6. Does the initiative embrace the sustainable development principle (5 ways of working):

	Yes	No	Details
Long term - how the initiative supports the long term well-being of people	x		The initiative supports the long-term wellbeing of people by ensuring that public path orders are correctly introduced and implemented only when they can be justified and that resources are appropriately used in the provision of legal services to the Council and therefore the wider community.
Integration - how the initiative impacts upon our wellbeing objectives	x		The initiative will further allow the focusing of existing human and financial resources upon the 3 wellbeing objectives by ensuring that public path orders are correctly introduced and implemented only when they can be justified and that resources are appropriately used in assessing and evaluating them.
Involvement - how people have been involved in developing the initiative	x		The initiative builds upon the consultation with all the stakeholders concerned, before coming to a balanced view culminating in the recommendation.
Collaboration - how we have worked with other services/organisations to find shared sustainable solutions	x		This Authority has ensured all those who have an interest in this initiative have been given an opportunity to provide their views and any evidence they considered relevant.

Prevention - how the initiative will prevent problems occurring or getting worse	x		This initiative will ensure the public will be given the right to continue to enjoy access along footpath no 2.

7. Declaration - based on above assessment (tick as appropriate):

A full impact assessment (second stage) is not required	X
Reasons for this conclusion	
Based upon the above assessment a second stage impact assessment is not required as the initiative does not negatively impact on any of the protected characteristics, or the Welsh Language, or biodiversity and embraces the sustainable development principle. The report is giving effect to the option this Council has to resolve the problems associated with paths which can become difficult to use or obstructed.
