| From   | Community |
|--|-----------|
| Councillor Rob Jones<br>Neath Port Talbot CBC Councillor for Margam  | Margam    |
| <b>Submission Summary:</b><br>I do not understand the relevance of including six properties under the CR010 changes i.e. Brombil Paddocks when you have to go past Brombil Barns (Seven Properties), Tudor Grove (currently two properties but plans for four further properties), Brombil Access Road (Two properties), Cwm Brombil (Two properties) and Brombil Cottages (Two properties). It would make more sense to include all of these properties or make a subtle adjustment to the current boundary to ensure that the demarcation line is clear and obvious between the two communities. |           |
