### 1. **Cofnodion y Cyfarfod Blaenorol**

Cymeradwywyd cofnodion y cyfarfod a gynhaliwyd ar 1 Hydref 2021 fel cofnod gwir a chywir.

### 2. **Cyhoeddiadau Swyddogion**

Dyweddodd swyddogion wrth yr aelodau y byddant yn rhoi'r diweddaraf ar gais i'r Swyddfa Gartref am gyllid Mannau Diogel yn ystod y cyfarfod craffu ym mis Rhagfyr. Dros yr ychydig wythnosau diwethaf roedd y cais wedi bod yn aflwyddiannus. Roedd swyddogion yn obeithiol y byddai'r adroddiad yn cael ei gyflwyno i'r pwyllgor yn y flwyddyn newydd.

### 3. **Partneriaeth Diogelwch Cymunedol - Diweddariad ar Ymddygiad Gwrthgymdeithasol yn CNPT**

Rhoddodd swyddogion y diweddaraf i aelodau ynghylch ymddygiad gwrthgymdeithasol yng Nghastell-nedd Port Talbot. Trafodwyd y byddai'r cyflwyniad yn cael ei gylchredeg i'r holl aelodau er mwyn iddynt weld yr hyn a oedd wedi digwydd yn eu wardiau. Rhoddodd Heddlu De Cymru ddiweddariad am ymddygiad gwrthgymdeithasol a'r ffigurau yng Nghastell-nedd Port Talbot, a oedd yn edrych yn dda. O fis Ebrill tan fis Hydref, cafwyd gostyngiad

o 36%, yn fwy penodol yng nghanol y dref lle cafwyd gostyngiad o 22.8%. Cafwyd gostyngiad ym mhob ward heblaw am ddwy ohonynt, sef Pontardawe lle bu cynnydd o 10.4% a hefyd y Creunant. Roedd y gwaith yng nghanol y dref wedi bod yn wych, a diolchwyd i bawb am eu gwaith caled.

Ers i Heddlu De Cymru gynyddu eu presenoldeb yng nghanol y dref, cafwyd cyfanswm o 137 o atgyfeiriadau YG, 75 o hysbysiadau Is-adran 35, 81 o arestiadau, 10 o hysbysiadau rhybuddio yn erbyn canabis, 4 atafaeliad alcohol a 92 achos o stopio a chwilio.

Rhoddodd Heddlu De Cymru ddiweddariad ar ardal Port Talbot. Ym mis Awst 2021, roedd HDC wedi derbyn 212 o alwadau am ymddygiad gwrthgymdeithasol, roedd 50 ohonynt yn ymwneud â chanol y dref, ac ym mis Medi cafwyd gostyngiad yn y rhain a chyfanswm o 112 o alwadau. Ym mis Hydref roedd 8 galwad am ganol y dref.

Roedd aelodau'n pryderu'n fawr am ardal ar gyffiniau canol tref Castell-nedd, lle'r oedd aelodau o'r cyhoedd yn camymddwyn. Gofynnodd yr aelodau a oedd unrhyw ffordd o fynd i'r afael â hyn gan fod y preswylwyr a'r tenantiaid yn pryderu. Roedd HDC yn ymwybodol o hyn, a dywedwyd wrth yr aelodau fod hyn yn flaenoriaeth a'u bod yn trafod â'r Awdurdod Lleol orchymyn cau posib ar gyfer yr eiddo. Sicrhawyd aelodau gan HDC eu bod yn deall yr effaith yr oedd yn ei chael ar y gymuned a'u bod yn rhoi eu hymdrechion llawn i wneud rhywbeth cadarnhaol a chynaliadwy i ymdrin â hyn.

Gofynnodd yr aelodau, mewn perthynas â Heol yr Orsaf, pa fath o waith y mae'r heddlu'n ei wneud gyda'r landlord. Dywedodd HDC bod yr holl eiddo yno'n dai cymdeithasol a'u bod yn gweithio gydag asiantiaid yn eu cylch.

Gofynnodd yr aelodau am y meysydd parcio ym Mhort Talbot, gan fod y cyhoedd yn mynd iddynt gyda'r hwyr i chwarae cerddoriaeth etc. Mae aelodau wedi cael cyfarfod â'r tîm parcio ac roeddent yn ymchwilio i hyn ar draws yr ardal glan môr gyfan, ac nid mewn un maes parcio'n unig. Nododd y swyddogion bod yn rhaid rhoi'r un mesurau ar waith ym mhob maes parcio, nid yr un dan sylw'n unig, ac roeddent yn falch o glywed bod y mater yn cael ei drafod. Soniodd yr aelodau am blant wedi diflasu ar bethau mewn mannau - doedd dim digon o bethau iddynt eu gwneud yn yr ardal a dyma pam maent yn achosi problemau. Nododd swyddogion, oherwydd y pandemig nid yw Swyddogion Cymorth Cymunedol yr Heddlu wedi gallu ymgysylltu cymaint ag yr hoffent, a hefyd roedd y Swyddog Cyswllt Ysgolion wedi gadael, ac roedd hyn o ganlyniad wedi cael effaith fawr. Gyda

nos galan gaeaf, noson tân gwyllt etc. roedd cynnydd bob tro mewn ymddygiad gwrthgymdeithasol. Gofynnodd aelodau beth oedd y ffordd orau o gysylltu â'r heddlu, a chlywsant yn flaenorol fod angen ffonio 101, defnyddio cyfryngau cymdeithasol neu ffonio 999 mewn argyfwng etc. Cadarnhaodd swyddogion y dylid defnyddio'r holl opsiynau a oedd wedi'u cyhoeddi ac a oedd ar gael.

Roedd HDC yn hapus i gael e-bost gan y cynghorwyr ar ddiwedd y mis yn rhoi'r diweddaraf iddynt ar yr hyn a oedd yn cael ei drafod yn eu grwpiau, fel dull adrodd ychwanegol.

Roedd yr aelodau am ddiolch i Swyddogion Cymorth Cymunedol yr Heddlu a oedd yn gwasanaethu'r gymuned yn wych.

#### 4. **Blaenraglen Waith**

Roedd angen nodi'r eitem hon. Roedd angen rhoi gwybod i aelodau hefyd y byddai'r eitem cyllid Mannau Diogel CNPT yn cael ei thynnu oddi ar y rhestr ar gyfer mis Rhagfyr 2021.

### **Community Safety and Public Protection Scrutiny Sub Committee**

**17<sup>th</sup> December 2021**

#### **Report of the Chief Digital Officer**

##### **Matter for Information**

**Wards Affected: All Wards**

##### **CCTV: Position Statement and Update**

##### **Purpose of the Report:**

This report provides Neath Port Talbot elected Members with an update on the Local Authorities public space Closed Circuit Television (CCTV) provision.

##### **Executive Summary:**

Public space CCTV has been in place across the Authority since the mid 1990's and is a non-statutory service provision. The current CCTV service operates a staffed service at evenings, weekends and Bank Holidays, with all other times covered by 'passive' un-staffed monitoring only.

The current camera network consists of 53 cameras strategically placed throughout Neath and Port Talbot town centres and along Aberavon seafront.

The camera network has recently expanded following engagement with Britton Ferry Town Council. This has seen a further seven cameras deployed to this ward, fully funded by the Briton Ferry Town Council. These cameras are used to improve safety and assist in tackling crime and anti-social behaviour.

The CCTV provision provides a highly visible deterrent and as has supported a number of scenarios including identifying criminal activity such as burglary, anti-social behaviour, assaults and assisting with arson investigations. All of this is possible through the network of cameras we have available and the diligence of the CCTV staff who provide an out of hours monitoring service for the CCTV system.

### **Replacement Camera Programme**

The CCTV camera infrastructure has not been renewed since its original installation. As a result, it has now reached end of life and has become increasingly difficult to maintain. Work is currently underway to replace the entire CCTV camera system with a modern and high-specification infrastructure, operating over a new Wi-Fi transmission network. We are also taking the opportunity to update existing CCTV control room software, upgrade networking and storage and paint existing CCTV columns.

As part of this process, we have engaged a CCTV specialist consultant to determine the ongoing validity of each camera location. Through this process, we identified where replacement cameras would need to be sited or a new camera installed due to changes in the town centre.

Camera location changes as follows (all others are replacement in situ):

- Neath Multi Storey car park - Two new cameras located on top of the car park. Replaces camera lost from BT telephone exchange.
- Bridge St, Neath - Supported by local intelligence of a need for additional monitoring in this area.
- New St, Neath – Identified as potential hot-spot by Police.
- Water St, Neath - Camera reinstated in this location to replace cameras lost from the old Wilkinson/Tesco building.
- Victoria Gardens - Move camera to improve viewing angle.
- Water St, Port Talbot - Move camera to provide better viewing angles.
- Grove Road/Station Road, Port Talbot - Reinstated camera to replace camera removed from this location on the demolition of the old police station.
- Aberavon - Move camera further along the promenade to provide improved CCTV viewing locations.

It is expected that camera replacements will commence in the New Year, with work expected to be complete by May 2022.

### **Review of CCTV Operating Hours**

A review of the CCTV service is underway to explore whether it could be reinstated as a 24/7, 365 day a year monitoring operation. A business case is being developed with detailed financial profiles to allow an informed decision to be made on this non-statutory service.

There is no additional budget currently identified to fund an expansion of active CCTV monitoring and any additional costs will need to be fully considered against other Council priorities.

So far, the business case has identified potential benefits to this operational change including:

- Enhanced town centre safety.
- Improving public perception of safety in the town centre areas.
- Reducing anti-social behaviour.
- Targeted response and assistance in police operations to tackle anti-social behaviour in the town centre.
- Access to daytime town centre radio system with assistance to businesses from CCTV where required. E.g. tackling shoplifting and identifying potential issues before they occur.
- Renewed ability to effectively assist Police in ongoing investigations during the daytime.

Further information will be provided to Elected Members as this work progresses.

Appendix 1 - Partnerships & Community Cohesion Performance Indicators - Quarter 2 ( 1st April - 30th September) 2021/22

*Print Date: 25-Nov-2021*

## How will we know we are making a difference (01/04/2021 to 30/09/2021)?

PI Title	Actual 19/20	Actual 20/21	Actual 21/22	Target 21/22	Perf. RAG
<b>Organisation</b>					
CP/034 - Percentage of incidents of domestic abuse where people are repeat victims - Independent Domestic Violence Advisor (IDVA) Service - highest risk victims	44.19	31.62	39.60	32.00	 Red
<p>99 of 250 for quarter 2 2021/22 were repeat cases compared to 74 of 234 for quarter 2 2020/21. These are people who have accessed the service on one or more occasion previously.</p> <p>Repeat cases have increased slightly in Q2 however this will need to be reviewed and analysed for the whole period of period 21/22 and compared to previous years to gain a clearer picture.</p> <p>We intend carrying out a review of repeat cases on a regular basis in order to gain a clarity and learning around the circumstances of cases being referred back into the Service and the MARAC (Multi-agency Risk Assessment Conferences) process. Repeat cases can indicate a greater confidence and reassurance in victims to report domestic abuse and seek support and assistance. But also can highlight any less effective areas in our current multi- agency responses.</p>					
CP/115 - % of children that have received the Healthy Relationship lesson to address violence against women, Domestic abuse and sexual violence (VAWDAYS)				0.00	 NA
<p>New indicator for 2021/22.</p> <p>As per quarter 1, due to Covid restrictions in schools and funding issues, the programme has been temporarily suspended. The Relationship and Sexuality Education Group have called together a Task &amp; Finish Group to look at a pilot in 1 school to address missed lesson delivery during the past 18 months. If successful, we will look at the possibilities of rolling this out across all schools.</p>					
PI/153 - Number of referrals of high risk victims to the IDVA (Independent Domestic Violence Advisor) service	215.00	234.00	250.00	225.00	 Red
<p>The IDVA Service has continued to see a consistently high number of new referrals being received into the service. At the current referral rate it is predicted that we will see an increase in overall referrals for 2021/22 of approximately 14% compared to 20/21. The year on year increase in referrals places great pressure on the service and the ability to maintain the expected level of provision. Staff well- being remains a priority especially as the team continue to work from home.</p> <p>Engagement levels dropped slightly in Q2 . 75 cases fully engaged with the service and where we can evidence successful outcomes of a reduction in risk and an increase in safety.</p> <p>During Q2 we saw one member of staff off sick for a long period and increase in annual leave taken which has impacted on capacity and resources available.</p>					

PI Title	Actual 19/20	Actual 20/21	Actual 21/22	Target 21/22	Perf. RAG
PI/154 - Number of new members to Paws on Patrol	81.00	6.00	209.00	50.00	 Green
<p>The Community Safety Team organised 5 pop up engagements during Quarter 2, with a steady flow of new members joining the scheme. Numbers can fluctuate overall as some members do leave the scheme for a number of different reasons. The database is continually updated as requests come through. Over the winter months we may see a decrease in new members joining due to lack of outdoor events. We are yet to resume indoor events due to risk of Covid. Continual online promotion of the scheme will continue and posts via social media, to encourage new members to sign up throughout the winter months.</p>					
PI/466 - Percentage of children and young people who have participated in a suitable programme that addresses VAWDASV (violence against women, domestic abuse and sexual violence)	63.64	0.00		50.00	 NA
<p>As per Q1 – Community Safety have been unable to facilitate a live Crucial Crew event due to Covid related restrictions. Video resource was accessible for all 53 Primary schools. We are not able to capture many times this was viewed.</p>					
PI/467 - Percentage of year 6 children and young people who have participated in a suitable programme to address cyber-crime	98.79			98.00	 NA
<p>As per Q1 – Community Safety have been unable to facilitate a live Crucial Crew event due to Covid related restrictions. Video resource was accessible for all 53 Primary schools.</p>					
PI/482 - Number of monitoring visits undertaken to APB (Area Planning Board) commissioned substance misuse service	0.00	15.00	36.00	17.00	 Green
<p>The reason why there is one additional service being monitored is that the APB are retaining a stake in the RAPS (Rapid Access Prescribing Service), which was commissioned using SMAF (Substance Misuse Action Fund). The service will be part funded by SMAF this year, before being fully funded by Home Office funding and handed over to the OPCC (office of the Police and Crime Commissioner) in 22/23.</p>					
PI/483 - Number of agreed service outcomes achieved in APB commissioned substance misuse services			16.00	17.00	 Red
<p>Due to the introduction of a new information management system across western bay substance misuse services (WCCIS) and the issues affecting the ability of services to record on that system, it has not been possible to obtain performance management information for Q2 21/22. Work is on-going to find ways to fix the issues with the system. 3 services have been identified as underperforming:</p> <ul style="list-style-type: none"> <li>• CDAT Swansea; CDAT NPT: both have waiting lists so Individuals are unable to access the support that they need. This is being addressed with the Health Board, who are awaiting the outcome of their internal review.</li> <li>• Platform Counselling service: this is currently not being delivered due to redundancies made as a result of funding changes. They are currently going through a second attempt to recruit to the vacant 22 hour Counselling post.</li> </ul>					

PI Title	Actual 19/20	Actual 20/21	Actual 21/22	Target 21/22	Perf. RAG
PI/484 - Percentage of non-fatal over-doses notified through the protocol that received appropriate advice and or other intervention		61.00	133.00	50.00	 Green
<p>Neath = 6            Port Talbot = 6            These are actuals i.e. 12 overdoses in total for NPT. The percentage is 50% of the 12 have received an intervention.            This is a reduction of 8 compared to the same quarter last year. The reduction may be down to the emergency department at Morriston General Hospital not been able to notify us of non-fatal due to reliance of one member of staff at the hospital and the increase in patients now presenting at the emergency department.</p> <p>So far 6 people have received an intervention or advice which is 50%. There are still some cases outstanding so this figure can be finalised at the next quarter stats.</p>
