**Table 2 – Investments Held in Escrow Accounts – Icelandic Kroner**

| <b>Bank</b> | <b>Investment (Sterling Equivalent)</b> | <b>Amount Repaid</b> | <b>Outstanding Investment</b> |
|-------------|---|----------------------|-------------------------------|
|             | <b>£'000</b>                            | <b>£'000</b>         | <b>£'000</b>                  |
| New Glitnir | 387                                     | 0                    | 387                           |

- 5.6 Some of the investments matured by the old Glitnir Bank have resulted in cash being held in the form of Icelandic Kroner. In line with Icelandic law, the Kroner is not tradable and can only be spent within Iceland. The Local Government Association is pursuing ways of transferring these investments to realise repayments into Sterling. These new investments with the new bank are held in an Escrow Account in the name of the local authority and generating interest in excess of 4%.
- 5.7 Members should note that the creditors of the old Glitnir Bank have challenged the original basis of settling the preferential creditors debts. Discussions are ongoing within the Icelandic Legal process in relation to this which may impact on some of the £387k referred to in the table above.
