neath Port Talbot Risk Assessments.

Funeral Services

11. Death of a family member or friend is a very distressing event which is why the Regulations recognised the need to attend funerals in certain circumstances. The overarching advice, was that people should only attend the funeral of their closest family and friends, and only if they have been invited. People were also encouraged not to attend a funeral if doing so would involve extensive travel. In accordance with separate Welsh Government guidance, those experiencing coronavirus symptoms or are self-isolating were advised not attend. In addition those considered most vulnerable to the coronavirus were encouraged not to attend.
12. The Regulations only allowed a small number of individuals to attend a funeral those being where they were:
 - the person organising the funeral,
 - the person has been invited to the funeral, or
 - the person carer of a person who is attending the funeral (either because they are the organiser or they have been invited).
13. Due to the different sizes of Crematoria within Wales, each individual Crematorium was required to determine the maximum number that would be allowed in order to ensure a suitable 2m distance between mourners (taking into account that some mourners may have been part of the same household). Following consideration with the Council's Health and Safety section, a maximum number of 15 was identified. In the event that the Welsh Government chose to reduce restrictions and the requirements of social distancing change, a new assessment will be undertaken to determine maximum numbers.

14. In order to ensure adequate safeguards were put in place, additional PPE was provided for staff, hand sanitizers were made available for staff on entering and leaving the Chapel and the area is cleaned between services. A one way system has also been devised to reduce one service meeting another.

15. In order to allow individuals greater choice and flexibility in planning a service, attempts were made to offer the additional services that Margam Crematorium can provide:
 - Funerals can be recorded so people who cannot be physically present are able to view the service. The recording is now available as a downloadable file with a reduced fee. The Council's service provider for webcasting is presently improving the system to allow for further webcasting services to be provided.
 - Family and friends may also want to consider holding a memorial service or celebration of life once the coronavirus pandemic is over. Enquiries are being made by the public as to the holding of such services when social distancing restrictions come to an end

16. Since the Margam Crematorium grounds have reopened, it has been noted that members of the public have chosen to pay their respects in a very different way and often members of the public can be seen lining the drive at Margam Crematorium when a funeral is taking place.

17. The witness burial service has also now recommenced as of the 20th July 2020 and an appointment system has been put in place with Funeral Directors and families in order to perform this service and to ensure social distancing can be complied

with at all times. Presently, 4 individuals (plus any clergy and crematorium officials) will be present at such burial.

Funeral Directors

18. Margam Crematorium has always had a strong relationship with local funeral directors and during the Covid-19 pandemic this has continued with regular updates being provided on changes in legislation and practice and when new guidance is issued from Welsh Government it is communicated to funeral directors.
19. New protocols have been put in place to assist funeral directors in service provision, including:
 - The ability to submit forms electronically to negate the need to travel and hand deliver such documents
 - Appointment systems for the collection of cremated remains
 - Assistance in obtaining PPE where necessary via the Council's systems.
 - Allowing greater use of online or telephone payments

Number of Services

20. Members will of course receive within their papers for this Committee meeting the report of the Medical Referee for Margam Crematorium. However, the following table provides a comparator as to the number of services in 2019 and 2020 during the previous 6 months along with an indication of the number of those that are as a result of Covid-19

Difference	23	-12	20	58	44	32	165

Resilience

21. As part of ensuring resilience and business continuity during the Covid-19 pandemic, a number of staff were seconded to Margam Crematorium to undertake training at Margam Crematorium in the event that additional resource was necessary. Strategies were put in place to ensure that regardless of any circumstances that may have arisen during the Covid-19 pandemic Margam Crematorium could continue to function and meet any service needs.

22. 5 employees of Neath Port Talbot Council have now undertaken training and in the event that they are required in the future to ensure future resilience they are capable of being redeployed to assist core Margam Crematorium officers.

MARGAM CREMATORIUM JOINT COMMITTEE

21 JULY 2020

REPORT OF THE TREASURER - HYWEL JENKINS

MATTER FOR DECISION

WARDS AFFECTED - ALL

OUTTURN REPORT AND ANNUAL RETURN 2019/20

1. Purpose of Report

- 1.1 This report provides details of the Margam Crematorium Joint Committee Outturn position for 2019/20. It also includes the Annual Return required to comply with proper accounting practices.

2. Outturn Report 2019/20

- 2.1 This Outturn Report provides details of the variances in service levels for income and expenditure since this Committee approved the revised budget on the 9th January 2020. Members will note that there were 1,527 services provided in 2019/20. This is 77 services more than the 1,450 budgeted for in January.
- 2.2 In summary, the actual position shows that the net amount required to transfer from the reserves is £93,165 less than anticipated at revised budget, made up of reduced expenditure of £41,428 and increased income of £51,737.
- 2.3 Full details of each variance to the revised budget is shown in Appendix 1, with the main variances between the Revised Budget and the Actual position further explained as follows:

Expenditure

Organist fees +£8,206

This represents an increase in the cost of organists including annual leave entitlement and sick pay.

Staff Training -£2,170

The budget was increased to provide the new cremator assistant with FBCA training, the cost of this and other planned training was less than anticipated.

Repair & Maintenance – Buildings +£3,805

There was an overspend on repair and maintenance of the buildings at the Crematorium, which is due to an increased demand for repair and maintenance work throughout the financial year. The cost of repair and maintenance is expected to decrease with the completion of the extension work to the building.

Electricity +£2,316

Electricity consumption in the Crematorium has increased in line with the increased number of cremations and combined with an increase in the cost.

Brochures -£700

Brochures were not required this financial year.

Multi-media system +£1,826

The multi-media system service is becoming more popular. Any additional media services fees and charges are offset by increased income received from this service.

Memorials and benches -£402

Memorials expenditure has decreased this financial year, this is also reflected in a decrease in memorial income.

Provision for Capital works -£46,397

The schedule below analyses the capital works undertaken during 2019/20.

Capital Works	Revised Estimate	Actual	Variance
	£	£	£
Generator electrical and other works	15,800	15,613	-187
Heating and ventilation system	48,000	46,288	-1,712
New office furniture – delayed to 2020/21	15,000	-	-15,000
Cremator area flooring – health and safety improvements	7,320	7,320	-
Extension to the building	347,000	333,631	-13,369
Other capital works	16,880	750	-16,130
	450,000	403,603	-46,397

Income

Cremation Fees +£48,513

The revised budget estimated that there would be 1,450 cremations during the year, but the actual number provided in-year was 1,527. This included 16 cremations for those under the age of 18 for which no cremation fee was payable.

Memorials and benches -£342

The income for memorials is difficult to predict, as it is demand led. This year, we have seen a reduction in the expenditure and income for memorials and benches.

Palm Sunday and Bulb donations -£89 and -£293

These are voluntary donations made by the public to the Crematorium in relation to Palm Sunday and Bulbs. The donations received contribute to any expenditure in relation to the service during the financial year, with any surplus or deficit transferred to the reserve at year end.

Media Services income +£3,352

The additional services offered to the public from the media system have been very popular. This includes streaming funeral services all over the world, service recordings, music and visual tributes.

The demand for these additional services is increasing, resulting in more income than anticipated at revised budget.

3. Reserve Position

3.1 The contributions to and from reserve were £93,165 less than anticipated, resulting in the closing position for reserves shown below:

	Balance at 31st March 2019	Transfers to/from Reserve	Balance at 31st March 2020
	£	£	£
General Reserve	Cr 642,731	179,867	Cr 462,864
Cremator Renewals	Cr 400,000	Cr 100,000	Cr 500,000
Memorial Bulb Account	Cr 6,093	Cr 199	Cr 6,292
Palm Sunday Fund	Cr 4,400	Cr 123	Cr 4,523
	Cr 1,053,224	79,545	Cr 973,679

4. Annual Report for the Year Ended 31st March 2020

- 4.1 The Accounts and Audit (Wales) Regulations 2014 allow for small relevant bodies with gross income or expenditure (whichever is greater) of no more than £2.5M to complete an Annual Return for audit purposes. This summarises the annual activities at the year-end of each financial year.
- 4.2 The Local Councils in Wales Annual Return will be used by Wales Audit Office for scrutiny and audit. The draft Annual Return, which incorporates the Annual Governance Statement, is included at Appendix 3. In line with the requirements of the Accounts and Audit Regulations, Members should note that as the responsible financial officer I signed the Annual Return on the 4th June 2020, prior to the 15th June deadline. A copy of this report and Annual Return has been provided to the Wales Audit Office for their attention and a formal copy also signed by the Chair will be forwarded after the Committee meeting.
- 4.3 The Accounts and Audit (Wales) (Amendment) Regulations 2018 mean that the date for signing and auditing the accounts will come forward in future years, as follows:

Year	Accounts drafted	Accounts audited
2019/20	15 th June 2020	15 th September 2020
2020/21	31 st May 2021	31 st July 2021
Annually thereafter	31 st May	31 st July

However, as a result of the Covid19 pandemic the Welsh Government provided additional time to prepare and audit the 2019/20 Accounts. Members should note though that officers continued to finalise the accounts within the above mentioned timescales.

5. External Audit

- 5.1 Any material changes resulting from the examination of the Annual Return by the External Auditor will be reported back to this Committee for consideration prior to signing off the final version of the Annual Return. Members should note that if the External Auditor does not identify any material changes there will be no need for the accounts to be represented to the Joint Committee and then re-signed by the Chair.

6. Recommendations

- 6.1 It is recommended that Members:

- Approve the Outturn report for 2019/20.
- The Annual Return, prior to external audit certification, for the year ended 31st March 2020, be approved and signed by the Chair of this Committee.
- The Annual Governance Statement is confirmed.

7. Reasons for Proposed Decision

To approve the Outturn report for Margam Crematorium for 2019/20 and to confirm the Annual Return and Annual Governance Statement in line with statutory requirements.

8. Implementation of Decision

The decision is proposed for immediate implementation.

THE ACCOUNTS AND AUDIT PROCESS

Section 12 of the Public Audit (Wales) Act 2004 requires local government bodies in Wales to make up their accounts each year to 31 March and to have those accounts audited by the Auditor General for Wales. Regulation 14 of the Accounts and Audit (Wales) Regulations 2014 states that smaller local government bodies i.e. those with annual income and expenditure below £2.5 million must prepare their accounts in accordance with proper practices.

For minor joint committees with income and expenditure below £2.5 million, proper practices are set out in the One Voice Wales/Society of Local Council Clerks publication 'Governance and accountability for local councils in Wales – A Practitioners' Guide' (the Practitioners' Guide). The Practitioners' Guide requires that they prepare their accounts in the form of an annual return. This annual return meets the requirements of the Practitioners' Guide.

The accounts and audit arrangements follow the process as set out below.

Please read the guidance on completing this Annual Return and complete all sections highlighted in red including the Annual Governance Statement.

APPROVING THE ANNUAL RETURN

There are two boxes for certification and approval by the body. The second box is only required if the annual return has to be amended as a result of the audit. You should only complete the top box before sending the form to the auditor.

The committee must approve the annual return BEFORE the accounts and supporting documents are made available for public inspection under section 30 of the Public Audit (Wales) Act 2004.

The Auditor General for Wales' Audit Certificate and report is to be completed by the auditor acting on behalf of the Auditor General. It MUST NOT be completed by the Clerk/RFO, the Chair or the internal auditor.

Audited and certified returns are sent back to the body for publication and display of the accounting statements, Annual Governance Statement and the Auditor General for Wales' certificate and report.

Guidance notes on completing the Annual Return

1. You must apply proper practices when preparing this annual return. Proper practices are set out in the Practitioners' Guide.
2. Make sure that the Annual Return is fully completed ie, no empty red boxes. Please avoid making any amendments to the completed return. If this is unavoidable, cross out the incorrect entries, make sure the amendments are drawn to the attention of the body, properly initialled and an explanation for them is provided to the external auditor. **Please do not use correction fluid.** Annual returns that are incomplete or contain unapproved and/or unexplained amendments or correction fluid will be returned unaudited and may incur additional costs. Ask your auditor for an electronic copy of the form if required.
3. Use a second pair of eyes, perhaps the Chair or a member, to review your Annual Return for completeness before sending the original form to the auditor.
4. Make sure that your accounting statements add up, that the balance carried forward from the previous year (line 7 of 2019) equals the balance brought forward in the current year (line 1 of 2020). Explain any differences between the 2019 figures on this annual return and the amounts recorded in last year's annual return.
5. Explain fully any significant variances in the accounting statements. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include a detailed analysis to support your explanation and be specific about the values of individual elements making up the variances.
6. Make sure that the copy of the bank reconciliation you send to your auditor with the Annual Return covers **all** your bank accounts and cash balances. If there are no reconciling items, please state this and provide evidence of the bank balances. If your Committee holds any short-term investments, please note their value on the bank reconciliation. The auditor should also be able to agree your bank reconciliation to line 9 in the accounting statements. More help on bank reconciliations is available in the Practitioners' Guide.
7. **Every committee must send to the external auditor, information to support the assertions made in the Annual Governance Statement even if you have not done so before.** Your auditor will tell you what information you need to provide. Please read the audit notice carefully to ensure you include all the information the auditor has asked for. You should send **copies** of the original records (certified by the Clerk and Chair as accurate copies) to the external auditor and not the original documents themselves.
8. Please do not send the auditor any information that you are not specifically asked for. Doing so is not helpful.
9. If the auditor has to review unsolicited information, repeat a request for information, receives an incomplete bank reconciliation or explanation of variances or receives original documents that must be returned, the auditor will incur additional costs for which they are entitled to charge additional fees.
10. **Please deal with all correspondence with the external auditor promptly.** This will help you to meet your statutory obligations and will minimise the cost of the audit.
11. **Please note that if completing the electronic form, you must print the form for it to be certified by the RFO and signed by the Chair before it is sent to the auditor.**
