#### REPORT OF THE HEAD OF LEGAL AND DEMOCRATIC SERVICES - MR C GRIFFITHS

**Matter for Decision** 

Wards Affected: All

## **Town and Community Council Code of Conduct Matters**

# **Purpose of the Report**

1. To draw to Members attention the role of the Neath Port Talbot County Borough Council's ("the Council") Standards Committee and to consider the results of a recent town and community council survey.

### **Background**

- 2. Part III of the Local Government Act 2000 introduced a new Ethical Framework for Councils. As part of this framework, the Council has a Standards Committee. This Committee is also responsible for standards functions in relation to the Town and Community Councils (and their Members) in the area of the County Borough Council.
- 3. Another critical part of the Ethical Framework is the Code of Conduct for Members. One of the functions of the Standards Committee is to assist the Council and the Town and Community Councils in securing compliance with the Code.
- 4. To ensure the Standards Committee can fully discharge its function in respect of Town/Community Councils, the Monitoring Officer suggested that it would be wise to obtain some updated conduct related information from each Town/Community Council, which can form the basis of discussion at the next Standards Committee and also to allow members of the Standards Committee to determine what specific areas they would like to consider as part of their forward work programme.
- 5. To that extent a questionnaire was produced which is annexed to this report at Appendix 1 and issued to all town and community councils. Only 4 responses out of the 16 Town and Community Councils were received.

### **Financial Impact**

6. There are no financial impacts associated with this Report.

# **Integrated Impact Assessment**

7. There is no requirement to undertake an integrated impact assessment for this report.

# **Legal Impacts**

9. The Standards Committee is governed by the obligations set out in the Local Government Act 2000 and its composition and running is as set out in the Standards Committee (Wales) Regulations 2001.

### Consultation

10. There is no requirement under the Constitution for external consultation on this item.

### Recommendations

11. That Members discuss the findings from the survey undertaken of Town and Community Councils and consider what steps the Standards Committee would wish to embark on to provide further support.

## **Reason for Report**

12. That Members of the Standards Committee are aware of the remit of the Standards Committee and the legislative background in which the Standards Committee operates
