

NEATH PORT TALBOT COUNTY BOROUGH COUNCIL

14 January, 2016

Report of the Head of Transformation – Andrew Thomas

Matter for Decision

Wards Affected:

Aberafan, Baglan, Briton Ferry East, Briton Ferry West, Sandfields East and Sandfields West

GOVERNANCE ARRANGEMENTS FOR THE NEW ALL- THROUGH 3-16 SCHOOL REPLACING TRAETHMELYN PRIMARY, CWRT SART COMPREHENSIVE, GLANAFAN COMPREHENSIVE AND SANDFIELDS COMPREHENSIVE SCHOOLS.

Purpose of the Report

1. To comply with Regulations surrounding the opening of a new school, Members are asked to formally agree:
 - i) The creation of an Instrument of Government which will establish a permanent Governing Body;
 - ii) To approve a permanent name for the new 3-16 school.

Background

2. Members will be aware that from 1st September, 2016 a new build all-through (3-16 years) school will come into existence replacing Traethmelyn Primary, Cwrt Sart Comprehensive, Glanafan Comprehensive and Sandfields Comprehensive Schools. The new school is currently under construction and located at Seaway Parade, Port Talbot.
3. Prior to the new school becoming operational Cabinet Members agreed in February, 2014 the creation of a temporary Governing Body to oversee the business of the new school.
4. Regulations state that a permanent Governing Body must be established and in place on a date agreed by the Local Authority, known as the “incorporation date”. This incorporation date is contained within the Instrument of Government and cannot be effected any later than the last day of the first term.
5. To allow time for the process of elections and appointment of governors during the early part of the autumn term, it is proposed the incorporation date will be 1st November, 2016. Until this date, the temporary governing body will continue in its current form when their role and function will then come to an end.
6. It is a legal requirement that every school must have in place an Instrument of Government. In addition to recording the incorporation date, this document also formally records the name of the school and the constitution of its governing body. The Instrument of Government must be formally created by the Local Authority.
7. Governors of the temporary Governing Body have proposed to the Authority that the name of the new school be “Ysgol Bae Baglan”. Pupils from the current four schools have been fully involved with the creation of the proposed name where a selection of shortlisted names was voted for amongst pupils. Consultation regarding the name has taken place with the Head of Planning and Senior Management Team of the Education Directorate where there have been no objections from either.

Financial Impact

8. There is no financial impact associated with this proposal.

Equality Impact Assessment

9. Having considered the Council's screening assessment guidance produced to assist the Council in discharging its Public Sector Equality Duty under the Equality Act 2010 it has been determined that the proposal within this report does not require an equalities impact assessment.

Workforce Impacts

10. There are no workforce or staffing issues directly associated with this proposal although the permanent governing body will have responsibility for the employment of staff at the school.

Legal Impacts

11. The recommendations contained within this report are in accordance with the Council's obligations set out in The New Maintained Schools (Wales) Regulations 2005.

Risk Management

12. Should the recommendation to create the permanent governing body not be approved then the Council will be in breach of its statutory obligation. Should the recommendation to name the school not be approved then an alternative name will be sought and reported back to Members at a future meeting.

Consultation

13. There is no requirement under the Constitution for external consultation on either of the recommendations within this report, however, a substantial consultation exercise has taken place with all the pupils that will attend the new school regarding its name. Likewise, internal consultation has taken place with the Head of Planning and Education Senior Management Team.

Recommendations

14. i) That the Instrument of Government (attached as Appendix A) be approved with the incorporation date of 1st November, 2016 creating a permanent Governing Body;

- ii) The name of the school will be Ysgol Bae Baglan.
