1. **Declarations of Interest**

There were no declarations of interest received.

2. **Minutes of Previous Meeting**

The minutes of the meeting held on 7th June 2021 were approved as accurate, subject to the following amendment:

Minute3, Paragraph 4, Line 9:

To change 'staff' to 'member' so that it reads:

For example how would a 'member' approach a member of staff?

3. **Head of Democratic Services**

It was confirmed that the role is a statutory role which someone is being designated to carry out. The designation of the role cannot be challenged under employment arrangements. It is adding a statutory element to the current post which is being occupied by the employee. Trade Unions were consulted with and in agreement with the principles used to designate the role.

Following discussion, members were in support of the recommendation in the report to be placed before Full Council for consideration.

4. **Report of the Constitution Review Task & Finish Group**

Members were provided with a report outlining the outcomes of the Constitution Review Task & Finish Group. The review considered both the legal requirements and also the practical elements that Members wished to see as part of the Constitution.

Members were advised that the final decision on constitutional amendments rests with Full Council.

Members queried the implementation of some of the constitutional changes. Mr Griffiths advised that if ratified by Full Council, it is his intention to write to all Councillors providing them with a copy of the amended Constitution and outlining the key changes made.

Members specifically referred to member officer relations. It was confirmed that there will shortly be a member seminar on this item and it will also be built into the member induction programme 2022.

Following discussion, members were in support of the recommendations in the report to be placed before Full Council for consideration.

5. **Members ICT Reference Group**

Members were advised that the ICT Reference Group is usually re-established when there is a business requirement to do so. There are a large amount of ICT issues that will be required to be trialled in the near future. The report recommends that the group is re-established to be able to respond to these emerging items. Items include the move to Zoom, possible future hybrid working and the Member Induction 2022 including the members ICT kit and ICT policy.

Resolved:

- (a) the Terms of Reference for the Members ICT Reference Group be approved; and

(b) the Membership of the IT Reference Group be confirmed and that a date be arranged for the first meeting.

6. **Hybrid Meeting Arrangements and Equipment**

Craig Griffiths outlined the current arrangements with regards to meetings, and how they are being relayed on YouTube. However, the legislative arrangements have changed since this process was put in place. As well as the requirement for publication and webcasting, there is now a legal requirement for meetings to operate within a hybrid model.

Paragraph 20 of the report, provides a financial overview of the requirements to enable the Council to operate a hybrid model. There will be works required to the Chamber, which will also address some of the DDA issues that are currently faced at the venue. This will ensure that members and members of the public can access the Chamber.

It was noted that currently work is focusing on the Chamber. This is predominantly due to the expense. The report also seeks to set up a study group to look at other rooms that could potentially be used to accommodate hybrid meetings.

Members were reminded that the report is about the purchase of the equipment which will enable the physical element of hybrid working. The report was not seeking to determine the policies, protocols etc. to operate the hybrid arrangement.

Members were keen to see other rooms considered to upgrade to operate a hybrid model. Portable equipment could perhaps be considered for other rooms. Further work would be undertaken by the study group recommended to be set up.

Members were reminded about the duty on Council's to increase and promote public participation, and it is hoped that the new equipment would assist with the Council in successfully fulfilling its duty to do this.

Members suggested that a dedicated room for scrutiny meetings could be considered. Further, that the current equipment in the Chamber could be utilised elsewhere so that it does not become redundant, given that it had only been upgraded in recent years.

Members reaffirmed the importance of having adequate access to the Chamber which would include disability access.

Following discussion, members were in support of the recommendation in the report to be placed before Cabinet for consideration.

7. **Forward Work Programme 20/21**

Members were advised of the possibility of additional meetings between October and April, depending on the business that may arise.

To note the Forward Work Programme.

8. **Urgent Items**

There were no urgent items to consider.

DEMOCRATIC SERVICES COMMITTEE

Report of the Head of Democratic Services

Matter for Decision

Wards Affected: All wards

Democratic Services – Assessment of Resources to support the Democratic Services Function

Purpose of the Report:

1. To report the outcome of an assessment of the adequacy of resources.

Background:

2. The Head of Democratic Services has a statutory responsibility to organise the discharge of the “democratic services functions” in accordance with the Local Government (Wales) Measure 2011, which includes, amongst others, the production of reports, as required, on the number of staff required to support democratic services and how the staff should be organised to ensure the Council, the Cabinet and Committees receive high-level support in the discharge of its democratic functions.
3. On 9th September 2021, the Chief Executive reported the most recent assessment to the Democratic Services Committee on the adequacy of resources available to support the democratic services function of the Council. At that meeting, the Committee approved the assimilation of the Democratic Services Manager to the Head of Democratic Services (subsequently approved by Council on 29th September 2021)

The structure chart in Appendix 1 sets out the current structure of the Democratic Services Team.

4. Following the successful assimilation of the Democratic Services Manager to the post of Head of Democratic Services there is need to consider the operational capacity and structure of the Democratic Services Team as the Head of Democratic Services role involves focussing more on the strategic aspects of the function. The continued response to the Covid-19 emergency has had and continues to have a direct impact on the workload of Democratic Services as a result of introducing and holding meetings across remote meeting technologies. Use of remote technologies is requiring all those involved in supporting, chairing or participating in meetings to learn new skills. Direct support has been provided by Democratic Services to Members and Officers and it continues to significantly impact on the workload of the team.
5. In addition to the above, attention now needs to be given to:
 - Preparations for the local government elections 2022. A significant piece of work will be to design and deliver the induction programme for Members returned in those elections.
 - Publication of the Local Government and Elections (Wales) Act 2021 by the Welsh Assembly Government - this Act proposes significant new duties including: mandatory webcasting of all Council meetings; public speaking at meetings; mandatory petition schemes; a duty to create a public participation scheme that will strengthen public involvement in the Democratic Process; and further development of family absence provisions for elected members.
 - The work associated with the implementation of Corporate Joint Committees and the role of Neath Port Talbot County Borough Council. This will likely require further work in respect of democratic services where the rules applicable to the authority will be equally applicable to Corporate Joint Committees.
6. Taken together, these developments will increase the workload of Democratic Services and introduce changes and new requirements to the roles.

Assessment of Resources

7. Following the changes in staffing set out in paragraphs 3 and 4 above, it would be proposed that the current structure of the Democratic Services section be revised to ensure resilience to meet these new requirements. Accordingly a proposed structure is set out in Appendix 2 of this report. It is proposed to introduce two Senior Democratic Services Officers (Grade 9) to the team (ring fenced to the existing Democratic Services Team members) to oversee Scrutiny Support and Project Management of the Mod.Gov system and Committee Administration and Forward Work Programmes respectively. It will also enable suitable focus to be provided on ensuring compliance with the Local Government and Elections (Wales) Act 2021 and enabling the Council to fully prepare for and resource these new requirements
8. It is proposed to recruit to the vacant Grade 7 Democratic Services Officer post.
9. The Grade 5 post will remain vacant until the skills and capacity required to implement the Act become clearer.
9. The changes proposed to the structure for Democratic Services can be delivered within the overall financial resources. A further assessment of resources will be needed when the Act is enacted.

Financial Impact:

10. The financial costs of the above changes can be met within existing budgets.

Integrated Impact Assessment:

11. A first stage Impact Assessment has been undertaken to assist the Council in discharging its legislative duties (under the Equality Act 2010, the Welsh Language Standards (No.1) Regulations 2015, the Well-being of Future Generations (Wales) Act 2015 and the Environment (Wales) Act 2016. The first stage assessment, attached at (Appendix 3), has indicated that a more in-depth assessment is not required as the proposals

Workforce Impact:

12. These changes will provide for more manageable workloads for the Democratic Services workforce whilst at the same time ensuring resilience in respect of service delivery.

Risk Management:

13. The proposed structure will enable the Council to meet its legislative requirements in respect of democratic services and the more recent updates stipulated by the Local Government and Elections (Wales) Act 2021. Failure to do so could render the Council open to challenge or reputational damage.

Legal Powers:

14. Local Government (Wales) Measure 2011.

Consultation:

15. There is no requirement for external consultation on this item.

Recommendations:

16. It is recommended that having due regard to the integrated impact screening assessment, the Democratic Services Committee endorses the proposed structure set out in Appendix 2.

Reason for Decision

17. To enable the Head of Democratic Services to discharge the statutory duty placed upon her as set out in the Local Government (Wales) Measure 2011

Implementation of Decision:

18. This decision is proposed for implementation immediately.

Member Induction 2022 and Diversity in Democracy Programme

Purpose of the Report:

Background:

Member Induction 2022

1. Local Government Elections will take place in May 2012 and it is important that prior to this, the Council reviews its Induction Programme that will take place following the election of new members to the Council to accurately reflect the concerns and views of members based on their induction experience when they were elected in 2017.
2. The Democratic Services Committee has within its remit the responsibility 'to review the adequacy of provision by the Council of staff, accommodation, and other resources to discharge democratic services functions' and 'to make reports and recommendations to the Council in relation to such provision'.
3. Work is also being undertaken by the WLGA via their Member/Officer Networks to develop a 'typical induction curriculum' for use by Local Authorities.

4. The Democratic Services Committee previously established a 'Task and Finish' approach to the work so that members may contribute to the work that will be undertaken by officers.
5. Members of the Task and Finish Group have now considered a Member Induction Timetable and this is included at Appendix 1 for further comment by the Democratic Services Committee and onward endorsement to Full Council for information purposes.

Diversity in Democracy

6. Members will be aware the WLGA has recently embarked on an ambitious Diversity and Democracy Programme to ensure council chambers are more representative of their communities following local elections in May 2022. As part of this at a meeting of the WLGA on the 5th March 2021, the WLGA Council agreed:
 - a. to encourage all political parties, through the WLGA Political Groups, to commit to proactive and coordinated activities to improve diversity in local government democracy;
 - b. a formal position calling for the introduction of resettlement grants for all councillors and senior salary holders;
 - c. to encourage all councillors to claim any necessary allowances or expenses;
 - d. to encourage a declaration by July 2021 from councils in Wales, on becoming 'Diverse Councils'; to:
 - i. Provide a clear, public commitment to improving diversity;
 - ii. Demonstrate an open and welcoming culture to all;
 - iii. Consider staggering council meeting times and agreeing recess periods to support councillors with other commitments; and
 - iv. Set out an action plan of activity ahead of the 2022 local elections.
 - e. that councils should set targets to be representative of the communities they serve at the next elections;
 - f. to support the use of voluntary quotas for Welsh local elections; and

- g. the WLGA reviews the impact of voluntary quotas following the next local elections.
7. Accordingly, in light of paragraph 6(d) above, in the Council meeting held on May 26th 2021, members formerly declared that the Council will:
- Provide a clear, public commitment to improving diversity;
 - Demonstrate an open and welcoming culture to all;
 - Consider staggering council meeting times and agreeing recess periods to support councillors with other commitments; and
 - Set out an action plan of activity ahead of the 2022 local elections.
8. In order to establish the best way to implement these requirements, Democratic Services Committee were tasked to consider the same as part of their consideration of the Member Induction Programme for 2022. In its initial meeting on 12th July 2021, this group agreed in its Terms of Reference to consider how the Council can contribute positively to Diversity in Democracy.
9. In response to the task set out in the WLGA requirements and instructed at Council, a draft diversity in democracy action plan of activity ahead of the 2022 elections has been prepared which has now been considered by the Task and Finish Group and is brought back to Democratic Services Committee today for endorsement before being reported to Full Council for approval. A copy of the proposed Diversity in Democracy Action Plan is set out at Appendix 2

Financial Impacts:

10. There are no financial impacts associated with this report as suggested actions will be met within existing budgets.

Integrated Impact Assessment:

11. There is no requirement for an Integrated Impact Assessment as this is a report in respect of governance arrangements only. A well designed Member Induction programme would assist the Council in discharging its duties and responsibilities as set out in the Equalities Act 2010

Valleys Communities Impacts:

12. There are no valley community impacts

Workforce Impacts:

13. There are no workforce impacts associated with this reports.

Legal Impacts:

14. This work is proposed to be undertaken in accordance with the function of the Democratic Services Committee as expressed in the Local Government (Wales) Measure 2011 and to ensure compliance with the Local Government and Elections (Wales) Act 2021.

Risk Management Impacts:

15. There are no risk management issues associated with this report.

Consultation:

16. There will be no requirement for any consultation.

(b) Members of the Democratic Services Committee endorse the proposed Diversity in Democracy Action Plan and the same be forwarded to Full Council for approval.

Reasons for Proposed Decision:

NEATH PORT TALBOT COUNTY BOROUGH COUNCIL

Democratic Services Committee 4th October 2021

Report of the Head of Legal and Democratic Services – Mr Craig Griffiths

Matter for Decision

Wards Affected:

All wards

Public Speaking at Council Meetings

Purpose of the Report:

1. To seek comments from Democratic Services Committee on a draft Public Speaking Protocol before commending the draft protocol to Full Council

Background:

2. One of the requirements of the Local Government and Elections Wales Act 2021 (“the Act”) is that local authorities must establish ways of promoting and facilitating processes by which local people may make representations to the principal council about a decision before, and after, it is made.
3. Neath Port Talbot County Borough Council (“the Council”) already has a number of measures in place for the public to participate in decision making. Both elected members and the public have various rights to participate in the Council’s democratic processes. Part 4 of the Constitution sets out the procedure rules of the Council which govern the conduct of all council/cabinet/committee meetings and decision making within these forums.

4. There are two different types of involvement that the public can have as part of the participation in the democratic processes of the Council and these relate to themselves as individuals and also involvement via their local member.
5. The public are able to attend any meetings of council/cabinet/cabinet boards or committees where matters are considered in public. They are only excluded where matters are deemed confidential or exempt by virtue of the Local Government Act 1972, where reports are considered in private and members subsequently resolve to exclude the public.
6. The public are also able to present petitions on any matter and the Council requires such petitions to be handed to the relevant directorate. The public are not entitled to provide such petitions during an actual meeting of the council/cabinet/cabinet boards or committees.
7. Members of the public are entitled to speak in the following circumstances:
8. Where they are witnesses before a Standards Committee established under the Standards Committees (Wales) Regulations 2001 to hear code of conduct matters against county borough and town/community councillors;
9. Where they are applicants for a licence or a witness to any matters before the Licensing and Gambling Acts Committee;
10. Where they are making representations for or against a development before the Planning Committee in line with the Council's Protocol for speaking at meetings of the Planning Committee.
11. Where they are invited to attend a Scrutiny Committee to discuss an issue of local concern and/or answer questions in accordance with the Council's Scrutiny Procedure Rules.
12. It should be noted that a Scrutiny Committee shall make arrangements to enable all persons who live or work in the area of the Council to bring to the attention of the Committee their views on any matter under consideration by that Committee. The Council achieves this via the publication of the forward work programme and the publication of the agenda (in accordance with statutory rules). However, persons who live or work in the Council's area

may submit written representations on any matter under consideration by the Committee by submission to the Chief Executive up until one clear day before any relevant meeting of the Committee and these representations shall be reported to the Committee either in full or in summary at the discretion of the Chair

13. Elected members are of course able to bring any matter referred to them by their constituents before council/cabinet/cabinet boards or committees.
14. A member of Council may ask the Leader or the Chair of a cabinet/cabinet board or committee any question without notice on any item being received or under consideration;
15. If an item is not on the agenda for discussion, a member may ask the Mayor, any member of the Executive or a Chair of any committee any question on any matter to which the Council has powers or duties or which affects the area provided that at least 1 working day notice in writing is given to the Chief Executive or where the matter is urgent they have the consent of the Chair to put the question and it is provided no later than 2 hours before the start of the meeting to the Chief Executive.
16. Members can make a Motion on Notice provided it is signed by at least 2 members and delivered to the Chief Executive no later than 8 clear days before the date of the meeting.
17. Members can propose a motion (without notice) on any matter that is being considered by members at a meeting of council/cabinet/cabinet boards or committee.
18. Members of Scrutiny Committees can request matters be considered by the Scrutiny Committee in respect of matters relating to the discharge of the Council's functions provided 8 clear working days' notice is given.
19. Members can 'Call In' items following consideration by the executive/cabinet within 3 days of the decision being made (subject to the appropriate number of members requesting the same).
20. One additional method though that would aid in allowing greater access for constituents to raise issues the Council would be to provide the opportunity for members of the public to ask questions to elected members (namely the Leader, Cabinet Members, Chairs

of Regulatory Committees and Chairs of Scrutiny Committees) at meetings of Council.

21. Accordingly, a draft protocol of public speaking has been prepared and is enclosed at Appendix 1 for member's consideration. It should be noted that once the draft Public Speaking protocol has been approved by Full Council, a user friendly guide for the public will also be prepared indicating how they can utilise the opportunity.
22. Members of the Democratic Services Committee are accordingly asked for their thoughts and observations on the draft Public Speaking Protocol and following this a revised version will be prepared for Full Council to approve and agree implementation of.
23. Once implemented, it would be proposed that the Public Speaking Protocol be reviewed after a period of 12 months to ensure it remains appropriate or whether amendments may be required to ensure the overarching aims of providing the public the opportunity to raise questions with members are being met.

Financial Impacts:

24. An additional financial pressure may be identified where there is a need to ensure further welsh language translation of particular questions that maybe raised and to accommodate any reasonable adjustments that are necessary to meet Equality Act 2010 obligations to allow members of the public to raise questions. This financial impact will be kept under

Integrated Impact Assessment:

25. A first stage impact assessment has been undertaken to assist the Council in discharging its legislative duties (under the Equality Act, the Welsh Language Standards (No.1) Regulations 2015, the Well-being of Future Generations (Wales) Act 2015

and the Environment (Wales) Act 2016. The first stage assessment, attached at Appendix 2, has indicated that a more in-depth assessment is not required.

Valleys Communities Impacts:

26. There are no valley community impacts

Workforce Impacts:

27. There are no workforce impacts associated with the proposed implementation; however any workforce implications that arise from the draft protocol will need to be evaluated and in the event of any impacts a report will be brought back to members for consideration.

Legal Impacts:

28. The protocol will enable the Council to meet its legislative obligations under the Local Government and Elections (Wales) Act 2021

Risk Management Impacts:

29. There are no risk management issues associated with this report.

Consultation:

30. There will be no requirement for any consultation.

Recommendations:

31. It is recommended that, having due regard to the Integrated Impact Screening Assessment:

- (a) Members of the Democratic Services Committee consider the draft protocol for public speaking at Council meetings recommending any changes that they feel are appropriate; and
- (b) Delegated authority be granted to the Chair of the Democratic Services Committee to agree the final draft for commending to Council on behalf of the Democratic Services Committee

Reasons for Proposed Decision:

- 32. To ensure that promoting and facilitating processes by which local people may make representations to the principal council about a decision before, and after, it is made

Implementation of Decision:

- 33. The decision is proposed for implementation immediately

Draft Annual Report of the Independent Remuneration Panel for Wales

Purpose of the Report:

To advise Members of the Democratic Services Committee of proposals set out by the Independent Remuneration Panel for Wales which, if implemented, would impact on Member remuneration in the civic year 2022/2023 and to seek the views of the Committee so as to inform the Council's formal response to the draft proposals.

Background:

The Independent Remuneration Panel for Wales exercises powers set out in various legislation and can also make recommendations. It has the power to set the level of remuneration payable to elected members and co-opted members of local authorities. It has also been given a general power to review councils' pay policy statements as far as they relate to heads of paid service, extended on a temporary basis to chief officers of principal authorities.

Before making its final determinations for the following civic year, the Independent Remuneration Panel for Wales publishes a draft report each year and invites comments on its draft proposals. Proposals for 2021/22 are set out in the attached draft report which is before the

Committee for consideration today.

The proposed changes that would affect the existing arrangements in this Council are summarised in the table below:

Element of Remunerations	2021/2022	Proposed by IRPW for 2022/2023	Change
Basic Salary	£14,368	£16,800	+£2,432
Leader	£49,974	£56,700	+£6,726
Deputy Leader	£35,320	£39,906	+£4,586
Executive Members	£30,773	£34,020	+£3,247
Chairs of Committee	£23,161	£25,593	+£2,432
Leader of largest opposition Group	£23,161	£25,593	+£2,432
Leader of other Political Group	£18,108	£20,540	+£2,432
Civic Head	£23,161	£25,593	+£2,432
Deputy Civic Head	£18,108	£20,540	+£2,342

The limits on the number of senior salaries available to the Council remain unchanged as does the threshold for other opposition group leaders to qualify for the other political group leader salary.

The Independent Remuneration Panel for Wales take the view that as 2022 is an election year for local government and the new five year term, it provides the opportunity to reset the basic salaries of elected members to align with the average earnings in Wales. They consider that it is important that the payments to elected members of principal councils be fair and at a level that is not a disincentive to potential candidates for election and that levels of remuneration need to be set at a level sufficient to encourage a diversity of willing and able people to undertake local governance through elected, appointed or co-opted roles.

Financial Impacts:

The proposals would be contained within the budget provision.

Integrated Impact Assessment:

There is no requirement for an Integrated Impact Assessment as this is a report in respect of governance arrangements only.

Valleys Communities Impacts:

There are no valley community impacts

Workforce Impacts:

There are no workforce impacts associated with this reports.

Legal Impacts:

The Panel are exercising powers set out in Part 8 of the Local Government (Wales) Measure 2011, as amended by the Local Government (Democracy) (Wales) Act 2013 and the Local Government (Wales) Act 2015.

Risk Management Impacts:

Any proposed increased to Member remuneration has the potential to attract public criticism at a time of severe and enduring austerity. The Panel acknowledge this in making its proposals but point to the workloads and responsibilities being borne by elected Members as justification for the proposed changes. Furthermore, the Panel provides details of how councillor remuneration is continuing to diverge from the benchmark rate

Consultation:

All Members were sent a copy of the draft Report on the 30th September 2021. The Panel is required to allow a minimum of 8 weeks between issuing its draft and final Annual Report.

Recommendations:

Members of the Democratic Services Committee are invited to consider the proposals set out in the draft Annual Report and to determine the nature of the Council's formal response to the proposals.

Reasons for Proposed Decision:

To formulate a response to the Independent Remuneration Panel for Wales' draft Annual Report within the consultation timetable.

Implementation of Decision:

The decision is proposed for implementation after the three day call in period.

ANNUAL REPORT 2022/2023

FOREWORD

The Covid pandemic continues to impact on the work of the Panel in that we have been unable to meet with authorities and their representative organisations face to face. However, we have continued to meet regularly and have meaningful discussions to meet our statutory obligations via Microsoft Teams or Zoom.

It has been a difficult time for the public sector but local authorities in Wales have demonstrated their resilience and capabilities over the past 18 months. 2022 is an election year for local government and the new five year term provides the opportunity to reset the basic salaries of elected members to align with the average earnings in Wales. This has been eroded in successive years, primarily as a result of austerity measures. We consider that it is important that the payments to elected members of principal councils be fair and at a level that is not a disincentive to potential candidates for election.

We have undertaken a major consultation exercise in respect of the Remuneration Framework for community and town councils and the outcome is contained in [Section 13](#) of this draft Report. I would like to express my appreciation to all the councils and individual members and officers for their involvement in the exercise.

There have been changes to the membership of the Panel. Ruth Glazzard joined the Panel in April and Helen Wilkinson replaced Claire Sharp in July. My personal thanks to Claire for her contribution to the work of the Panel.

The consultation period for this draft Report ends on **26 November 2021**. The Panel would appreciate comments which will be considered prior to the production of the final Report.

Timescale for Implementation of the Panel's Determinations

The Local Government (Wales) Measure 2011 requires the Panel's Annual Report to take effect from 1 April. In most years, this is in line with financial and administrative arrangements of all authorities. However, when new councils are elected some of the Panel's determinations are to be effective for the new municipal term.

On 9 May 2022, new municipal arrangements will come into effect following local government elections. This Annual Report therefore has two different effective dates as set out below:

1. For the period 1 April 2022 to 8 May 2022, all of the Determinations contained in the Independent Remuneration Panel for Wales' [Annual Report 2021/2022](#) will continue to apply in respect of principal councils and community and town councils.
2. For national park authorities and Welsh fire and rescue authorities the determinations in Sections [7](#) and [8](#) of this Report will apply from the new financial year, 1 April 2022.
3. With effect from 9 May 2022, (the new municipal year) the determinations set out in this Report in Sections [3](#) and [13](#) will apply to principal councils and community and town councils.

Executive Summary

This is the fourteenth Annual Report of the Independent Remuneration Panel for Wales (the Panel), published under the requirements of the Local Government (Wales) Measure 2011 (as amended).

1. As Wales emerges from the Covid pandemic, local democracy and public services will have a vital role to play in strengthening the resilience of our local communities and economies. 2022 is a milestone year because of this overarching context.
2. As a Panel our firm belief is that this is a reset moment for Welsh democracy and for valuing our public services; an important opportunity to future proof our democracy and public services. We have therefore taken time to engage with stakeholders, pause and reflect on the impact of the decisions we take and the messages we are communicating in making this year's determinations.
3. From inception, the Panel has consistently and vigorously expressed that local democracy and the governance of public services are not cost free and need to be valued if we are to enable everyone to participate. Levels of remuneration need to be set at a level sufficient to encourage a diversity of willing and able people to undertake local governance through elected, appointed or co-opted roles. It is important to promote a culture which encourages take up of remuneration to ensure that people from all walks of life can participate confidently in our democracy. However, the Local Government (Wales) Measure 2011 requires the Panel to have regard to the financial implication of its decisions. We have discussed the issue of affordability with representatives of the WLGA and the general consensus is that in the context of a council's income and expenditure the Panel's determinations do not have a significant impact. We consider that the proposals set out in this draft Report meet the legislative requirement.
4. Since 2009, remuneration of elected members of local government in Wales has not kept pace with measures of inflation or other possible comparators. These include Retail Prices Index, Consumer Prices Index, NJC (public sector employees), National Living Wage (NLW), [the Living Wage Foundation's Living Wage \(LWF\) rates](#), Members of Senedd Cymru, and MPs and also the Annual Survey of Hourly Earnings (ASHE). This is the result of austerity and pressure on public finances. This has the potential to perpetuate socio-economic disadvantage, adding to perceptions of a democratic deficit.

5. During this period, decision-making and local governance has increased in complexity with increased responsibilities flowing from legal, social, economic, cultural and technological changes. People's lifestyles (and expectations) have also changed in the last decade with increased requirements and expectations for a flexible approach to support people with family and care pressures to participate and contribute at work and in public life, through job sharing, flexibility and family leave. The diversity in democracy agenda has gained traction, underpinned by the Equality Act with an increased expectation that people with protected characteristics should be encouraged and empowered to participate. Future proofing our democracy and governance also means that young people, those in work and those who are socially and economically disadvantaged are positively encouraged and empowered to participate as it is clear that our public services should be accountable to and delivered by people who reflect the communities they serve. There is evidence that greater diversity will ensure decision-making takes account of a wide variety of perspectives.
6. The Covid pandemic has put unprecedented pressure on our politicians and public servants. It has also highlighted the importance of our local and community infrastructure in developing rapid and innovative solutions. As Wales emerges from the pandemic, there is increased awareness that our nation needs to draw on a diverse talent pool to meet the scale of the ongoing challenges facing the nation. Local governance needs to engage lived experience and knowledge of local people.
7. As noted in this report, payments for councillors in the 22 principal councils in Wales have not kept pace with comparators such as ASHE. Financial constraints on the public sector and particularly on local authorities over many years meant that the link with average Welsh earnings could not be maintained. The Panel considers that this has undervalued the worth of elected members and that it is now time to restore this link as the most appropriate comparator. Members in these 22 principal councils will receive, proportionately, the same as the overall average amount that a Welsh constituent received in 2020. We believe this puts a fair value on the contribution made by local politicians. We hope that over time this will encourage greater diversity and enable potential candidates to consider putting themselves forward for election.
8. Local elections in Wales will take place on 5 May 2022 for a new municipal term and potentially many new local politicians. The 9 May 2022 is therefore the best date in our view to enact this 'significant reset' and invest in local democracy in

Wales. Our proposed increase in remuneration levels will therefore come into effect on this date. Further details can be found in [Section 3](#).

9. As a Panel, we are concerned that payment information provided by relevant authorities shows that very few members are utilising the provision in the framework for financial support in respect of care. We believe it is vital that Democratic Services Committees continue to encourage and facilitate greater use of this element of the Remuneration Framework so that members are not financially disadvantaged.
10. We also believe that encouraging take up of this financial support for members with caring responsibilities will send a positive signal that members with these responsibilities are welcome and valued. We hope that it will encourage others with caring responsibilities to consider standing for election.
11. Payments for members of national park authorities and Welsh fire and rescue authorities will increase as a result of the uplift proposed for elected members of principal councils. As indicated above these increases will be effective from 1 April 2022, the new financial year. The Panel considered the alternative for implementation following the annual meeting of each authority, but this could mean a significant delay in individuals receiving the new payments. This would not be equitable.
12. Early in 2021 the Panel commenced a major review of the Remuneration Framework in respect of community and town councils and undertook a comprehensive consultation exercise with the sector. We appreciated the level of engagement from individual councils and their representative organisations. The Covid pandemic limited the Panel's opportunities for face to face engagement in 2020/2021. However, the Panel's digital engagement was considerable. The Panel recognises a wide variation in geography, scope and scale across the 735 community and town councils in Wales, from small community councils with relatively minimal expenditure and few meetings to large town councils with significant assets and responsibilities. Our recommendations for reform and the proposed new framework are set out in [Section 13](#).
13. In reaching our conclusions we have also taken account of:
 - the overarching framework of the [Wellbeing of Future Generations Act](#);
 - the ethos and principle of the [socio-economic duty](#), implemented in Wales in 2020;
 - Welsh Government's ongoing commitment to [equality](#) and [diversity in democracy](#);

1. The Panel's Framework: Principles of Members' Remuneration

Upholding trust and confidence

- 1.1 Citizens rightly expect that all those who choose to serve in local authorities uphold the public trust by embracing the values and ethics implicit in such public service. These principles underpin the contribution that the work of the Panel and its Framework make towards upholding public trust and confidence.

Simplicity

- 1.2 The Framework is clear and understandable. This is essential for the Panel to be able to communicate its Determinations effectively to all those who are affected by, or who have an interest in its work.

Remuneration

- 1.3 The Framework provides for payment to members of authorities who carry a responsibility for serving their communities. The level of payment should not act as a barrier to taking up or continuing in post. There should be no requirement that resources necessary to enable the discharge of duties are funded from the payment. The Framework provides additional payments for those who are given greater levels of responsibility.

Diversity

- 1.4 Democracy is strengthened when the membership of authorities adequately reflects the demographic and cultural make-up of the communities such authorities serve. The Panel will always take in to account the contribution its Framework can make in encouraging the participation of those who are significantly under-represented at local authority level.

Accountability

- 1.5 Taxpayers and citizens have the right to receive value for money from public funds committed to the remuneration of those who are elected, appointed or co-opted to serve in the public interest. The Panel expects all authorities to make information readily and appropriately available about the activities and remuneration of their members.

Fairness

- 1.6 The Framework will be capable of being applied consistently to members of all authorities within the Panel's remit as a means of ensuring that levels of remuneration are fair, affordable and generally acceptable.

Quality

- 1.7 The Panel recognises that the complex mix of governance, scrutiny and regulatory duties incumbent upon members requires them to engage with a process of continuous quality improvement. The Panel expects members to undertake such training and personal development opportunities as required to properly discharge the duties for which they are remunerated.

Transparency

- 1.8 Transparency of members' remuneration is in the public interest. Some members receive additional levels of remuneration by virtue of being elected or appointed to more than one public body. The Framework serves to ensure that knowledge of all members' remuneration is made easily available to the public.

Remuneration of Heads of Paid Service

- 1.9 The Panel applies these principles of fairness, accountability and transparency in all its determinations in relation to remuneration of members of all the authorities that fall within its remit. The same principles also apply when the Panel is required to make recommendations in relation to the remuneration of the heads of paid service of these authorities.

3. Payments to Elected Members of Principal Councils: Basic, Senior and Civic Salaries

Basic salary for elected members of principal councils

- 3.1 In 2009 the Panel decided the average work commitment of an elected councillor of a principal council was three working days. The maximum basic salary was set at £13,868. This reflected three fifths of the then median gross earnings of full-time male employees resident in Wales as reported in the Annual Survey of Hourly Earnings (ASHE) published by the Office of National Statistics. The Panel considered it was appropriate to use this figure, as it was comparable with constituents' pay, adjusted for the part-time nature of the work of a member with no senior responsibilities. At the introduction of austerity measures, the basic salary was reduced to £13,175 and the link to ASHE was broken. Since then, there has been no connection between councillor and constituent pay. In 2019, the Panel took steps to stop the gap widening and reviewed options to move towards reinstating the link with ASHE or another suitable benchmark. A detailed explanatory paper setting out the historical context and analysis is available on the Panel's [website](#). The key issues are:
- 3.1.1 Since 2009, the Panel has met its duty to take account of affordability and acceptability and set amounts for the basic salary that varied but have not kept pace with measures of inflation or other comparators. Table 1 shows the percentage increases to the basic salary and a selection of alternative benchmarks from 2013 to 2021.
- 3.1.2 From 2013 to 2020 the basic salary of other Welsh elected members increased by 9% (£13,175 to £14,368). A Senedd Cymru member's salary increased by 28.6% (£53,852 to £69,272) and an MP's salary increased by 23.4% (£66,396 to £81,932). MS salaries were realigned in 2017 and MPs in 2015.
- 3.1.3 Examining other parts of the United Kingdom, councillors in Scotland receive £18,604 a year and in 2018 councillors in Northern Ireland received £15,486. Comparison with England is more difficult as the structure of local government is different, although there are examples where members are paid significantly more than their Welsh counterparts.
- 3.1.4 Table 1 shows the basic salary of backbench councillors has fallen significantly behind the Welsh average (median) salary and public sector pay.

- 3.2 When making determinations for this Annual Report, the Panel considered the progression of the variety of benchmark figures outlined above for the period from 2013 to 2021 and the increases.
- 3.3 As outlined in the Executive Summary, the Panel believes that local elections in May 2022 provide an opportune time to rectify the imbalance between the basic salary of councillors and the average salaries of their constituents. The basic salary of councillors of principal councils elected in the May 2022 local elections will be reset to align with the 2020 ASHE. This will be £16,800.

Determination 1: The Basic Salary in 2022/23 for elected members of principal councils shall be £16,800.

Senior Salaries

Senior salaries are payments to members who are executive, chairs of committees and the leader of the opposition.

Number of Senior Salaries

- 3.4 The limit on the number of senior salaries payable (“the cap”) will remain in place and remains unchanged. In 2022-2023 the maximum number of senior salaries payable within each council will be as set out in Table 3.

Senior Salary Payments

- 3.5 All senior salaries include the basic salary payment.
- 3.6 The Panel recognises that years of no or low increases has meant the pay of senior salary holders is significantly and increasingly lower than many relevant comparators.

Leaders

- 3.7 It is widely recognised that the role of leader of a principal council is highly complex and carries a large and increasing level of responsibility. Leaders’ pay is at the lower end of sector market comparators.
- 3.8 The Panel has heard arguments that a leader’s pay should be at or above a backbench MS or a Health Board Chair. The Panel has considered these arguments, but has concluded that although the roles have some similarities, there are significant and crucial differences which are not helpful in making comparisons.
- 3.9 The Panel is very concerned that the current payment levels are often financially

unattractive and are seen as a barrier to participation. For many willing and well-qualified people, a senior salary might necessitate a significant reduction in earnings. This is not in the spirit of diversity, inclusion, or democracy, or efficient for the effective running of principal councils. To start to address this, the Panel has re-set all senior salary payments for 2022-2023. The salary of a leader of the largest (Group A) council will be £63,000. All other payments have been decided in reference to this and are set out in Table 4.

Executive

- 3.10 The Panel continues to take the view that executive members should be considered to be working the equivalent of full time (around 40 hours per week) but flexibly, and not necessarily nine to five. Continued discussions with members and officers in recent years have reinforced this conclusion.

Chairs of Committees

- 3.11 The Panel recognises that there is a significant variance in the responsibilities and functions of chairing different committees. Councils do not have to pay chairs of committees. Each council can decide which, if any, chairs of committees they pay. This allows councils to take account of differing levels of responsibility.
- 3.12 The Panel has considered the role element of the chair's salary. The move to a single level of chair payment in 2019 reduced the differentials with other senior payments. To reset this, the Panel has decided not to change the role element at the 2021 figure of £8,793 for 2022-2023. The basic salary increase will apply.

Determination 2: Senior salary levels in 2022/23 for members of principal councils shall be as set out in Table 4.

Band 2 Executive Members	£37,800	£34,020	£32,130
Band 3 Committee Chairs (if remunerated):		£25,593	
Band 4 Leader of Largest Opposition Group ³		£25,593	
Band 5 Leader of Other Political Groups		£20,540	

³ Leader of largest opposition group. See IRPW Regulations, Annex 2, Part 1(2) for a definition of “largest opposition group” and “other political group”.

Table 4 notes:

- a. The Panel considers that leadership and executive roles (Band 1 and 2 salaries respectively) carry the greatest individual accountability. A deputy leader salary is set at 70% of their leader and an executive member at 60% of their leader.
- b. The Panel considered arguments for and against changing council groupings. Options included removing or increasing the number of groups

and changing the banding levels. The Panel concluded that 'size of population' remains a major factor in influencing levels of responsibility and has retained the three population groups (A, B and C). For information: Group A Population 200,000 and above; Group B Population 100,001 to 199,999; Group C Population up to 100,000.

- c. Salaries for B group councils will be at 90% of Group A salaries. Salaries for C group councils have been set at around 80% of Group A. Although Group C councils have significantly smaller populations and budgets they face similar duties and challenges as Group A and B councils and they do so with fewer resources. The Panel has therefore decided to reduce the Group differentials. In 2022/2023 salaries for Group C will be at 85% of Group A salaries. The salaries are set out in Table 4.
- d. Committee chairs will be paid at Band 3. A council can decide which, if any, chairs of committees are remunerated. This allows councils to take account of differing levels of responsibility.
- e. The stipulation that an opposition group leader or any other group leader must represent at least 10% of the council membership before qualifying for a senior salary remains unchanged.
- f. The Panel has determined that a council must make a senior salary available to the leader of the largest opposition group.
- g. The Panel has determined that, if remunerated, a Band 5 senior salary must be paid to leaders of other political groups.

Payments to Civic Heads and Deputies (Civic Salaries)

- 3.13 A council may decide not to pay any civic salary to the posts of civic head and or deputy civic head. If paid, civic heads must be remunerated at Band 3 level and deputy civic heads at Band 5. (Determinations 5, 6, 7 and 8).
- 3.14 The posts of civic head and deputy civic head are not included in the cap (with the exception of Isle of Anglesey and Merthyr Tydfil Councils).
- 3.15 Civic heads are senior posts within councils which are distinct from political or executive leadership. In addition to chairing major meetings the civic head is the authorities' 'first citizen' and 'ambassador' representing the council to a wide variety of institutions and organisations. The Panel's requirement that members should not have to pay for the cost of the support (see **Determination 10**) needed to carry out their duties applies also in respect of deputy civic heads.

Determination 3: Where paid, a Civic Head must be paid a Band 3 salary of £25,593 in accordance with Table 4.

Determination 4: Where paid, a Deputy Civic Head must be paid a Band 5 salary of £20,540 in accordance with Table 4.

- 3.16 In many instances civic heads receive secretarial support and are provided with transport for official duties and can access a separate hospitality budget which is managed and controlled by council officers.
- 3.17 The Panel recognises the wide range of provision made for civic heads in respect of transport, secretarial support, charitable giving and official clothing. Funding decisions in relation to levels of such additional support are not matters of personal remuneration, but of the funding required to carry out the tasks and duties. These matters remain entirely a decision for individual councils. Councils remain free to invest in support at whatever levels they deem appropriate for the levels of civic leadership they have in place.
- 3.18 The Local Government (Democracy) (Wales) Act 2013 allows councils to appoint a presiding member whose role is to chair meetings of the whole council. Where appointed, there would be a consequential reduction in the responsibilities of the respective civic head.

Presiding Members

- 3.19 Councils are reminded that, if a presiding member is appointed, they do not have to be remunerated. If they are remunerated the post will count towards the cap and be paid at a Band 3 senior salary.

Determination 5: Where appointed and if remunerated, a presiding member must be paid £25,593 in accordance with Table 4.

Determination 6: The post of deputy presiding member will not be remunerated.

Key factors underpinning the Panel's determinations:

- 3.20 The basic salary, paid to all elected members, is remuneration for the responsibility of community representation and participation in the scrutiny, regulatory and related functions of local governance. It is based on a full time equivalent of three days a week.
- 3.21 The prescribed salary and expenses must be paid in full to each member unless an individual has independently and voluntarily opted in writing to the authority's proper officer to decline all or any element of the payment. It is fundamental there is transparency in this process so any possible suggestion that members are put under pressure to decline salaries is avoided.

The following must be applied:

Determination 7:

- a) **An elected member must not be remunerated for more than one senior post within their authority.**
- b) **An elected member must not be paid a senior salary and a civic salary.**
- c) **All senior and civic salaries are paid inclusive of basic salary.**
- d) **If a council chooses to have more than one remunerated deputy leader, the difference between the senior salary for the deputy leader and other executive members should be divided by the number of deputy leaders and added to the senior salary for other executive members in order to calculate the senior salary payable to each deputy leader.**

Determination 8: Members in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any NPA or FRA to which they have been appointed. They remain eligible to claim travel and subsistence expenses and contribution towards costs of care and personal assistance from the NPA or FRA.

Determination 9: Members in receipt of a Band 1 or Band 2 salary cannot receive any payment from a community or town council of which they are a member. They remain eligible to claim travel and subsistence expenses and contribution towards costs of care and personal assistance from the community or town council. Where this situation applies, it is the responsibility of the individual member to comply.

Supporting the work of local authority elected members

- 3.22 The Panel expects support provided should take account of the specific needs of individual members. Democratic Services Committees are required to periodically review the level of support provided to members to carry out their duties. The Panel would expect these committees to carry this out and bring forward proposals to the full council as to what is required. Any proposals should be made with due regard to Determinations 10 and 11 below. For example, the Panel does not consider it appropriate that elected members should be required to pay for any telephone usage to enable them to discharge their council duties.
- 3.23 The Panel considers it is necessary for each elected member to have ready use of email services, and electronic access to appropriate information via an internet connection. The Panel does not consider it appropriate that elected members should be required to pay for internet related services to enable them to discharge their council duties. Access to electronic communications is

essential for a member to be in proper contact with council services and to maintain contact with those they represent. Councils are committed to paperless working and without electronic access members would be significantly limited in their ability to discharge their duties. It is inappropriate for facilities required by members only to be available within council offices within office hours.

- 3.24 The responsibility of each council, through its Democratic Services Committee, to provide support should be based on an assessment of the needs of its members. When members' additional needs or matters of disability apply, or there are specific training requirements indicated, each authority will need to assess any particular requirements of individual members.
- 3.25 As a result of their role as a councillor an elected member's personal security may become adversely affected. It is the duty of Democratic Services Committees to fund or provide support necessary to enable a councillor to discharge their role reasonably and safely. This may require funding appropriate security measures to protect councillors from personal risk or significant threat. Risk assessment and liaison with relevant bodies such as the police and security services would normally inform the selection of required provision.
- 3.26 For co-opted members the support requirements are set out in [Section 9](#) and Determination 42.

Determination 10: Each authority, through its Democratic Services Committee, must ensure that all its elected members are given as much support as is necessary to enable them to fulfil their duties effectively. All elected members should be provided with adequate telephone, email and internet facilities giving electronic access to appropriate information.

Determination 11: Such support should be without cost to the individual member. Deductions must not be made from members' salaries by the respective authority as a contribution towards the cost of support which the authority has decided necessary for the effectiveness and or efficiency of members.

Specific or additional senior salaries

- 3.27 The Panel has allowed for greater flexibility which allows for authorities to apply for specific or additional senior salaries that do not fall within the current remuneration framework, or which could not be accommodated within the maximum number of senior salaries relating to the authority. If the proposed addition is approved and results in the council exceeding its cap, this will be included in the approval (with exception of Merthyr Tydfil and the Isle of Anglesey Councils – see footnote 4). Some councils have raised the possibility of operating some senior salary posts on a job share arrangement. The Panel is supportive of this principle, on the basis that it supports diversity and

inclusion, and the process is set out in Paragraph 3.29.

Determination 12: Principal councils can apply for specific or additional senior salaries that do not fall within the current Framework.

- 3.28 Guidance to local authorities on the application process was issued in April 2014 and incorporated the following principles:
- a. The total number of senior salaries cannot exceed fifty percent⁴ of the membership.
 - b. Applications will have to be approved by the authority as a whole (unless this has been delegated within Standing Orders) prior to submission to the Panel.
 - c. There must be clear evidence that the post or posts have additional responsibility demonstrated by a description of the role, function and duration.
 - d. Each application will have to indicate the timing for a formal review of the role to be considered by the authority as a whole.

⁴ Local Government (Wales) Measure 2011 Section 142 (5). The proportion fixed by the Panel in accordance with subsection (4) may not exceed fifty percent unless the consent of the Welsh Minister has been obtained.

3.29 Job Sharing Arrangements

Section 58 of the Local Government and Elections Act (Wales) 2021 established new arrangements for job sharing for executive leaders and executive members. The Act makes provision:

- a) requiring local authorities to include in their executive arrangements provision for enabling two or more councillors to share an office on an executive, including the office of executive leader
- b) changing the maximum number of members of an executive when members of the executive share an office and
- c) about voting and quorum where members of an executive share office.

For members of an executive: Each job sharer will be paid an appropriate proportion of the salary group as set out in Table 3.

The statutory maximum, as set out in the Act, for cabinets cannot be exceeded so each job sharer will count toward the maximum.

Under the Measure, it is the number of persons in receipt of a senior salary, not the number of senior salary posts that count towards the cap. Therefore, for all job share arrangements the senior salary cap will be increased subject to the statutory maximum of 50% of the council's membership. Where the arrangements would mean that the statutory maximum would be exceeded the Panel would need to seek the approval of Welsh Ministers.

3.30 Assistants to the Executive

The Local Government and Elections Act also provides for principal councils to be able to appoint elected members to assist the executive in discharging its functions.

Such appointments are made by the leader of the council and can include:

- the number of assistants that may be appointed
- the term of office of the assistants
- the responsibility of the assistants

There are exclusions to the appointments as set out in the legislation and assistants are not members of the cabinet.

The Panel has given initial consideration to matters of remuneration for members appointed as assistants to the executive but has concluded that until there is more information in respect of the responsibilities attached to the posts it is not possible to decide on additional payments, if any. It is therefore

proposed that this will be further considered when a council decides to make appointments and details of the specific responsibility is available.

To give effect to this without the requirement for a further formal report the following determination will apply.

Determination 13: The Panel will decide on a case-by-case basis the appropriate senior salary, if any, for assistants to the executive.

Note: If a senior salary payment is made, each will count towards the cap, however, the cap will be increased by the number of assistants receiving payments subject the statutory maximum of 50 per cent of the council's membership.

4. Joint Overview and Scrutiny Committees (JOSC)

- 4.1 Little use has been made of the arrangements for JOSCs. Therefore, the Panel has decided to delete the payment from the Framework. If, in future, a JOSC is formed by an individual council and it wishes to remunerate, it can apply using the arrangements contained in paragraphs 3.27 and 3.28. The current JOSCs in operation will continue without need for further confirmation. The applicable salaries are set out in the following determinations.

Determination 14: The salary level for a chair of a Joint Overview and Scrutiny Committee shall be £8,793.

Determination 15: The salary level for a vice chair of a Joint Overview and Scrutiny Committee shall be £4,396.

5. Pension Provision for Elected Members of Principal Councils

- 5.1 The Local Government (Wales) Measure 2011 provides a power to the Panel to make determinations on pension entitlement for elected members of principal councils.

Determination 16: The entitlement to join the Local Government Pension Scheme (LGPS) shall apply to all eligible elected members of principal councils.

6. Entitlement to Family Absence

This section applies to elected members of principal authorities.

- 6.1 The Regulations relating to Family Absence for elected members of principal councils were approved by the National Assembly for Wales in November 2013⁵ and cover maternity, new-born, adoption and parental absences from official business.
- 6.2 The Panel considered the implications for the remuneration of such members who are given absence under the terms of the Welsh Government Regulations and the Panel's determinations are set out below.

Determination 17: An elected member is entitled to retain a basic salary when taking family absence under the original regulations or any amendment to the regulations irrespective of the attendance record immediately preceding the commencement of the family absence.

Determination 18: When a senior salary holder is eligible for family absence, they will continue to receive the salary for the duration of the absence.

Determination 19: It is a matter for the authority to decide whether or not to make a substitute appointment. The elected member substituting for a senior salary holder taking family absence will be eligible to be paid a senior salary, if the authority so decides.

Determination 20: If the paid substitution results in the authority exceeding the maximum number of senior salaries which relates to it, as set out in the Panel's Annual Report, an addition to the maximum will be allowed for the duration of the substitution. However, this will not apply to the Isle of Anglesey or Merthyr Tydfil Councils if it would result in the number of senior salaries exceeding fifty percent of the Council membership. Specific approval of Welsh Ministers is required in such circumstances.

Determination 21: When a Council agrees a paid substitution for family absence the Panel must be informed within 14 days of the date of the decision, of the details including the particular post and the duration of the substitution.

Determination 22: The Council's schedule of remuneration must be amended to reflect the implication of the family absence.

7. Payments to Members of National Park Authorities (NPAs)

Structure of National Park Authorities

- 7.1 The three national parks in Wales - Brecon Beacons, Pembrokeshire Coast and Snowdonia were formed to protect spectacular landscapes and provide recreation opportunities for the public. The Environment Act 1995 led to the creation of a National Park Authority (NPA) for each park.
- 7.2 National park authorities comprise members who are either elected members nominated by the principal councils within the national park area or are members appointed by the Welsh Government through the Public Appointments process. Welsh Government appointed and council nominated members are treated equally in relation to remuneration.
- 7.3 The structure of the members' committee at each of the three national parks is set out in Table 5.

Table 5: Membership of Welsh National Park Authorities

National Park Authority	Total Membership	Principal Council Members	Welsh Government appointed Members
Brecon Beacons	18	12: Blaenau Gwent County Borough Council – 1 Carmarthenshire County Council – 1 Merthyr Tydfil County Borough Council – 1 Monmouthshire County Council – 1 Powys County Council – 6 Rhondda Cynon Taf County Borough Council - 1 Torfaen County Borough Council – 1	6
Pembrokeshire Coast	18	12: Pembrokeshire County Council – 12	6
Snowdonia	18	12: Conwy County Borough Council – 3 Gwynedd Council – 9	6

- 7.4 Standards Committees of NPAs also have independent co-opted members whose remuneration is included in the Framework as set out in [Section 9](#).
- 7.5 The Panel has based its determinations on the following key points:
- NPAs manage their work via formal authority meetings, committees and task and finish groups. Each has a Development, Management and or Planning Committee, and other committees include Performance and

Resources and Audit and Scrutiny. Ordinary NPA members are members of at least one committee as well as being involved in site visits and inspection panels.

- There is an expectation that members will participate in training and development.
- The chair of an NPA has a leadership and influencing role in the authority, a representational role similar in some respects to that of a civic head and a high level of accountability. The chair is not only the leader of the authority but is also the public face of the particular national park and is the link with the Minister and MS' with whom they have regular meetings. The role requires a high level of commitment and time.

Basic and senior salaries

- 7.6 The time commitment on which the remuneration of members is based is 44 days. The salary for members of NPAs will increase to £4,738.
- 7.7 The Panel has determined that the remuneration of a NPA chair should be aligned to that part of a Band 3 senior salary received by a committee chair of a principal council. This salary will increase to £13,531.
- 7.8 NPAs can determine the number of senior posts it requires as appropriate to its governance arrangements.
- 7.9 The Panel has made the following determinations:

Determination 23: The basic salary for NPA ordinary members shall be £4,738 with effect from 1 April 2022.

Determination 24: The senior salary of the chair of a NPA shall be £13,531 with effect from 1 April 2022.

Determination 25: A NPA senior salary of £8,478 must be paid to a deputy chair where appointed.

Determination 26: Committee chairs or other senior posts can be paid. This shall be paid at £8,478.

Determination 27: Members must not receive more than one NPA senior salary.

Determination 28: A NPA senior salary is paid inclusive of the NPA basic salary.

Determination 29: Members of a principal council in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any NPA to which they have been appointed. Where this situation applies, it is the responsibility of the individual member to comply.

Note: Family absence does not apply to Welsh Government appointed members and local authority nominees are covered by their principal council so NPAs are not required to make any arrangements in this respect.

8. Payments to Members of Welsh Fire and Rescue Authorities (FRAs)

Structure of Fire and Rescue Authorities

- 8.1 The three fire and rescue services (FRAs) in Wales: Mid and West Wales, North Wales and South Wales were formed as part of Local Government re-organisation in 1996.
- 8.2 FRAs comprise elected members who are nominated by the Principal Councils within each fire and rescue service area.
- 8.3 The structure of the each of the three FRAs is set out in Table 6.

Table 6: Membership of Fire and Rescue Authorities

Name of Fire and Rescue Authority	Number of Local Authority Members
Mid and West Wales	25: Carmarthenshire County Council – 5 Ceredigion County Council – 2 Neath Port Talbot County Borough Council – 4 Pembrokeshire County Council – 3 Powys County Council – 4 Swansea City and County Council – 7
North Wales	28: Conwy County Borough Council – 5 Denbighshire County Council – 4 Flintshire County Council – 6 Gwynedd Council – 5 Isle of Anglesey County Council – 3 Wrexham County Borough Council – 5
South Wales	24: Bridgend County Borough Council – 2 Blaenau Gwent County Borough Council – 1 Caerphilly County Borough Council – 3 Cardiff City Council – 5 Merthyr Tydfil County Borough Council – 1 Monmouthshire County Council – 2 Newport City Council - 2 Rhondda Cynon Taf County Borough Council - 4 Torfaen County Borough Council – 2 Vale of Glamorgan Council -2

- 8.4 In addition, Standards Committees of FRAs have independent co-opted members whose remuneration is included in the Framework as set out in [Section 9](#).

8.5 In considering remuneration of members of FRAs, the Panel has based its determinations on the following key points:

- The Chair has a leadership and influencing role in the authority, and a high level of accountability especially when controversial issues relating to the emergency service arise. In addition to fire authority meetings, all FRAs have committees that include in different combinations: audit, performance management, scrutiny, human resources, resource management as well as task and finish groups and disciplinary Panels. As well as attending formal meetings of the authority and committees, members are encouraged to take on a community engagement role, including visiting fire stations.
- There is a strong training ethos in FRAs. Members are expected to participate in training and development. Induction programmes are available as well as specialist training for appeals and disciplinary hearings.
- Training sessions often follow on from authority meetings to make the training accessible.

Basic and Senior Salaries

8.6 The time commitment on which remuneration is based is 22 days. The salary for members of FRAs will increase to £2,369.

8.7 The Panel determined that the remuneration of a FRA chair should be aligned to that part of a Band 3 senior salary received by a committee chair of a principal council. This salary will increase to £11,162.

8.8 The Panel determined that the remuneration of a FRA deputy chair will be aligned with the Band 5 senior salary for principal councils. This will increase to £6,109 and must be paid if the authority appoints a deputy chair.

8.9 FRAs determine the number of senior posts it requires as appropriate to its governance arrangements. Committee chairs and any other senior post if remunerated will be aligned with Band 5. This will increase to £6,109.

Local Pension Boards

8.10 The Panel has considered requests from FRAs to allow them to pay salaries to chairs of local pension boards established under the Firefighters' Pension Scheme (Wales) Regulations 2015. Those Regulations already give FRAs the power to decide how local pension boards are to work and to pay the chair and members if they wish. Therefore, it is not appropriate for the Panel to make a determination empowering FRAs to pay salaries to local pension board chairs. The senior salaries in Determination 31 or 32 cannot be used exclusively for this role.

8.11 The Panel has made the following determinations:

Determination 30: The basic salary for FRA ordinary members shall be £2,369 with effect from 1 April 2022.

Determination 31: The senior salary of the chair of an FRA shall be £11,162 with effect from 1 April 2022.

Determination 32: A FRA senior salary of £6,109 must be paid to the deputy chair where appointed.

Determination 33: Chairs of committees or other senior posts can be paid. This shall be paid at £6,109.

Determination 34: Members must not receive more than one FRA senior salary.

Determination 35: A FRA senior salary is paid inclusive of the FRA basic salary and must reflect significant and sustained responsibility.

Determination 36: Members of a principal council in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any FRA to which they have been nominated. Where this situation applies, it is the responsibility of the individual member to comply

9. Payments to Co-opted Members of Principal Councils, National Park Authorities and Fire & Rescue Authorities⁶

- 9.1 The Panel has determined that a daily or half daily fee is appropriate remuneration for the important role undertaken by co-opted members of authorities with voting rights.
- 9.2 The number of days in any one year for which co-opted members may be paid varies and reflects the specific work discharged by the relevant committee. This context for payment therefore differs from that for elected members of principal councils which provides a monthly payment. Many elected members of principal councils report that they rely on this as part of a core income without which they would be unable to continue in the role.
- 9.3 In dialogue with the Panel, co-opted members acknowledge the importance of fees they receive but do not identify these payments as an income for living upon which they depend. Panel determinations in relation to co-opted member fees occur in this context and any uplifts are therefore not comparable with the changes to salaries of elected members.
- 9.4 Recognising the important role that co-opted members discharge, payment must be made for travel and preparation time; committee and other types of meetings as well as other activities, including training, as set out in Determinations 38 to 41.
- 9.5 The determinations are set out below. Principal councils, NPAs and FRAs must tell co-opted members the name of the appropriate officer who will provide them with the information required for their claims; and make the appropriate officer aware of the range of payments that should be made.

Determination 37: Principal Councils, NPAs and FRAs must pay the following fees to co-opted members who have voting rights (Table 7).

Table 7: Fees for co-opted members (with voting rights)

Chairs of standards, and audit committees	£268 (4 hours and over) £134 (up to 4 hours)
Ordinary Members of Standards Committees who also chair Standards Committees for Community and Town Councils	£238 daily fee (4 hours and over) £119 (up to 4 hours)
Ordinary Members of Standards Committees; Education Scrutiny Committee; Crime and Disorder Scrutiny Committee and Audit Committee	£210 (4 hours and over) £105 (up to 4 hours)
Community and Town Councillors sitting on Principal Council Standards Committees	£210 (4 hours and over) £105 (up to 4 hours)

Determination 38: Reasonable time for pre-meeting preparation is to be included in claims made by co-opted members the extent of which can be determined by the appropriate officer in advance of the meeting.

Determination 39: Travelling time to and from the place of the meeting is to be included in the claims for payments made by co-opted members (up to the maximum of the daily rate).

Determination 40: The appropriate officer within the authority must determine in advance whether a meeting is programmed for a full day and the fee will be paid on the basis of this determination even if the meeting finishes before four hours has elapsed.

Determination 41: Fees must be paid for meetings and other activities including other committees and working groups (including task and finish groups), pre-meetings with officers, training and attendance at conferences or any other formal meeting to which co-opted members are requested to attend.

Support for co-opted members

Determination 42: Each authority, through its Democratic Services Committee or other appropriate committee, must ensure that all voting co-opted members are given as much support as is necessary to enable them to fulfil their duties effectively. Such support should be without cost to the individual member.

⁶ This section does not apply to co-opted members to community and town councils.

10. Contribution towards Costs of Care and Personal Assistance (CPA)

- 10.1 This section applies to all members of principal councils, NPAs, FRAs and to co-opted members of these authorities. The same provision applies to community and town councils.
- 10.2 The purpose of this section is to enable people who have personal support needs and or caring responsibilities to carry out their duties effectively as a member of an authority. The Panel believes that additional costs of care required to carry out approved duties should not deter any individual from becoming and remaining a member of an authority or limit their ability to carry out the role. The Panel has adopted specific principles related to support for the costs of care which were the subject of a [Supplementary Report](#) published in February 2020. These principles are set out in Table 8.
- 10.3 The Panel reviewed the arrangements for this financial support and has made the following changes:
- a) As payments are taxable under the current HMRC rules, full reimbursement is not possible so for clarity this is retitled to “contribution towards the costs of care and personal assistance”. It will still require receipts to accompany claims.
 - b) Claims can be made in respect of a dependant under 16 years of age, or a minor or adult who normally lives with the member as part of their family and who cannot be left unsupervised.
 - c) Reimbursement may be claimed for member’s own care or support needs where the support and/or cost of any additional needs are not available or are not met directly by the authority such as Access to Work, Personal Independence Payments, insurance. These could arise when the needs are recent and or temporary.
- 10.4 Members, including co-opted members are entitled to claim towards the costs of care and personal assistance, for activities that the individual council has designated official business or an approved duty which might include appropriate and reasonable preparation and travelling time. It is a matter for individual authorities to determine specific arrangements to implement this. Each authority must ensure that any payments made are appropriately linked to official business or approved duty.
- 10.5 The Panel reviewed the maximum monthly payment in recognition that this has not changed for several years. Information indicates that monthly costs and claims vary considerably. These can depend on the number of dependants, their ages and other factors. Therefore the monthly cap will be replaced with the following arrangements:
- Formal (registered with Care Inspectorate Wales) care costs to be paid as evidenced.

- Informal (unregistered) care costs to be paid up to a maximum rate equivalent to [hourly rates as defined by the Living Wage Foundation](#) at the time the costs are incurred.

For clarification, care costs cannot be paid to someone who is a part of a member’s household.

10.6 The Panel continues to recognise the issues relating to the publication of this legitimate expense and has retained the requirements for publication set out in [Annex 4](#). To support current members and to encourage diversity the Panel urges authorities to promote and encourage greater take-up of the contribution towards costs of care and personal assistance.

Determination 43: All relevant authorities must provide a payment towards necessary costs for the care of dependent children and adults (provided by informal or formal carers) and for personal assistance needs as follows:

- **Formal (registered with Care Inspectorate Wales) care costs to be paid as evidenced.**
- **Informal (unregistered) care costs to be paid up to a maximum rate equivalent to the [hourly rates as defined by the Living Wage Foundation](#) at the time the costs are incurred.**

This must be for the additional costs incurred by members to enable them to carry out official business or approved duties. Each authority must ensure that any payments made are appropriately linked to official business or approved duty. Payment shall only be made on production of receipts from the care provider.

11. Sickness Absence for Senior Salary Holders

11.1 The Family Absence Regulations (approved by the National Assembly in 2014) are very specific relating to entitlement and only available for elected members of principal councils. Absence for reasons of ill-health is not included.

11.2 Instances have been raised with the Panel of senior salary holders on long term sickness and the perceived unfairness in comparison with the arrangements for family absence. In consequence, councils are faced with the dilemma of:

- operating without the individual member but still paying them the senior salary.
- replacing the member who therefore loses the senior salary (but retains the basic salary).

11.3 The Panel's Framework provides specific arrangements for long term sickness as set out below:

- a) Long term sickness is defined as certified absences in excess of 4 weeks.
- b) The maximum length of sickness absence within these proposals is 26 weeks or until the individual's term of office ends, whichever is sooner (but if reappointed any remaining balance of the 26 weeks will be included).
- c) Within these parameters a senior salary holder on long term sickness can, if the authority decides, continue to receive remuneration for the post held.
- d) It is a decision of the authority whether to make a substitute appointment, but the substitute will be eligible to be paid the senior salary appropriate to the post.
- e) If the paid substitution results in the authority exceeding the maximum number of senior salaries payable for that authority, as set out in the Annual Report, an addition will be allowed for the duration of the substitution. (However, this would not apply to Merthyr Tydfil or the Isle of Anglesey councils if it would result in more than 50% of the membership receiving a senior salary. It would also not apply in respect of a council executive member if it would result in the cabinet exceeding 10 posts - the statutory maximum).
- f) When an authority agrees a paid substitution, the Panel must be informed within 14 days of the decision of the details including the specific post and the estimated length of the substitution. The authorities' Schedule of Remuneration must be amended accordingly.
- g) It does not apply to elected members of principal councils who are not senior post holders as they continue to receive basic salary for at least

six months irrespective of attendance and any extension beyond this timescale is a matter for the authority.

- 11.4 This arrangement applies to members of principal councils, NPAs and FRAs who are senior salary holders, including Welsh Government appointed members, but does not apply to co-opted members.

Note:

The Family Absence Regulations apply to elected members in cases of maternity, new-born, adoption and parental absences from official business. They do not apply to Welsh Government appointed members of NPAs.

12. Reimbursement of Travel and Subsistence Costs when on Official Business

- 12.1 This section applies to members of principal councils, NPAs, FRAs and to co-opted members of these authorities. (Similar provision for community and town councils is contained in Section 13 as there is a different approach to such members, principally that the provision is permissive.)
- 12.2 Members may claim reimbursement for travel and subsistence (meals and accommodation) costs where these have arisen as a result of undertaking official business or approved duties.
- 12.3 Expenses reimbursed to members of principal councils, by their principal council are exempt from Income Tax and employee NICs. Members of NPAs and FR As may be subject to other arrangements as determined by HMRC.
- 12.4 The Panel is aware that in some instances members with disabilities have been reluctant to claim legitimate travel expenses because of an adverse response following the publication of their travel costs. As an alternative, travel arrangements could be made directly by the authority in such circumstances.
- 12.5 The Panel has determined there will be no change to mileage rates which members are entitled to claim. All authorities may only reimburse travel costs for their members undertaking official business within and or outside the authority's boundaries at the current HM Revenue and Customs (HMRC) rates which are:

Reimbursement of mileage costs

45p per mile	Up to 10,000 miles in a year by car
25p per mile	Over 10,000 miles in a year by car
5p per mile	Per passenger carried on authority business
24p per mile	Motorcycles
20p per mile	Bicycles

- 12.6 Where a member who is on official business or an approved duty is driven by a third party (not a member or officer of that authority), the member can claim mileage at the prescribed rates plus any parking or toll fees provided the authority is satisfied that the member has incurred these costs.

Reimbursement of other travel costs

- 12.7 All other claims for travel, including travel by taxi if this is the only, or most appropriate, method of transport, must only be reimbursed on production

of receipts showing the actual cost and will be subject to any requirement or further limitation that an authority may determine. Members should always be mindful of choosing the most cost-effective method of travel.

Reimbursement of subsistence costs

£28 per day	Day allowance for meals, including breakfast, where not provided in the overnight charge
£200 per night	London
£95 per night	Elsewhere
£30 per night	Staying with friends and or family

- 12.8 These rates are in line with Welsh Government rates. Recommended practice is that overnight accommodation should usually be reserved and paid for on behalf of members by the relevant authority, in which case an authority may set its own reasonable limits and the limits which apply when an individual member claims in arrears for overnight accommodation costs do not then apply.
- 12.9 All authorities must continue to reimburse subsistence expenses for their members up to the maximum rates set out above on the basis of receipted claims except for occasions when members stay with friends and or family.
- 12.10 There may be instances where an authority has determined that travel costs within its boundaries are payable and require a journey to be repeated on consecutive days. Where it is reasonable and cost effective to reimburse overnight accommodation costs, instead of repeated daily mileage costs, then it is permissible to do so.
- 12.11 It is not necessary to allocate the maximum daily rate (£28 per day) between different meals as the maximum daily rate reimbursable covers a 24-hour period and can be claimed for any meal if relevant, provided such a claim is accompanied by receipts.

Car Parking for Members

Several councils have specific arrangements for their members in respect of car parking. The Panel considers that it is a matter for individual councils to determine arrangements including payments to and from members providing that it is a decision made formally by the council.

13. Payments to Members of Community and Town Councils

- 13.1 The Panel recognises a wide variation in geography, scope and scale across the 735 community and town councils in Wales, from small community councils with relatively minimal expenditure and few meetings to large town councils with significant assets and responsibilities. This and the fact that not all electoral areas have councils, has made establishing remuneration arrangements more difficult to achieve than for other relevant authorities. For this reason, the Panel decided to undertake a fundamental review ready for implementation effective from the elections on 5 May 2022.
- 13.2 The Panel decided that in carrying out the review it was vital to engage comprehensively with community and town councils and representative organisations together with a commitment to consult on the proposals emanating from the review. The result of this consultation was a significant degree of support for the new proposals and therefore the Panel has decided to introduce the new Framework as set out in this section.
- 13.3 In order to act and carry out duties as a member of a community or town council all persons are required to make a formal declaration of acceptance of office. Following this declaration, members of community or town councils are then holders of elected office and occupy a role that is part of the Welsh local government structure. It is important to note that a person who follows this path is in a different position to those in other forms of activity, for example such as volunteering or charitable work, typically governed by the Charity Commission for England and Wales.
- 13.4 Under the Local Government (Wales) Measure 2011, community and town councils are relevant authorities for the purpose of remuneration.
- 13.5 Consequently, individuals who have accepted office as a member of a community or town council are entitled to receive payments as determined by the Independent Remuneration Panel for Wales. It is the duty of the proper officer of a council (usually the Council Clerk) to arrange for correct payments to be made to all individuals entitled to receive them.
- 13.6 Members should receive monies to which they are properly entitled as a matter of course.
- 13.7 An individual may decline to receive part, or all, of the payments if they so wish. This must be done in writing and is an individual matter. A community or town council member wishing to decline payments must themselves write to their proper officer to do so.
- 13.8 The Panel considers that any member who has personal support needs or caring responsibilities should be enabled to fulfil their role. Therefore, the Panel continues to make the contribution towards costs of care and personal allowance mandatory for all members of community and town councils as set

out in Determination 43.

- 13.9 Each community and town council must ensure that it does not create a climate which prevents persons accessing any monies to which they are entitled that may support them to participate in local democracy. Payments should be made efficiently and promptly.
- 13.10 Members in receipt of a Band 1 or Band 2 senior salary from a principal council cannot receive any payment from any community or town council, other than travel and subsistence expenses and contribution towards costs of care and personal assistance. However, this does not preclude them from holding a senior role (Leader, Deputy Leader) without payment.
- 13.11 Table 12 sets out the actions that community and town councils must take annually in respect of each determination that follows.

Table 9: Community and Town Council Groupings

The current groups are:

Community and Town Council Group	Income or Expenditure in 2020-2021 of:
A	£200,000 and above
B	£30,000 - £199,999
C	Below £30,000

- 13.12 These are based solely on finance. We acknowledge the view of many respondents that this was restrictive and limiting. Therefore 5 Groups will be established based on the size of the council's electorate.

Table 10

Group number	Size of Electorate
Group 1	Electorate in excess of 14,000
Group 2	10,000 to 13,999
Group 3	5,000 to 9,999
Group 4	1,000 to 4,999
Group 5	Under 1,000

- 13.13 In addition, there will be a second factor for determining which group the council will be placed. Where income or expenditure exceeds £200,000 a year, it will be moved upwards to the next group.

Payments towards costs and expenses

- 13.14 The Panel continues to mandate a payment of £150, except for councils in

Group 5 where it will be optional, as a contribution to costs and expenses for members of community and town councils.

13.15 Receipts are not required for these payments.

Determination 44: Community and town councils must make available a payment to each of their members of £150 per year as a contribution to costs and expenses, with the exception of those councils in Group 5 where the payment is optional.

Taxation

13.16 The issue of the taxation of the £150 payment has been raised on many occasions and included in the responses to the recent consultation. As has been made clear the Panel has no remit in respect of matters of taxation but has been kept informed of the discussions between the Welsh Government and HMRC to establish a possible exemption applying to all community and town councils. If there is a positive outcome, it will not be within the timescale of this draft Report. However, if it is achieved before the publication of the final Report the Panel will take the opportunity to restructure the arrangements for this payment and if appropriate adjust by determination the amount to be paid.

Senior roles

13.17 The Panel recognises that specific member roles especially within the larger community and town councils, for example a committee chair, will involve greater responsibility. It is also likely that larger councils will have a greater number of committees, reflecting its level of activity. The Panel has therefore set out the determinations for senior role in table 11 below.

13.18 In all cases, a councillor can only have one payment of £500 regardless of how many senior roles they hold within their Council.

13.19 Where a person is a member of more than one community or town council, they are eligible to receive the £150 and, if appropriate, £500 from each council of which they are a member.

Contribution towards costs of Care and Personal Assistance

13.20 The purpose of this is to enable people who have personal support needs and or caring responsibilities to carry out their duties effectively as a member of an authority. The Panel's determinations in [Section 10](#) apply to Community and Town Councils.

Reimbursement of travel costs and subsistence costs

13.21 The Panel recognises there can be significant travel and subsistence costs associated with the work of community and town council members, especially

where the council area is geographically large and/or when engaging in duties outside this area. Each council has an option to pay travel and subsistence costs including travel by taxi if this is the only, or most appropriate, method of transport. Where a council does opt to pay travel and subsistence costs, the following determinations apply.

Determination 45: Community and town councils can make payments to each of their members in respect of travel costs for attending approved duties.⁷ Such payments must be the actual costs of travel by public transport or the HMRC mileage allowances as below:

- 45p per mile up to 10,000 miles in the year.
- 25p per mile over 10,000 miles.
- 5p per mile per passenger carried on authority business.
- 24p per mile for private motor cycles.
- 20p per mile for bicycles.

Determination 46: If a community or town Council resolves that a particular duty requires an overnight stay, it can authorise reimbursement of subsistence expenses to its members at the maximum rates set out below on the basis of receipted claims:

- £28 per 24-hour period allowance for meals, including breakfast where not provided.
- £200 – London overnight.
- £95 – elsewhere overnight.
- £30 – staying with friends and/or family overnight.

Compensation for financial loss

13.22 The Panel has retained the facility which councils may pay as compensation to their members where they incur financial loss when attending approved duties. Members must be able to demonstrate that the financial loss has been incurred. Each council has an option to pay compensation for financial loss and where it does the following determination applies.

Determination 47: Community and town councils can pay financial loss compensation to each of their members, where such loss has occurred, for attending approved duties as follows:

- Up to £55.50 for each period not exceeding 4 hours
- Up to £110.00 for each period exceeding 4 hours but not exceeding 24 hours

⁷ Where a member who is on official business or an approved duty is driven by a third party (not a member or officer of that

authority), the member can claim mileage at the prescribed rates plus any parking or toll fees provided the authority is satisfied that the member has incurred these costs.

Attendance Allowance

- 13.23 One of the points raised in the responses to the consultation should be the inclusion of an attendance allowance. The Panel acknowledges that in some cases this might be a valuable addition to support the work of a council. It is therefore included as an option for all councils.

Determination 48: Each council can decide to introduce an attendance allowance for members. The amount of each payment must not exceed £30. A member in receipt of financial loss compensation will not be entitled to claim attendance allowance for the same event.

Councils that intend to introduce an attendance allowance must set out the details of the scheme and publish them on their website.

Civic Head and Deputy Civic Head

- 13.24 Civic heads are senior posts within community and town councils. In addition to chairing major meetings the civic head is the ambassador representing the council to a variety of institutions and organisations. The Panel requires that members should not have to pay themselves for any cost associated with carrying out these duties. This requirement also applies in respect of deputy civic heads.
- 13.25 The Panel recognises the wide range of provision made for civic heads in respect of transport, secretarial support, charitable giving and official clothing – we consider these to be the council’s civic budgets.
- 13.26 Funding decisions in relation to these civic budgets are not matters of personal remuneration for the post holder but relate to the funding required for the tasks and duties to be carried out. Councils remain free to set civic budgets at whatever levels they deem appropriate for the levels of civic leadership they have in place.
- 13.27 For the avoidance of doubt, costs in respect of, for example, transport (physical transport or mileage costs), secretarial support, charitable giving (purchasing tickets, making donations or buying raffle tickets) and official clothing are not matters of personal remuneration for the individual holding the senior post. These should be covered by the civic budget.
- 13.28 Recognising that some mayors and chairs of community and town councils and their deputies are very active during their year of office, the Panel has determined that community and town councils can make a payment to the individuals holding these roles.
- 13.29 This is a personal payment to the individual and is entirely separate from covering the costs set out above.
- 13.30 The Panel has determined that the maximum payment to a chair or mayor of

a community or town council is £1,500. The maximum payment to a deputy mayor or chair is £500.

Determination 49: Community and town councils can provide a payment to the mayor or chair of the council up to a maximum of £1,500. This is in addition to the £150 payment for costs and expenses and the £500 senior salary if these are claimed.

Determination 50: Community and town councils can provide a payment to the deputy mayor or deputy chair of the council up to a maximum of £500. This is in addition to the £150 payment for costs and expenses and the £500 senior salary if these are claimed.

Determination 51: The application of the Remuneration Framework by relevant Group.

Making Payments to Members

- 13.31 Table 12 sets out each of the above determinations and if a decision is required by the council in respect of each one.
- 13.32 In respect of the mandated payments where no decision is required by a council, members should receive monies to which they are properly entitled as a matter of course.
- 13.33 Where a decision is required by the council, this should be done at the first meeting following receipt of the Annual Report.
- 13.34 A council can adopt any, or all, of the non-mandated determinations but if it does make such a decision, it must apply to all its members.
- 13.35 When payments take effect from is set out in paragraphs 13.37 to 13.39 below.
- 13.36 On receipt of the draft Annual Report the previous autumn, councils should consider the determinations for the next financial year and use this to inform budget plans.

Table 12

Determination Number	Is a decision required by council?
44 Community and town councils must make available a payment to each of their members of £150 per year as a contribution to costs and expenses, with the exception of those councils in Group 5 where the payment is optional.	No - the payment of £150 is mandated for every member unless they advise the appropriate officer that they do not want to take it in writing. This does not apply to councils in Group 5. The council must decide whether to adopt the payment and if so, it must be available for all members.
45 Community and town councils can make payments to each of their members in respect of travel costs for attending approved duties.	Yes – the payment of travel costs is optional.

<p>51 The application of the Remuneration Framework by relevant Group</p>

13.37 All members are eligible to be paid the £150 as set out in Determination 44 and Table 11 from the start of the financial year; unless they are elected later in the financial year, in which case they are eligible for a proportionate payment from that date.

13.38 Other amounts payable to members in recognition of specific responsibilities or as a civic head or deputy civic head as set out in Determinations 49 and 50 are payable from the date when the member takes up the role during the financial year.

13.39 It is a matter for each council to make, and record, a policy decision in respect of:

- when the payment is actually made to the member;
- how many payments the total amount payable is broken down into;
- and whether and how to recover any payments made to a member who leaves or changes their role during the financial year.

13.40 Payments in respect of Determinations 45, 46, 47 and 48 are payable when the activity they relate to has taken place.

13.41 As stated in paragraph 13.7 any individual member may make a personal decision to elect to forgo part or all of the entitlement to any of these payments by giving notice in writing to the proper officer of the council.

Determination 52: Members in receipt of a Band 1 or Band 2 senior salary from a principal council (that is Leader, Deputy Leader or Executive Member) cannot receive any payment from any community or town Council, other than travel and subsistence expenses and contribution towards costs of care and personal assistance.

Publicity requirements

13.42 There is a requirement on community and town councils to publish details of all payments made to individual members in an annual Statement of Payments for each financial year. This information must be published on council noticeboards and or websites (with easy access) and provided to the Panel by email or by post no later than 30 September following the end of the previous financial year. The Panel draws attention to the requirements stipulated at [Annex 4](#). The Panel is concerned that a significant number of councils are still in breach of this requirement.

14. Compliance with Panel Requirements

The Panel's remit under the Measure

- 14.1 Section 153 of the Measure empowers the Panel to require a relevant authority⁸ to comply with the requirements imposed on it by an Annual Report of the Panel and further enables the Panel to monitor the compliance of relevant authorities with the Panel's determinations.
- 14.2 A relevant authority must implement the Panel's determinations in this report from the date of its annual meeting or a date specified within the Annual Report.

Monitoring compliance

- 14.3 The Panel will monitor compliance with the determinations in this Annual Report by relevant authorities against the following requirements:
- (i) A relevant authority must maintain an annual **Schedule of Member Remuneration** (IRPW Regulations 4 and 5). Guidance at Annex 3 sets out the content which must be included in the Schedule.
 - (ii) A relevant authority must make arrangements for the Schedule's publication within the authority area (IRPW Regulation 46) and send the Schedule to the Panel as soon as practicable and not later than 31 July in the year to which it applies. Annex 4 provides further details of the publicity requirements.
 - (iii) Any amendments to the Schedule made during the year must be notified to the Panel as soon as possible after the amendment is made.

Note: The above requirements do not apply to Community and Town Councils at this time.

The following applies to all authorities including Community and Town Councils.

- (iv) A relevant authority must make arrangements for publication within the authority area of the total sum paid by it in the previous financial year to each member and co-opted member in respect of salary (basic, senior and civic), allowances, fees and reimbursements in a Statement of Payments (in accordance with Annex 4 that sets out the content that must be included in the Publicity Requirements). This must be published as soon as practicable and no later than 30 September following the end of the previous financial year- **and must also be submitted to the Panel no later than that date.**

⁸ Interpretation of "Relevant Authority" provided in the Independent Remuneration Panel for Wales (IRPW) Regulations, Part 1, 'Interpretation'.

15. Salaries of Heads of Paid Service of Principal Councils and Fire and Rescue Authorities and Chief Officers of Principal Councils

- 15.1 Section 63 of the Local Government (Democracy) (Wales) Act 2013 amended the Local Government (Wales) Measure 2011 by inserting section 143A. This enables the Panel to take a view on anything in the Pay Policy Statements of these authorities that relates to the salary of the head of paid service (normally the Head of Paid Service or chief fire officer). Section 39 of the Local Government (Wales) Act 2015 further amended the Measure extending this function to include Chief Officers of Principal Councils. However, this function ceased on 31 March 2020.
- 15.2 The Welsh Government issued amended guidance to the Panel which can be found at [Amended Guidance to the Independent Remuneration Panel for Wales under Section 143A of the Local Government \(Wales\) Measure 2011 and Section 39 of the Local Government \(Wales\) Act 2015](#). This sets the basis on which the Panel will carry out the function contained in the legislation.
- 15.3 The functions of the Panel and the requirements on authorities established by the legislation and the subsequent guidance are:
- a) If a principal council intends to change the salary of the head of paid service, or if a fire and rescue authority intends to change the salary of its head of paid service it must consult the Panel unless the change is in keeping with changes applied to other officers of that authority (whether the change is an increase or decrease). 'Salary' includes payments under a contract for services as well as payments of salary under an employment contract.
 - b) The authority must have regard to the recommendation(s) of the Panel when reaching its decision.
 - c) The Panel may seek any information that it considers necessary to reach a conclusion and produce a recommendation. The authority is obliged to provide the information sought by the Panel.
 - d) The Panel may publish any recommendation that it makes as long as these comply with any guidance issued by the Welsh Government. It is the intention that, in the interests of transparency, it will normally do so.
 - e) The Panel's recommendation(s) could indicate:
 - approval of the authority's proposal
 - express concerns about the proposal
 - recommend variations to the proposal

15.4 The Panel also has a general power to review the Pay Policy Statements of

authorities so far as they relate to the heads of paid service.

15.5 It is important to note the Panel will not decide the amount an individual head of paid service will receive.

15.6 The Panel is very aware that this function is significantly different from its statutory responsibilities in relation to members' remuneration. However, it undertakes this role with clarity and openness, taking into account all the relevant factors in respect of specific individual cases. Authorities are encouraged to consult the Panel at an early stage in their decision-making on such matters. This will enable the Panel to respond in a timely manner.

Pay Policy Statements

Paragraph 3.7 of the guidance to the Panel from the Welsh Government states that "The legislation does not restrict the Panel to a reactive role". It allows the Panel to use its power to make recommendations relating to provisions within local authorities' Pay Policy Statements.

Travel and subsistence payments

25. Subject to paragraphs 26 and 27 below a member or co-opted member is entitled to receive payments from the authority by way of travelling and subsistence payments at rates determined by the Panel in its Annual or Supplementary Reports. Such payments are in respect of expenditure incurred by a member or co-opted member in the performance of the official business within or outside the boundary of the authority.

(Paragraphs 26 & 27 apply only to principal councils)

26. Payment of a subsistence payment to a principal council member for the performance of official business within the boundaries of a county or county borough where they are a member should only be made when the authority is satisfied that it can be justified on economic grounds. This does not apply in respect of co-opted members of a council who live outside that authority.
27. A principal council may make provision, subject to any limitations it thinks fit, for members to claim mileage expenses for official business in connection with constituency or ward responsibilities where they arise out of the discharge of the functions of the county or county borough.
28. Where a member or co-opted member is suspended or partially suspended from being a member or co-opted member of the authority (Part 3 of the 2000 Act refers), travelling and subsistence payments payable to that member or co-opted member in respect of the responsibilities or duties from which that member is suspended or partially suspended must be withheld by the authority. Payment must also be withheld if directed by the Welsh Ministers for reasons other than suspension (Section 155(1) of the Measure).
