Uplift of remuneration using the Welsh Annual Survey of Hours and Earnings (ASHE)

Q1: The Panel is fully aware of the current constraints on public funding and the impact its decisions will have on the budgets of Principal Authorities. The Panel is also mindful of our Aims and Objectives to provide a fair and reasonable remuneration package to support elected members and to encourage diversity of representation.

We therefore propose using the ASHE for all Wales to increase their remuneration in line with the average earnings of their constituents.

Do you think that the Panel has struck the right balance between affordability and adequate remuneration for representatives? If not, do you have other suggestions?

Impact of current determinations

Q2: Following evidence received from Heads of Democratic Services of Principal Councils, on local flexibility for payments to co opted members, serving on committees of Principal Councils, National Park Authorities and Fire and Rescue Authorities. This Panel consulted on this proposal and responses (from the consultation on the 2024 to 2025 draft annual report) supported the Panel's determinations and so no changes were made in the final Determinations, resulting in the Panel allowing relevant officers to decide if it would be appropriate to apply a day or half day rate or to use an hourly rate where it is sensible to aggregate a few short meetings.

The Panel would now like to know if this determination has been adopted by your relevant authority:
