2. DATGANIADAU O FUDDIANNAU

3. COFNODION Y CYFARFOD BLAENOROL

Cytunwyd y dylid cymeradwyo cofnodion 15 Medi 2021 fel cofnod gwir a chywir.

4. UNRHYW EITEMAU BRYD (BOED YN GYHOEDDUS NEU'N EITHRIEDIG) YN ÔL DISGRESIWN Y CADEIRYDD YN UNOL AG OFFERYN STATUDOL 2001 RHIF 2290 (FEL Y'I DIWYGIWYD)

Rhoddodd y Prif Weithredwr, Karen Jones, yr wybodaeth ddiweddaraf am yr adolygiad allanol. Tynnwyd sylw at dri phwynt o'r adroddiad a ddarparwyd.

Ar dudalen 15, nododd y Prif Weithredwr nad oedd y gwaith i ddod â mwy o eglurder i weithdrefnau gwneud penderfyniadau sy'n ymwneud â gwaith cyfalaf wedi'i gwblhau o fewn y dyddiad a ragwelwyd. Fodd bynnag, cadarnhaodd y Prif Weithredwr fod gwaith bellach wedi'i gwblhau a bydd yn mynd gerbron y Cabinet ar 15 Rhagfyr.

Roedd yr ail elfen a amlinellwyd ar dudalen 17 yn ymwneud â'r domen sbwriel. Bu cryn dipyn o gynnydd o ran opsiynau i ymdrin â'r domen sbwriel. Cynhaliwyd cyfarfod cyhoeddus a chytunwyd y byddai rhagor o ymgysylltu â'r cyhoedd cyn cyflwyno'r adroddiadau opsiynau i'r aelodau. Dylai'r adroddiad nesaf fod gerbron aelodau cyn diwedd y flwyddyn.

Roedd yr elfen olaf ar dudalen 19 yn ymwneud â hyfforddiant. Cyflogwyd hyfforddwr allanol ac mae hyfforddiant swyddogion wedi'i gwblhau. Mae Aelodau'r Cabinet hefyd wedi cwblhau'r hyfforddiant. Ar ôl ymgynghori ag arweinwyr grwpiau, disgwylir i hyfforddiant gyda gweddill yr aelodau gael ei drefnu fel rhan o'r broses sefydlu aelodau ar ôl yr etholiadau yn 2022.

Nododd yr Aelodau fod yr holl gamau gweithredu eraill yn yr adroddiad wedi'u cwblhau.

Byddai Archwilio Mewnol yn parhau i brofi'r gweithdrefnau gwneud penderfyniadau fel rhan o'u gwaith adolygu mewnol parhaus.

Penderfynwyd: Cymeradwyo'r ddau argymhelliad a geir yn yr adroddiad.

5. **DIWEDDARIAD AR Y SIARTER ARCHWILIO MEWNOL**

Aeth Huw Jones, y Prif Swyddog Cyllid, drwy'r adroddiad. Mae Safonau Archwilio Mewnol y Sector Cyhoeddus yn ei gwneud yn ofynnol i awdurdod lleol gael pennaeth archwilio mewnol. Yn dilyn ymddeoliad y Pennaeth Cyllid, mae angen ailddynodi'r rôl hon yn awr. Nid oes unrhyw newidiadau gweithredol o ganlyniad i'r ailddynodi hwn.

Penderfynwyd: Cymeradwyo'r argymhelliad a gynhwysir gyda'r adroddiad.

6. **ADRODDIAD CYNNYDD ARCHWILIO MEWNOL**

Aeth Anne-Marie O'Donnell drwy'r adroddiad. Cyflwynir yr adroddiad hwn bob chwarter. Cafwyd rhai newidiadau yn sgîl materion staffio ac effeithiau COVID-19.

Cadarnhawyd bod swyddi gwag cyfredol a fydd yn parhau wrth i adolygiad o'r strwythur staffio gael ei gynnal.

Mae'r gwaith blwyddyn ariannol hwn wedi'i gwtogi oherwydd lefel uwch na'r arfer o salwch o fewn y tîm a hefyd oherwydd y cyfyngiadau o ganlyniad i COVID-19. Mae rhai archwiliadau wedi'u dileu'n llwyr ac mae eraill wedi'u trosglwyddo i'r flwyddyn ariannol newydd. Manylir ar y cynllun newydd yn yr adroddiad.

Mae'n anochel y bydd y penderfyniad i ddiwygio cynllun eleni yn cael effaith yn 22/23. Mae swyddogion yn fodlon bod angen cynnal yr archwiliadau sy'n cael eu cyflwyno. Maent yn feysydd risg uchel ac yn cysylltu'n uniongyrchol â blaenoriaethau corfforaethol y cyngor. Yn y flwyddyn newydd bydd cyfarfodydd gyda'r gwahanol dimau uwch-reolwyr ar draws y cyngor. Hyd nes y cynhelir y cyfarfodydd hyn mae'n anodd mesur effaith y newidiadau. Yn debyg i weddill yr awdurdod, bydd yr effaith a achosir gan y pandemig yn parhau am nifer o flynyddoedd.

Penderfynwyd: Cymeradwyo'r argymhelliad a geir yn yr adroddiad.

7. COFRESTR O ADRODDIADAU AC ARGYMHELLION RHEOLYDDION

Aeth Caryn Furlow-Harris drwy'r adroddiad. Roedd yr adroddiad yn darparu'r diweddariad cyntaf i'r pwyllgor ar adroddiadau a dderbyniwyd gan reoleiddwyr allanol. Mae hyn yn darparu proses i'r pwyllgor er mwyn monitro unrhyw argymhellion allanol a geir yn yr adroddiadau.

Rhestrwyd yr adroddiadau a dderbyniwyd ers mis Ebrill 2021 ynghyd â chrynodeb byr o bob adroddiad ac roeddent yn cadarnhau nad oedd unrhyw argymhellion wedi'u cynnwys yn yr adroddiadau.

Cyhoeddwyd dau adroddiad hefyd ym mis Medi. Yn gyntaf, adroddiad cenedlaethol a gyhoeddwyd gan Archwilio Cymru ar Adfywio Canol Trefi. Roedd yn cynnwys argymhellion ar gyfer Llywodraeth Cymru a dau argymhelliad ar gyfer awdurdodau lleol hefyd. Mae swyddogion Cyfarwyddiaeth yr Amgylchedd bellach yn ystyried yr argymhellion a

bydd adroddiad yn mynd gerbron Bwrdd y Cabinet Adfywio a Datblygu Cynaliadwy ym mis Ionawr a fydd yn nodi'r camau y bwriedir eu cymryd i fynd i'r afael â'r argymhellion.

Derbyniwyd yr ail adroddiad yn dilyn yr Arolygiad ar y Cyd ar Drefniadau Amddiffyn Plant. Mae ganddo nifer o ganfyddiadau gyda chynllun gweithredu ar y cyd yn cael ei ddatblygu. Bydd hyn yn cael ei gyflwyno i Fwrdd Cymdeithasol, Iechyd a Lles y Cabinet ym mis Rhagfyr.

Penderfynwyd: Cymeradwyo'r argymhelliad yn yr adroddiad.

8. **RHAGLEN WAITH AC AMSERLEN ARCHWILIO CYMRU**

Nododd aelodau'r adroddiad.

9. **CYNALADWYEDD ARIANNOL LLYWODRAETH LEOL**

Tynnwyd sylw'r aelodau at un neu ddau o bwyntiau. Mae'r adroddiad yn adeiladu ar yr adroddiad a gyhoeddwyd ym mis Hydref 2020.

Mae cwpl o themâu allweddol sy'n gyffredin ym mhob un o'r cynghorau. Darparwyd cyllid ychwanegol i'r cyngor i liniaru cost y pandemig. O ganlyniad, mae sefyllfa ariannol holl weithgareddau'r cyngor wedi gwella. Mae pob cyngor wedi cynyddu eu lefelau cronfeydd wrth gefn. Canfu'r adroddiad hefyd fod rhai meysydd o orwariant sylweddol gan rai cynghorau a bod pwysau o ganlyniad i alw'n parhau i gynyddu.

Mae'r adroddiad yn nodi pedwar cam y gall cynghorau eu cymryd i wella cynaliadwyedd ariannol, mewn perthynas â strategaeth ariannol, cronfeydd wrth gefn, perfformiad yn erbyn y gyllideb a chyflawni arbedion

Nododd aelodau'r adroddiad.

10. **ASESIAD O GYNALADWYEDD ARIANNOL**

Mae'r adroddiad lleol hwn yn adeiladu ar waith yn 2019/2020. Mae'r themâu a nodwyd yn yr adroddiad yn dilyn y rheini yn yr adroddiad cenedlaethol a chanfuwyd bod y cyngor mewn sefyllfa dda i gynnal

cynladwyedd ariannol. Llwyddodd cyllid ychwanegol ar gyfer Cymru i liniaru'r effaith uniongyrchol ar gynladwyedd ariannol.

Cydnabu'r adroddiad fod lefel y cronfeydd wrth gefn wedi cynyddu. Hefyd, mae gan y cyngor hanes da o ddarparu gwasanaethau o fewn cyllidebau y cytunwyd arnynt a chyflawni'r rhan fwyaf o'i arbedion arfaethedig.

Nododd aelodau'r adroddiad.

11. **EITEMAU BRYD**

Nid oedd unrhyw eitemau brys.

12. **MYNEDIAD I GYFARFODYDD**

PENDERFYNWYD:Yn unol ag Adran 100A(4) a (5) o Ddeddf Llywodraeth Leol 1972, gwahardd y cyhoedd o'r eitemau busnes canlynol a oedd yn cynnwys datganiadau posib o wybodaeth eithriedig, fel a ddiffinnir ym Mharagraff 12, 13 ac 14 o Ran 4 Atodlen 12A y Ddeddf uchod.

13. **UNRHYW EITEMAU BRYD (BOED YN GYHOEDDUS NEU'N EITHRIEDIG) YN ÔL DISGRESIWN Y CADEIRYDD YN UNOL AG OFFERYN STATUDOL 2001 RHIF 2290 (FEL Y'I DIWYGIWYD)**

Derbyniodd yr Aelodau'r wybodaeth ddiweddaraf am yr adroddiadau preifat a gyhoeddwyd ers cyfarfod diwethaf y pwyllgor gyda'i gilydd yn rhoi manylion yr holl ymchwiliadau arbennig cyfredol.

PENDERFYNWYD: Dylid nodi'r adroddiad.

TREASURY MANAGEMENT MONITORING 2021/22

Purpose of Report

1. This report sets out treasury management action and information for 2021/22.
2. This report is for information, it was also considered by the Cabinet on 9th February 2022.

Rates of Interest

3. The global outbreak of coronavirus has forced the UK Government to take drastic steps to stem the economic impact and this resulted in the Bank of England reducing the bank base rate.
4. After the Bank of England cut the rate from 0.75% to 0.25% then to 0.10% in March 2020, their Monetary Policy Committee decided in their meeting on 16th December 2021, that they will increase the rate back up to 0.25% to help try and hit their 2% inflation target to help sustain growth and employment.

The following table details the changes in bank rate:

Effective Date	Bank Rate
8th January 2009	1.50%
5th February 2009	1.00%
5th March 2009	0.50%

Internal Audit Update Report & Revised Audit Plan

1. Purpose of the Report

The purpose of this report is to provide details of the internal audit work undertaken since the last Governance & Audit Committee meeting in November 2021.

2. Executive Summary

Since the last committee meeting in November 2021 the team has been impacted by a considerable number of days lost to sickness. This sickness absence when coupled with absences across the Authority has impacted on the work which had been planned to be undertaken.

Appendix 1 of this report details the formal audit reports issued.

Appendix 2 of this report gives details of progress against the plan

3. Background

One of the terms of reference of this Committee is to 'monitor internal (and) external audit performance'. In order to comply with this requirement to monitor the in-house service, an update is given below outlining internal audit work undertaken since the Governance & Audit Committee meeting held on 26th November 2021.

In addition, information is provided for members on the current position regarding staffing issues within the team.

4. Staffing Issues

Since the last committee meeting there have been a total of 26.5 days lost to sickness and 2 members of the team are currently on sick leave. In addition to sickness within the team we have also been impacted by staff absences across the Authority which has impacted on the length of time taken to complete audits.

There is currently one Assistant Auditor post vacant due to the postholder leaving to take up a post in one of the accountancy teams. In light of historic problems in filling vacancies and retaining staff at this grade it is deemed an opportune moment to review the structure of the team. It is therefore intended to leave the post vacant until the review is complete and a decision taken on the how best to ensure the team is appropriately resourced. It is anticipated that no decision will be taken until the new financial year.

5. Audit Work Undertaken

Since the last committee meeting a total of 8 formal reports have been issued in line with normal reporting processes. Three draft reports have been issued and are awaiting agreement with the relevant managers.

Review & Monitoring of Part 6 Care & Support Plans

In addition to the audits undertaken staff have continued to provide advice and guidance when requested, attended working parties and provided input in relation to the controls operating within the new Sundry Debtors IT System.

6. Lay Member Recruitment Update

As members are aware the Local Government & Elections (Wales) Act 2021 stipulates that from May 2022 one third of all Governance & Audit Committees must comprise lay members. For this Council that means 4 lay members are required.

Our current lay member, Mrs Joanna Jenkins, agreed to remain on the committee for a further term of 5 years from May 2022 and this was approved by Council in September 2021. At the same meeting members

approved the recruitment of an additional 3 lay members. Following a successful recruitment drive all 3 positions have now been filled and the newly recruited lay members will join the committee in May 2022.

Complaints Handling

Purpose of the Report

To provide the Governance & Audit Committee with information regarding complaints performance to enable the Committee to review and assess the authority's ability to handle complaints effectively.

Background

The Local Government and Elections (Wales) Act 2021 gives the Governance and Audit Committee a new defined assurance role around complaints. The Committee is therefore asked to review and assess the authority's ability to handle complaints effectively.

Complaints received by the authority are dealt with via one of two complaints processes:

- Social Care complaints follow the statutory Social Services Complaints Procedure (Wales) Regulations 2014 and the Representations Procedure (Wales) Regulations 2014.

- All other complaints relating to council service areas are dealt with via the Comments, Compliments and Complaints Policy (copy attached at Appendix 1).

Complaints and compliments provide valuable information about how we are performing and what our customers think about our services. Most people who complain tell us what we have done wrong and how we can do better. We use this feedback to improve our services. An annual report is published which demonstrates the council's commitment to transparency and a positive approach to acknowledging, investigating, responding to and learning from complaints. The latest annual report for the financial year 2020/2021 is available here:

<http://modgov.npt.gov.uk/documents/s74242/Comments%20Compliments%20and%20Complaints%20Annual%20Report%202020-2021.pdf>

In March 2021, the Council's Cabinet approved a revised Comments, Compliments and Complaints Policy for Neath Port Talbot Council, based on a model complaints handling procedure for public service providers in Wales (issued by the Public Services Ombudsman for Wales (PSOW)). A copy of the revised Policy was shared with the PSOW who confirmed the Policy was deemed compliant with the PSOW's principles and model handling complaints policy.

Findings

Stage 1 Complaints

There was a significant reduction in both the number of Stage 1 complaints received across the Council and the number upheld/partially upheld during 2020/2021. 24 upheld/partially upheld of 99 Stage 1 complaints received during 2020/21 compared to 47 upheld/partially upheld of 148 Stage 1 complaints received during 2019/2020. A summary per directorate is provided in Appendix 2.

During the first six months of 2021/2022 (April – Sept) there has been a small increase in the number of complaints received but a small reduction in the number upheld (44 Stage 1 complaints received with 7 upheld / partially upheld compared to 38 received and 9 upheld/ partially upheld for the same period in 2020/2021). Overall number of complaints received still remains low.

Complaints that fall into this category are requests for a service that have not been actioned or properly dealt with. These complaints are handled by the staff and/or manager directly responsible for delivering the service with a response to be provided within 10 working days.

Where the complaint was upheld/partially upheld the lessons learned from the investigation are applied by the relevant service areas to improve service delivery and customer satisfaction going forward. Considering the breadth of dealings across the council, it should be noted that the number of investigated complaints upheld/partially upheld is relatively low with the majority being resolved or not upheld.

Stage 2 Complaints

There were also fewer Stage 2 complaints received across the Council during 2020/21. 14 were received in 2020/2021 compared to 25 in 2019/2020. There was a significant reduction in the number of Stage 2 complaints upheld / partially upheld with just one in 2020/2021 compared to 11 in 2019/2020. A summary per directorate is provided in Appendix 2.

During the first six months of 2021/2022 (April – Sept) 9 Stage 2 complaints have been received with 1 upheld / partially upheld compared to 3 received and zero upheld for the same period in 2020/2021. Whilst the increase is significant in year on year comparable terms, numbers received at stage 2 remain very low.

Complaints that fall within this category is when a complainant is dissatisfied with the outcome of a Stage 1 complaint. The complaint is then formally investigated by the designated complaints officer within the relevant directorate and a response provided within 20 working days. This includes a review of all relevant correspondence and often incorporates discussions with both the complainant and relevant officers from the service department concerned to enable a fuller response to be provided.

At the conclusion of Stage 2, the complainant is made aware of the ability to refer their complaint to another organisation for external consideration e.g. the Public Services Ombudsman for Wales (PSOW). Before agreeing to investigate further, the Ombudsman should normally be satisfied that the matter has already been raised with the Council and

that the Council has had a reasonable opportunity to investigate and respond in accordance with the two stage policy. Where this has not been done, the Ombudsman will usually refer the complaint back to the Council to provide an opportunity to attempt to resolve the complainant's concerns through the Council's own complaints processes first.

Reporting Processes

Designated complaints officers collate and submit quarterly information provided to them from service areas into the corporate performance management system (CPMS). Quarterly complaints performance reports are produced from the CPMS and reported to Cabinet and Cabinet Boards relating to services within their purview. Due to the COVID-19 pandemic, during 2020/2021, quarterly compliments and complaints performance reports were not reported to Cabinet and Cabinet Boards.

Public Services Ombudsman for Wales

During 2020/2021, there were 19 complaints made to the Ombudsman for the following service areas.

Service Area	No of Complaints
Adult Social Services	2
Children's' Social Services	4
Complaints Handling	1
Covid-19	1
Education	1
Environment and Environmental Health	1
Finance and Taxation	1
Housing	1
Planning and Building Control	4
Roads and Transport	3
Total	19

There was a decrease from 22 in 2019/2020 and the numbers in the various categories above are similar to the Welsh average overall. When considering complaints per 1,000 residents, the Council is joint lowest in Wales.

A report has now been provided to the Council's Standards Committee to report the same figures and to identify Member Code of Conduct complaints given their remit in overseeing the same. In summary, the number of Code of Conduct complaints decreased slightly in 2020/2021 both in respect of Local Authority elected members and Town/Community Council members. In the Neath Port Talbot locality, the number of Code of Conduct complaints against County Borough Councils is low, there being just 2 and in each case the Ombudsman determined there was no case to answer. In addition, there was a decrease in the number of complaints against community councils (going from 7 to 2), but no further action was taken in respect of these matters and they were either closed after initial consideration, discontinued or withdrawn.

Welsh Language Complaints

The Council's Welsh Language Scheme was superseded by the imposition of the Welsh Language Standards in March 2016. The complaint process for Welsh Language matters operates differently to the way other complaints are handled – the legislative provision stemming from the 2011 Welsh Language Measure. This includes the need to keep a record in relation to each financial year of the number of complaints received relating to our compliance with the standards. Three complaints were received during 2020/2021 (compared to eight during 2019/2020); two via the Welsh Language Commissioner and one direct to the Council. These complaints are detailed in the Welsh Language Standards Annual Report which published in June 2021.

Comparing with other local authorities

It has previously not been possible to quantify the level of complaints received by the Council compared to other local authorities and public bodies as no nationally defined measures were published to benchmark performance. The Public Services Ombudsman for Wales have started collecting information with the introduction of the Public Services Ombudsman (Wales) Act 2019 which gives the Ombudsman new powers which included the launch of a Complaints Standards Authority for Wales. Quarterly complaints data is now collected from all local

authorities in Wales by the PSOW and can be accessed via the link below:

<https://www.ombudsman.wales/published-statistics/>

Governance

The profile of complaints made during the 2020/2021 financial year, their resolution and lessons learned was taken into account when the Council's Annual Governance Statement for 2020/2021 was prepared. No systemic failings were identified by service areas or the designated complaints officers for complaints that were recorded, investigated and concluded in 2020/2021.

Improving how we deal with complaints

Whilst the Governance and Audit Committee can be assured that the complaints process is robust and the Council is responding appropriately to complaints received, there is an ongoing opportunity to improve by:

- Considering and acting upon the valuable information complaints provide the Council about how we are performing and what our customers think about our services. Most people who complain tell us what we have done wrong and how we can do better.
- Ensuring staff are sufficiently trained and aware of procedures. Training has recently been provided (January/February 2022) to staff by the PSOW on the following subject areas:
 - i. **Complaints Training** - These sessions included reference to /awareness raising of the revised Comments, Compliments and Complaints Policy and detailed support on how to maximise the recording of complaints at Stage 1
 - ii. **Complaints Training** – These sessions were bespoke for Social Services staff
 - iii. **Resilience and Managing Difficult Behaviour**
- The Strategic Manager – Policy & Executive Support facilitates a quarterly meeting of the designated complaints officers from across the service directorates to discuss any key issues, share

good practice and to capture any lessons that can be learned to inform service improvement and further reduce the number of complaints received by the authority.

- The designated complaints officers in each service directorate provide advice to their colleagues to ensure appropriate and timely complaint responses for the relevant service area in which they arise.

Introduction

Neath Port Talbot Council considers all comments, compliments and complaints received as an invaluable source of information about the services we provide.

Our aims are:

- to make it easy to complain when a service has not been good enough
- to settle complaints to the satisfaction of the public wherever reasonably possible and to fully explain the reasons for the situation where it isn't
- to learn from comments, compliments and complaints to help identify improvements and provide better practice in service delivery; and
- to use comments, compliments and complaints information to monitor the effectiveness of the Council's policies.

Comments and Compliments

Comments and compliments are welcomed and appreciated as they provide an indication of how we are performing. Additionally, suggestions and ideas you provide are important in terms of improving customer care, service quality and staff morale.

Comments may be suggestions as to how services could be improved and these should be considered by the service concerned. They may be views or representations, perhaps adverse, about the Council's policy and provision.

Compliments are particularly appreciated as they provide confirmation that the Council and its employees provide services which meet or exceed expectations.

If you would like to provide any comments or compliments, please use Section E of the Comments, Compliments and Complaints form or email us at contactus@npt.gov.uk

Complaints

Neath Port Talbot Council is committed to dealing effectively with any concerns or complaints about our services. In this policy the term "complaint" refers to a concern or a complaint.

We aim to clarify any issues you may be unsure about. If possible, we'll put right any mistakes we may have made. We will provide any service you're entitled to which we have failed to deliver. If we did something wrong, we'll apologise and, where possible, try to put things right for you. We aim to learn from our mistakes and use the information we gain from complaints to improve our services.

Defining a Complaint

If you are approaching us to request a service for the first time (e.g. reporting a faulty street light, or requesting an appointment) this policy doesn't apply.

You should first give the relevant service a chance to respond to your request for service.

When to use this policy

If you receive a service or make a request for a service and then are not happy with our response, you will be able to make your complaint known as described below.

Sometimes you may have a statutory right of appeal e.g. against a refusal to grant you planning permission or the decision not to give your child a place in a particular school, so, rather than investigate your complaint, we will explain to you how you can appeal.

Additionally you might be concerned about matters that are not covered by this policy and we will then advise you about how to make your concerns known, examples include:

- [Freedom of Information requests](#)
- [Complaints about Councillors who have breached the code of conduct](#)
- [Insurance matters](#)
- [Parking Penalty Charge notices](#)
- [School complaints](#)
- [Social Services complaints](#)

This policy does not apply to data access issues.

How to complain

You can make a complaint in any of the following ways:

- Website: www.npt.gov.uk/1454
- Email: contactus@npt.gov.uk
- Write us a letter and post to:
Neath Port Talbot Council,
Civic Centre,
Port Talbot
SA12 1PJ
- Phone: 01639 686868 - ask to be transferred to the service your complaint relates to
- Ask for a copy of our [complaints form](#) from the person you are already dealing with. Tell them that you want us to deal with your complaint formally.

You can make a complaint in whatever format (large print, Braille, on tape or disc) or language you wish.

We welcome complaints in Welsh and will deal with Welsh and English complaints to the same standards and timescales.

Complaints forms will be available at all Neath Port Talbot Council public offices. Copies of the Comments Compliments and Complaints Policy and forms are available in English and Welsh and can also be made available in other languages. Formats such as audio, Braille or large print also be provided if required.

Stage 1 Complaint: Informal resolution

We believe it's best to deal with things straight away.

If you have a concern, please raise it with the person you're dealing with. They will try to resolve it for you there and then. If there are any lessons to learn from addressing your concern, the person you're dealing with will draw them to the attention of the relevant complaints officer.

If the person you're dealing with can't help, they will explain why and you can then ask for a formal investigation.

In most cases, the service / service area will provide a response to your complaint within 10 working days. Where this is not possible before the response deadline, you will be informed in writing of the reason for the delay, together with the date you can expect to receive a full response.

If you are dissatisfied with the service / service area response, you can then ask for a formal investigation.

The Council has the discretion to go straight to a Stage 2 Complaint: Formal Investigation and you will be advised at the earliest opportunity.

Stage 2 Complaint: Formal Investigation

A Stage 2 investigation can be undertaken if you have not received a response at Stage 1, are not happy with the response received or think your complaint has not been considered properly.

At Stage 2 it would be helpful if you could provide some information on the issues with which you remain unhappy, the reasons why you think these issues were not properly addressed at Stage 1 as well as any details of the outcome you are hoping for.

You will receive an acknowledgment of your Stage 2 complaint within 5 working days.

The relevant complaints officer for the service / service area will undertake the investigation which will include a review of all relevant correspondence and often incorporate discussions with yourself and relevant officers from the service /service area concerned to enable a fuller response to be provided.

Usually a response to your complaint will be provided within 20 working days. Where this is not possible you will be informed in writing of the reason for the delay before the response deadline, together with the date you can expect to receive a full response.

When you receive the outcome you will also receive an equalities monitoring form which we ask you to complete and return to us to help us to make sure that no-one is discriminated against when accessing our services and to ensure everyone is treated fairly and equally.

Welsh Language Complaints

Complaints relating to the Welsh language or to compliance with the Welsh language service delivery and policy standards, as applied to the Council, will be dealt with in the same way as any other complaints received and will be responded to in accordance with the Welsh language standards.

Staff are aware of the requirements of the standards with training sessions provided as part of the induction process and periodic awareness raising campaigns.

Complaints relating to the receipt of an unsatisfactory service, where it is considered the Council has treated the Welsh language less favourably than the English language or where there is a claim of interference with your freedom to use Welsh can also be directed to the Welsh Language Commissioner:

Welsh Language Commissioner
Market Chambers
5–7 St Mary Street
Cardiff
CF10 1AT

Phone: 0345 6033 221

E-mail: post@welshlanguagecommissioner.wales

Complaints received via the Welsh Language Commissioner will be dealt in accordance with the Commissioner's own complaints process.

Dealing with your complaint (Stage 2)

We will respond to you in the same way as you communicated with us (e.g. if you complained by email in Welsh, we would respond to you by email in Welsh) unless you inform us that you have particular requirements.

We will ask you to tell us how you would like us to communicate with you and establish whether you have any particular requirements – for example, if you need documents in large type.

We will deal with your complaint in an open and honest way and we will make sure that your dealings with us in the future do not suffer just because you have made a complaint.

Normally, we will only be able to look at your complaint if you tell us about it within 6 months. This is because it's better to look into a complaint while the

issues are still fresh in everyone's mind.

In exceptional circumstances, we may look at complaints which are brought to our attention later than this. However, you will have to let us know why you have not been able to bring it to our attention earlier and we will need to have sufficient information about the issue to enable us to consider it properly.

If you are making a complaint on behalf of somebody else, we will need their agreement for you to act on their behalf. This can be done by completing the [Representative Authorisation](#) Section which is part of the Comments Compliments and Complaints Form

Investigation of Complaints

Your complaint will be looked into by the relevant complaints officer for the service / service area and if your complaint is straightforward, the complaints officer will respond to you. However, in certain cases we may appoint an independent investigator.

The person who is investigating your complaint will firstly aim to establish the facts. The extent of the investigation will depend on the complexity of the issues you have raised. In some instances, we may ask to meet with you to discuss your complaint. Occasionally, we might suggest mediation or another method to try to resolve disputes. We'll look at relevant evidence which could include files, notes of conversations, letters, emails or whatever may be relevant to your particular complaint. If necessary, we'll talk to the staff or others involved and look at our policies, any legal entitlement and guidance.

The person looking at your complaint will usually need to see the files we hold relevant to your complaint. If you don't want this to happen, it is important that you tell us. Where it is necessary to disclose your identity to another person in order to investigate the complaint then it is important that you tell us if you do not want this to happen. Depending on the nature of your complaint it may be necessary to obtain your permission to access your personal records. If permission is not provided then we will explain that this will have an effect on the ability to conduct a thorough investigation.

We will set out our understanding of your complaint and ask you to confirm that we are right. It would be helpful if you could tell us what outcome you're hoping for.

If there is a simple solution to your problem, we may ask you if you're happy to accept this. For example, where you asked for a service and we see straight away that you should have had it, we will offer to provide the service rather than investigate.

We will aim to resolve complaints as quickly as possible and expect to deal with the vast majority within 20 working days. If your complaint is more complex, we will:

- Let you know within this time why we think it may take longer to investigate;
- Tell you how long we expect it to take;
- Let you know where we have reached with the investigation; and
- Give you regular updates, including telling you whether any developments might change our original estimate.

What if there is more than one body involved

If your complaint involves more than one body (e.g. a housing association and the Council regarding a noise nuisance) we will work with them to decide who should take the lead in dealing with your complaint and you will then be given the name of that person.

If the complaint is about a body working on our behalf (e.g. a company contracted by the Council), you may wish to raise the matter informally with them first. However, if you want to complain formally, we will look into this ourselves and respond to you.

Outcome of your complaint

If we formally investigate your complaint, we will let you know what we find using the communication method agreed. If necessary, we will produce a longer report. We'll explain how and why we came to our conclusions.

If we find that the service department got it wrong, we'll tell you what went wrong and why it happened.

If we find there is a fault in our systems or the way we do things, we'll tell you what it is and how we plan to change things to stop it happening again.

If we got it wrong, we will always apologise for it.

Putting Things Right

If we didn't provide you with a service you should have had, we'll aim to provide it as soon as practicable if that is possible.

If we didn't do something well, we'll aim to put it right.

If you have lost out as a result of a mistake on our part, we will usually aim to put you back in the position you would have been in if we had got it right.

Learning lessons

We take your complaints seriously and try to learn from any mistakes we've made. Our Senior Management Team and Cabinet/Cabinet Boards consider a summary of all complaints quarterly and a detailed annual complaints report.

We share summary (anonymised) information on complaints received and outcomes with the Public Service Ombudsman for Wales as part of our commitment to accountability and learning.

Where there is a need for significant change, the service / service area will develop an action plan setting out what they will do, who will do it and when we plan to do it.

What we expect from you

In times of trouble or distress, some people may act out of character. There may have been upsetting or distressing circumstances leading up to a complaint. We do not view behaviour as unacceptable just because someone is forceful or determined. We believe that all complainants have the right to be heard, understood and respected.

However, we also consider that our staff have the same rights. We therefore expect you to be polite and courteous in your dealings with us. We will not tolerate aggressive or abusive behaviour, unreasonable demands or unreasonable persistence.

We have a separate policy to manage situations when we find that someone's actions are unacceptable.

If you need further help

Our staff will aim to help you make your concerns known. If you need extra assistance, we will try to put you in touch with someone who can help.

If you have a disability which may make it difficult for you to communicate with us please let us know what would help us overcome any barriers you may

face (e.g. large font, more time to respond, different coloured paper)

This complaints policy can be used by everyone but if you are under the age of 18 and need help you can contact the Meic helpline

The Public Service Ombudsman for Wales

If we do not succeed in resolving your complaint, you may complain to the Public Services Ombudsman for Wales.

The Ombudsman is independent of all public bodies and can look into your complaint if you believe that you, or the person on whose behalf you are complaining:

- Have been treated unfairly or received a bad service through some failure on the part of the service provider.
- Have been disadvantaged personally by a service failure or have been treated unfairly.

The Ombudsman normally expects you to bring your concerns to our attention first and to give us a chance to put things right.

You can contact the Ombudsman by:

Neath Port Talbot County Borough Council

Audit Committee / Governance and Audit Committee – Annual Report 2020-2021

Introduction

This report summarises the work undertaken by the Audit Committee of Neath Port Talbot County Borough Council throughout the 2020-2021 Civic Year (replaced by the Governance & Audit committee from 17 March 2021).

Membership

The members of the Audit Committee were: Councillors Dr D.Morgan, L. Purcell, S.apDafydd (until July 2020), S Freeguard, J Miller, R Wood, O Davies, A Woolcock, A Richards, H Clarke, S Renkes, R Mizen, R L Taylor (from September 2020). and Mrs J Jenkins (Voting Lay Member)

The Committee Chair was Cllr. Dr. Del Morgan, and the Vice Chair was Cllr. Linet Purcell.

Work Programme

The Committee's forward work programme is agreed by members on a rolling basis, although this Committee's work is often driven by statutory requirements or by the dynamic necessities of particular circumstances as they arise.

The Committee met four times remotely via Teams during the year.

Specific Duties and Tasks Undertaken by the Committee

The Committee received and approved the Council's Statement of Accounts for 2019-2020, which included consideration of the Audit Wales Audit of Accounts Report. As part of this process the Committee also received the Annual Governance Statement.

In common with a number of other support services, the Internal Audit team were seconded to assist with the Council's response to the pandemic and the majority of the team worked within the Test, Trace & Protect Service until September 2020. Two staff members remained providing an audit service.

The Committee received the 2019-2020 Internal Audit Annual Report and details of the achievement against the 2019-2020 approved Internal Audit Plan at the September meeting. This was the first committee meeting attended by the Audit Manager following her secondment to manage the Test, Trace & Protect Team.

Due to the secondment of the team, it was not until September that an Internal Audit Plan for 2020-2021 was approved and due to the uncertainty around the pandemic it was agreed that for 2020-2021 a plan would be agreed on a quarterly basis. The various risks associated with regards to delaying audits that were unable to be undertaken due to the pandemic were discussed. Members received assurance that

there was no added risk to the Authority as there were system controls in place in the service areas where audits were delayed and it was intended that the audits would be undertaken as soon as circumstances allowed.

The Committee monitored Internal Audit performance against the quarterly plan. The Audit Manager responded to all questions asked by Members and provided further information at future meetings where appropriate.

The Committee received the draft Internal Audit plan for the period 2021-2022, whereby it was recommended that the historic system of applying a risk rating to completed audits be changed to a more up-to-date assurance rating system, in line with the Public Sector Internal Audit Standards. A Members' discussion around good practice that had been developed through experience was undertaken and the ability for the Committee to call a Head of service or accountable manager to address issues remained unchanged. Officers would look at assigning risk colour ratings to audit reports and the protocol regarding an assurance rating of 'no assurance' was discussed and agreed.

The Committee received regular details of all investigations relating to theft, fraud and malpractice.

The Committee received no formal risk reports during the year as the risk registers were not being physically updated on a regular basis due to the Covid 19 pandemic. The risks arising from the pandemic were managed via the establishment of a Corporate Incident Management Team chaired by the Council's Chief Executive.

The Committee monitored External Audit Performance and received update reports from Audit Wales. The Committee also received a presentation from Audit Wales on their 2020-2021 Audit Plan, the impact of COVID-19 thereon and the Audit Wales Work Programme.

A special meeting was held on 15th March 2021 attended by the Chief Executive who presented members with the terms of reference for the external, independent review of governance arrangements which she had commissioned. The review was commissioned following the release of an audio tape featuring comments made by the then Leader. She also gave a commitment to report back to members when the review was complete (during early 2021-2022).

The Committee received Treasury Management Progress Reports in order to fulfill their obligations in relation to the Scrutiny of Treasury Management activity.

The Committee received an update report on the Local Government and Elections (Wales) Bill 2020 and how this would impact the Council and how the proposed changes would affect the role of the Audit Committee. Following royal assent in respect of this Bill, the Audit Committee was replaced by the Governance & Audit Committee from 17 March 2021.
