

MARGAM JOINT CREMATORIUM COMMITTEE
REPORT OF THE SUPERINTENDENT & REGISTRAR

22ND JANUARY 2016

MATTER FOR INFORMATION

WARDS AFFECTED:

All

ICCM Recycling of Metals Scheme Distribution of Surplus Funds to Charities.

Purpose of Report

To decide what charities should be nominated for 2015/16

Background

The ICCM operate a recycling of metals scheme, of which Margam Crematorium participates, where all residue metals are collected by a representative company of the ICCM and recycled. The surplus funds are then distributed to suitable local or national based death/bereavement related charities. For the last accounting period the scheme has produced a surplus of £350,000 and nominations for appropriate charities are being invited from all participating Crematoria.

Financial Impact

No costs are involved

Appendices

Copy of the ICCM letter and nomination form.

Decision

For Members to decide what suitable local/national death/bereavement based charities should be nominated with regard to the Recycling of Metals Scheme.

List of Background Papers

None
