**Report Title: Corporate Plan 2024/2027 – Quarter 3 Performance  
Summary 2024/2025**

**Purpose of Report:**

1. For Members to receive a Quarter 3 (October – December 2024) update on the strategic priorities and performance measures contained within the Corporate Plan (Appendix 1) to ensure we are delivering against the council's four well-being objectives.

**Background:**

2. The revised Corporate Plan 2024/2027: *Working towards a more prosperous, fairer and greener NPT*, was adopted by Council in July 2024. Nine transformation programmes were included in this iteration of the plan and these are woven into the four well-being objectives.
3. The publication of the Corporate Plan 2024/2027 meets the requirements of the Well-being of Future Generations (Wales) Act 2015 by detailing the steps that we will take to achieve our four well-being objectives. Our well-being objectives show how the council contributes to the social, economic, cultural

and environmental well-being of Neath Port Talbot and to the seven national well-being goals contained within the Act.

4. The performance summary set out in Appendix 1 provides assurance that we are working towards achieving the priorities and measures through 2024/2025 to achieve our short, medium and long-term priorities. The summary also demonstrates to citizens, members and regulators how performance is managed, and appropriate interventions implemented.
5. The performance summary sets out the strategic priorities and performance measures in the purview of the Environment, Regeneration and Streetscene Services Scrutiny Committee, in the final column of the tables throughout Appendix 1.
