## 1. INTRODUCTION AND PURPOSE

- 1.1 Under Section 112 of the Local Government Act 1972 the Council has the power “to appoint officers on such reasonable terms and conditions as the Authority thinks fit”. This Pay Policy statement sets out the Council’s approach to Pay Policy in accordance with the requirements of Section 38 to 43 of the Localism Act 2011 which requires English and Welsh Local Authorities to produce and publish a Pay Policy Statement for each financial year detailing:
- a) The Council’s policies towards all aspects and elements of the remuneration of Chief Officers;
  - b) The approach to the publication of, and access to, information relating to all aspects of the remuneration of Chief Officers;
  - c) The Council’s policy on the remuneration of its lowest paid employees (including the definition adopted and reasons for it);
  - d) The relationship between the remuneration of its Chief Officers and other employees.
- 1.2 Local Authorities are large complex organisations with multi-million pound budgets. They have a very wide range of functions and are responsible for the provision of a wide range of essential services. The general approach to employee remuneration levels may therefore differ from one group of employees to another to reflect specific circumstances at a local, Welsh or UK national level. The approach also needs to be flexible when required to address a variety of changing circumstances, whether foreseeable or not.
- 1.3 The global economic crisis and the reduction in budgets during the current Comprehensive Spending review (CSR) period has required difficult decisions to be made about service provision at a time when there is also a growing demand for a range of services provided by local authorities, particularly Adult and Children’s Social Services.
- 1.4 In supporting the aim of ensuring equality and transparency in its pay practices, the Council recognises the role of trade unions in consultation and negotiation at local, regional and national levels. The Council supports the National Joint Councils and Joint Negotiating Committees which govern the national pay and conditions of service Agreements which are applicable to all of the employee groups referred to in this Pay Policy statement.

1.5 The Council has developed this Pay Policy statement within the foregoing context and aims to align the Policy with its agreed service priorities. A Pay Policy Statement was first approved by the Council, as required by legislation, in March 2012 and is subject to review at least annually, in accordance with the relevant legislation.

1.6 The Pay Policy Statement will be reviewed by the Council's Personnel Committee.

## **2. LEGISLATIVE FRAMEWORK**

2.1 In determining the pay and remuneration of all of its employees, the Council will comply with all relevant employment legislation. This includes the Equality Act 2010, Part Time Employment (Prevention of Less Favourable Treatment) Regulations 2000, Fixed Term Employees (Prevention of Less Favourable Treatment) Regulations 2002, Agency Workers Regulations 2010 and, where relevant, the Transfer of Undertakings (Protection of Earnings) Regulations.

2.2 With regard to the Equal Pay requirements contained within the Equality Act, the Council has sought to ensure that there is no pay discrimination within its pay structures and that pay differentials can be objectively justified primarily through the use of an equality proofed job evaluation mechanism which directly relates basic pay to the requirements, demands and responsibilities of each job role.

## **3. SCOPE OF THE PAY POLICY**

3.1 The Localism Act 2011 requires local authorities to develop and make public their Pay Policy on all aspects of Chief Officer remuneration (including on ceasing to hold office), and also in relation to the "lowest paid" in the Council, explaining their Policy on the relationship between remuneration for Chief Officers and other groups. However, in the interests of transparency and accountability, the Council has chosen to take a broader approach and produce a Policy covering all employee groups. The pay-related data which is set out in Section 7 of this Pay Policy statement takes into account the position both including, and excluding, those employees who are appointed and managed by head teachers/governing bodies.

## 4. BROAD PRINCIPLES OF THE COUNCIL'S PAY POLICY

### 4.1 Transparency, Accountability and Value for Money

The Council is committed to an open and transparent approach to Pay Policy which will enable the local taxpayer to access, understand and assess information on remuneration levels across all groups of Council employees. The following are provided as Appendices to this policy:

### 4.2 Development of Pay and Reward Strategy

4.2.1 The primary aim of a pay and reward strategy is to attract, retain and motivate suitably skilled employees so that the Council can perform at its best. The biggest challenge for the Council in the current circumstances is to maximise productivity and efficiency within limited resources.

4.2.2 The development of a pay and reward strategy is a matter of striking a difficult balance between setting remuneration levels at appropriate levels to ensure a sufficient supply of appropriately skilled individuals to fill the Council's very wide range of posts, whilst at the same time ensuring that the local taxpayer is not required to bear a greater financial burden than can be fully and objectively justified.

4.2.3 In this context it needs to be recognised that at the more senior grades, in particular, remuneration levels need to be sufficient to attract and retain a suitably wide pool of talent (which will ideally include people from the private as well as public sector, and from outside as well as within Wales). It is usually the case that the Council is in a position where it is seeking to recruit high quality employees in competition with other good public and private sector employers, even in the very difficult current economic downturn.

4.2.4 In addition, the Council is the major employer in the area. Indeed, a majority of the employees who work for the Council live within the County Borough of Neath Port Talbot. As such, the Council must have regard to its role in improving the economic well-being of the people of the County Borough. The availability of good quality employment on reasonable terms and conditions and fair rates of pay has a beneficial impact on the quality of life in the community as well as on the local economy. The Council also has a role in setting a benchmark on pay and conditions for other employers in the area for the same reasons.

4.2.5 The Council is committed to working in partnership with its recognised trade unions in relation to all pay and conditions of service matters. The positive relationship which exists between the Council, the trade unions and the workforce are an important feature of the realities of achieving an appropriate balance between (a) pay and (b) the safeguarding of employment and service delivery.

4.2.6 In designing, developing and reviewing its pay and reward strategy, the Council seeks to balance these factors appropriately to maximise outcomes for the Council as an organisation and also the community it serves, whilst managing pay costs appropriately and maintaining sufficient flexibility to meet future needs.

### **4.3 Job Evaluation and Pay Grades**

4.3.1 Job evaluation is a systematic way of determining the value/worth of a job in relation to other jobs within an organisation. It aims to make a systematic comparison between jobs to assess their relative worth for the purpose of establishing a rational pay structure and pay equity between jobs. The Council completed a job evaluation exercise in 2008 in relation to posts governed by Local Government Services employee conditions of service. A new pay and grading Structure, based on the outcome of the job evaluation exercise, was agreed with our trade unions and introduced in 2009.

4.3.2 The Council uses the nationally negotiated pay spine as the basis for its pay and grading structure. This determines the salaries of the large majority of the Council's non-teaching workforce.

4.3.3 A national pay award was applied to the rates of pay for Local Government Services employees, effective from 1<sup>st</sup> January 2015 through to 31<sup>st</sup> March 2016. At the time of producing this Pay Policy Statement, the outcome of discussions at a national level between employers and trade unions to seek to agree a pay increase effective from 1<sup>st</sup> April 2016 are not yet known. The Council will apply any pay award as and when determined by national negotiations.

- 4.3.4 On 1<sup>st</sup> April 2016 the statutory National Living Wage will be introduced at a rate of £7.20 per hour. The three bottom pay points on the Local Government Services Employees Pay Grades, that is Salary scale points 6, 7 and 8, will increase to £7.20 per hour, or £13,891 per annum, the National Living Wage, with effect from 1<sup>st</sup> April 2016 pending the outcome of the national pay negotiations referred to in paragraph 4.3.3.
- 4.3.5 The Council and the Trade Unions agreed that from 1<sup>st</sup> April 2014, those employed under the NJC for Local Government Services, "Green Book", a revised pay and grading structure has been implemented in relation to pay grades 5 to 11 inclusive. The maximum point of each pay grade has been deleted, and those employees on the maximum point on 1<sup>st</sup> April 2014 assimilated to the penultimate point. This revised pay and grading structure is not intended to be permanent. This revised arrangement will apply for a fixed period of four years, commencing on 1<sup>st</sup> April 2014 and expiring on 31<sup>st</sup> March 2018.
- 4.3.6 The assimilation of employees into the revised pay and grading structure on 1<sup>st</sup> April 2014 has been phased in by way of the Council retaining the equivalent of half of each employee's annual national pay award each year [that a pay award is given] until the monetary value of the current penultimate point of each pay grade catches up with the current maximum point, or until 31<sup>st</sup> March 2018, whichever is the earlier date. This was applied to the percentage increases effective from 1<sup>st</sup> January 2015, detailed in paragraph 4.3.3.
- 4.3.7 The Council and the Trade Unions agreed that from 1<sup>st</sup> April 2014, those employed under the NJC for Local Government Services, "Green Book" in Grades 12 and 13 will make a pay contribution equivalent to the monetary value of the difference between the penultimate and the maximum points of their respective pay grades as at 1<sup>st</sup> April 2014. This pay contribution applies to all employees within the pay grades concerned, and not just those on the maximum of their pay grade.
- 4.3.8 Pay contributions are funded by the Council retaining the equivalent of half of each employee's annual national pay award each year [that a pay award is given] from 1<sup>st</sup> April 2014 onwards, until the pay contribution has been completed, or until 31<sup>st</sup> March 2018, whichever is the earlier date. This was applied to the percentage increases effective from 1<sup>st</sup> January 2015, detailed in paragraph 4.3.3.
- 4.3.9 Similar arrangements have been agreed for employees within the scope of the Soulbury Agreement, the JNC for Youth and Community Workers, the JNC for Chief Executives and the JNC for Chief Officers.
- 4.3.10 All other pay-related allowances, e.g. overtime payments, are the subject of national and/or locally negotiated arrangements.

4.3.11 It is the Council's policy that all appointments to jobs with the Council are made at the minimum of the relevant pay grade, although this is varied, where necessary, e.g. to secure the services of the best available candidate/s.

#### **4.4 Market Pay Scheme**

4.4.1 Job evaluation has enabled the Council to set appropriate remuneration levels based on internal job size relativities within the Council. However, from time to time, in exceptional circumstances it may be necessary to take account of the external pay market in order to attract and retain employees with the necessary specific knowledge, skills and experience.

4.4.2 The Council has a Market Pay Scheme to ensure that the requirement for any market pay supplements is objectively justified by reference to clear and transparent evidence of relevant market comparators, using appropriate data sources. It is the Council's policy that any such additional payments are kept to a minimum and reviewed on a regular basis so that they can be withdrawn where no longer considered necessary. The principles underpinning this Market Pay Scheme apply to all employee groups within the Council.

#### **4.5 Acting Up and Honoraria Payments**

There may be occasions when an employee is asked to carry out duties which are additional to those of their substantive post, for a period of time. In such circumstances an additional payment may be made in line with the Council's policy on payment of honoraria.

#### **4.6 Pay and Performance**

4.6.1 The Council expects high levels of performance from all employees and is continuing to introduce a Performance Appraisal Scheme, on a phased basis, to monitor, evaluate and manage employee performance on an ongoing basis.

4.6.2 No performance-related pay is applicable to Chief Officers other than as set out in paragraph 5.1.2 below.

#### **4.7 Local Government Pension Scheme**

Subject to qualifying conditions, employees have a right to belong to the Local Government Pension Scheme. The employee contribution rates, which are defined by statute, currently range between 5.5 per cent and 12.5 per cent of pensionable pay depending on full time equivalent salary levels. The Employer contribution rate is set by Actuaries advising the City and County of Swansea LGPS Pension fund and reviewed on a triennial basis in order to ensure the scheme is appropriately funded. Following the triennial valuation the employers contribution rate effective from 1<sup>st</sup> April 2016, will be 24%.

## **4.8 Other employee benefits**

The Council believes that it has a responsibility to help support the health, wellbeing and welfare of its employees in order to ensure that they are able to perform at their best. As part of this approach and in common with other large employers the Council provides a small number of non-pay benefits such as eye test vouchers for users of display screen equipment at work, childcare vouchers via a salary sacrifice scheme and participation in the Cycle to Work scheme.

## **5. CHIEF OFFICER REMUNERATION**

### **5.1 Definitions of Chief Officer/Pay Levels**

5.1.1 For the purposes of this Pay Policy statement, Chief Officers are as defined within Section 43 of the Localism Act.

The 20 Chief Officer posts at Neath Port Talbot County Borough Council which fall within the statutory definition of Section 43 as at 1.4.2016 are:

- |    |                     |            |
|----|---------------------|------------|
| a) | Chief Executive     | (1 post)   |
| b) | Corporate Directors | (4 posts)  |
| c) | Heads of Service    | (15 posts) |

5 of the above posts attract a salary of more than £100,000 per annum. The 4 Corporate Director posts are remunerated within the pay band £100,722 to £108,618 per annum, and the Chief Executive post is remunerated within the pay band £122,049 to £134,253 per annum.

5.1.2 No bonus or performance-related pay mechanism is applicable to Chief Officers' pay, although the maximum incremental pay point of the pay grades for the Chief Executive and Corporate Directors are only payable if there is a satisfactory outcome to their respective annual performance appraisal.

5.1.3 The Council employs Chief Officers under JNC terms and conditions which are incorporated in their contracts. The JNC for Chief Officers negotiates on national (UK) annual cost of living pay increases for this group, and any award of same is determined on this basis. Chief Officers employed under JNC terms and conditions are contractually entitled to any national JNC determined pay rises and this council will therefore pay these as and when determined in accordance with current contractual requirements. At the time of producing this Pay Policy Statement, the outcome of discussions at a national level between employers and trade unions to seek to agree a pay increase effective from 1<sup>st</sup> April 2016 are not yet known. The Council will apply any pay award as and when determined by national negotiations.

- 5.1.4 The Council and the Trade Unions agreed that from 1<sup>st</sup> April 2014, those employed under the JNC for Chief Officers will make a pay contribution equivalent to the monetary value of the difference between the penultimate and the maximum points of their respective pay grades as at 1<sup>st</sup> April 2014. This pay contribution applies to all employees within the pay grades concerned.
- 5.1.5 Pay contributions are funded by the Council retaining the equivalent of half of each employee's annual national pay award each year [that a pay award is given] from 1<sup>st</sup> April 2014 onwards, until the pay contribution has been completed, or until 31<sup>st</sup> March 2018, whichever is the earlier date.
- 5.1.6 From 1<sup>st</sup> April 2014, the Council's Chief Executive will make a pay contribution representing the full value of his national pay award for a period of four years.
- 5.1.7 The Council does not permit an employee occupying any post on the Council's agreed establishment to be paid other than via the Council's payroll unless exceptional circumstances exist.

## **5.2 Recruitment of Chief Officers**

- 5.2.1 The Council's Policy and Procedures with regard to the recruitment of Chief Officers is contained within the Officer Employment Procedure Rules as set out in the Council's Constitution. Please refer to **Appendix H**.
- 5.2.2 The determination of the remuneration to be offered to any newly appointed Chief Officer will be in accordance with the pay structure and relevant Council policies in place at the time of recruitment. Any salary package that exceeds the threshold of £100,000 must be approved beforehand by full Council.
- 5.2.3 Where the Council is unable to recruit a Chief Officer under a contract of service, or there is a need for support for a specific project or to provide cover for a vacant substantive Chief Officer post, the Council will, where necessary, consider engaging individuals under a "contract for service". These will be sourced through a relevant procurement process ensuring the Council is able to demonstrate value for money from competition in securing the relevant service.
- 5.2.4 In accordance with this arrangement, the Council has engaged an Interim Director of Social Services, Health & Housing under a "contract for service", to ensure that the Council was able to recruit a suitably qualified and experienced individual to this key top management team post. Further details can be found in **Appendix B**.

5.2.5 The Market Pay Scheme referred to paragraph 4.4.2 applies to Chief Officer posts where it can be objectively justified by reference to clear and transparent evidence of relevant market comparators. Any such additional payments are kept to a minimum and subject to review on a regular basis.

5.2.6 In accordance with this arrangement, a market pay supplement is currently applicable to the post of Head of Children and Young People, in recognition of the very significant recruitment difficulties associated with this post. Further details can be found in **Appendix B**. This officer is also in receipt of a short-term temporary honorarium payment in respect of additional temporary responsibilities associated with Adult Services.

### **5.3 Additions to Chief Officers' Pay**

5.3.1 The Council pays a standard mileage rate of 45 pence per mile to Chief Officers (and all other employees) where the Chief Officer uses his or her private vehicle on Council business. The Council also reimburses any other reasonable expenses, incurred by the Chief Officer on behalf of the Council whilst on Council business, on production of receipts and in accordance with JNC conditions and other local conditions.

5.3.2 The cost of membership by the Chief Executive and Corporate Directors of one professional body is met by the Council.

5.3.3 The Council has a statutory duty to appoint a Returning Officer for specified Elections and Referenda and has appointed the Council's Chief Executive to this role. The Returning Officer is personally responsible for a wide range of functions in relation to the conduct of Elections and Referenda and is paid for discharging these functions in accordance with prescribed fees.

### **5.4 Payments on Termination**

5.4.1 The Council's approach to statutory and discretionary payments on termination of employment, prior to reaching normal retirement age, is set out within its Early Retirement, Voluntary Redundancy and Compulsory Redundancy (ER / VR / CR) Scheme, in accordance with Regulations 5 and 6 of the Local Government (Early Termination of Employment) (Discretionary Compensation) Regulations 2006. Please refer to **Appendix I**.

5.4.2 Any payments arising from the termination of contract in relation to Chief Officers must be approved beforehand by the Council's Personnel Committee. Any severance package in respect of early termination of employment that exceeds a threshold of £100,000 must be approved beforehand by full Council. When calculating the value of a severance package, the following payments should be included:

- a) salary paid in lieu of notice
- b) lump sum redundancy / severance payment

c) cost to the Council of the strain on the pension fund arising from providing early access to an unreduced pension.

5.4.3 Chief Officers and all other eligible Council employees are permitted to take flexible retirement in accordance with the provisions of the Local Government Pension Scheme and the Council's Flexible Retirement Scheme.

## **5.5 Independent Remuneration Panel**

5.5.1 Section 143A of the Local Government (Wales) Measure 2011 refers to the Independent Remuneration Panel in Wales ("the IRP") and sets out their functions in relation to salaries of heads of paid service. The IRP may make recommendations about any policy in this Pay Policy Statement which relates to the salary of the Council's head of paid service and any proposed change to the salary of the Council's head of paid service. In this Council, the head of paid service is the Chief Executive. The Council, will, as required, consult the IRP in relation to any change to the salary of the Chief Executive which is not commensurate with a change of the salaries of the Council's other staff, and will have regard to any recommendation received from the IRP when deciding whether or not to proceed with making the change.

5.5.2 The Council is required to identify in this pay policy statement whether any such referral has been made to the IRP, and if so, the nature of the referral, the IRP's decision and the Council's response. The Council has not made any such referral to the IRP.

5.5.3 An authority which chooses not to follow the advice of the Panel may become subject to a Ministerial direction to reconsider their position. The Act also provides that authorities will be able to reduce (but not increase) the salary payable to their head of paid service in advance of a recommendation from the IRP, so long as the contract under which the salary is payable does not prevent the authority from changing the salary after receiving a recommendation.

5.5.4 The Local Government (Wales) Act 2015 temporarily extends the power of the IRP, under section 143A of the Local Government (Wales) Measure 2011 to cover salaries payable to chief officers (using the Localism Act definition) as well as the head of paid service.

## **6. PUBLICATION OF PAY POLICY**

6.1 Upon approval by the full Council, this Pay Policy statement will be published on the Council's website.

6.2 In addition, for posts where the full time equivalent pay is at least £60,000 per annum, as required under the Accounts and Audit (Wales) (Amendment) Regulations 2010, the Council's Annual Statement of Accounts will include a note setting out the total amount of:

- a) salary, fees or allowances paid to or receivable by the person in the current and previous year;
- b) any bonuses so paid or receivable by the person in the current and previous year;
- c) any sums payable by way of expenses allowance that are chargeable to UK income tax;
- d) any compensation for loss of employment and any other payments connected with termination;
- e) any benefits received that do not fall within the above

## **7. SUPPORT FOR LOWER PAID STAFF**

- 7.1 The Council excluded employees in pay grades 1 to 4 from the provisions of the revised Green Book Pay and Grading Structure introduced in April 2014, referred to in paragraph 4.3.4.
- 7.2 With effect from 1<sup>st</sup> April 2014, SCP 7 was deleted from pay grade 2, and a revised pay grade (scp 8 – 11) introduced. This has become a permanent feature of the new pay and grading structure.
- 7.3 The Council has committed to continuing discussions with Trade Unions with the objective of introducing the Living Wage on an affordable and sustainable basis when circumstances allow.

## 8. PAY RELATIVITIES WITHIN THE COUNCIL

- 8.1 The “lowest paid” persons employed under a contract of employment with the Council are defined as those employed in accordance with the minimum spinal column point (SCP 6) of the NJC pay spine for Local Government Services employees. With effect from 1<sup>st</sup> April 2016 the minimum spinal column point (scp 6) equates to £13,891 per annum for a 37 hour standard working week, equivalent to an hourly rate of £7.20 per hour.
- 8.2 The relationship between the rate of pay for the “lowest paid” employees and the Council’s Chief Officers is regulated by the processes used for determining pay and grading structures as set out in this Pay Policy Statement.
- 8.3 The statutory guidance under the Localism Act recommends the use of pay multiples as a means of measuring the relationship between pay rates across the workforce and that of senior managers, as included within the Hutton “Review of Fair Pay in the Public Sector” (2010).
- 8.4 Will Hutton was asked by the UK Government to explore the case for a fixed limit on dispersion of pay through a requirement that no public sector manager can earn more than 20 times the lowest paid person in the organization. Hutton concluded that the relationship to median earnings was a more relevant measure and the Government’s Code of Recommended Practice on Data Transparency recommends the publication of the ratio between the highest rate of pay and the median average pay of the whole of the Council’s workforce (but excluding teachers and other employees appointed and managed by schools, in the case of local authorities).
- 8.5 The current pay arrangements within the Council result in the pay multiple between the lowest paid (full time equivalent) employee and the Chief Executive being 1:10 and the pay multiple between the lowest paid employee and average Chief Officer being 1:6.
- 8.6 The pay multiple between the median full time equivalent earnings and the Council’s Chief Executive is 1:6 where all Council employees are taken into account and 1:6 where employees appointed and managed by head teachers/Governing Bodies are excluded from the calculation, as required by the provisions of the Localism Act 2011.
- 8.7 The multiple between the median full time equivalent earnings and the average Council Chief Officer is 1:4 where all Council employees are taken into account and 1:4 where employees appointed and managed by head teachers/Governing Bodies are excluded from the calculation, as required by the provisions of the Localism Act 2011.
- 8.8 These pay multiples figures have not changed since the publication of the last pay policy statement in March 2014.

8.9 As part of its overall and ongoing monitoring of alignment with external pay markets, both within and outside the sector, the Council will use available benchmark information as appropriate.

## **9. ACCOUNTABILITY AND DECISION MAKING**

In accordance with the Constitution of the Council, the Personnel Committee is responsible for decision-making in relation to the recruitment, pay, conditions of service and severance arrangements for all employees of the Council, except teachers, as their main pay and conditions of service are determined on a legislative basis by the UK Government.

## **10. RE-EMPLOYMENT**

It has been the Council's policy since early 2011 that no Chief Officer, or any other employee, who leaves the employment of the Council on the grounds of early retirement or voluntary redundancy in accordance with the Council's Early Retirement / Voluntary Redundancy Scheme will be later re-employed as an employee of the Council. In exceptional circumstances, re-employment may be permitted if the "employing" Head of Service is able to provide a robust business case for doing so which is acceptable to the Director of Finance & Corporate Services and Head of Human Resources, in consultation with the relevant trade union(s).

## **11 REVIEWING THE POLICY**

This Pay Policy outlines the current position in respect of pay and reward within the Council and it will be reviewed at least annually, and reported to the full Council, to ensure that it meets the principles of fairness, equality, accountability and value for money for the citizens of Neath Port Talbot.

A	Acting Up Payments – Payment Authorisation Form	6-7
---	---	-----

## 1. PURPOSE

- 1.1 To outline a revised scheme for Acting Up payments for Neath Port Talbot County Borough Council employees (with the exception of those employed under Teaching, Soulbury, Youth & Community Workers and JNC Chief Officer's terms and conditions of employment) from 1<sup>st</sup> April 2008.
- 1.2 The revised Scheme harmonises the differing former Manual and APT&C Acting-up provisions under a single set of rules.

## 2. PRINCIPLES

This scheme should adhere to the principles of the Equality of Opportunity in Employment Policy.

## 3. DEFINITION OF ACTING UP

- 3.1 Acting up **applies** where an employee is formally requested to undertake the **full** duties and responsibilities of a higher graded post for a period of at least one day/shift.
- 3.2 Acting up **does not apply** where:-
  - (a) An employee or employees undertake(s) only partial duties and responsibilities of a higher graded post
  - (b) The duties and responsibilities are shared between more than one employee. The Honorarium Scheme provisions may cover these circumstances.
  - (c) There is a permanent change to the normal duties of a job. This may warrant a new or re-evaluation of the post.
  - (d) The post being covered is at the same pay grade. (*this may have an impact on current working practices as employees move from a pay point to pay grade*)
  - (e) There are formal deputising responsibilities, written into the job description, which have been taken into consideration when evaluating the post.

## 4. PERIOD OF ACTING UP

- 4.1** Under this new Scheme all employees are eligible for an Acting-up payment if they are requested to carry out the full duties and responsibilities of the higher graded post from the first day/shift.
- 4.2** Where the employee is requested to act-up into a distinct and different post on day one e.g. Refuse Loader to Refuse Driver or Care Assistant to Care Officer, it is quite clear this situation comes within the definition of acting-up and the employee is entitled to the appropriate acting-up payment, perhaps for just one day or the hours of the shift.
- 4.3** In the office environment, in circumstances where an employee is absent for whatever reason and there may be a need for another employee to act-up into that role, to come within the scope of this Scheme, the employee must be formally requested to act-up and must take on the full duties/responsibilities of the higher graded post. In practical terms this may well not occur from day one in the office environment

## 5. PAYMENT

- 5.1** The sum to be paid is the minimum rate of pay that would apply were the employee promoted to the higher graded post. It must be at least one increment higher. The payment will be effective from the first day on which the employee was required to undertake the duties and responsibilities of the higher graded post. The payment will be pro-rata for part-time employees based on the standard 37 hour week.
- 5.2** Where practical, the agreed Acting up arrangements and payment should be set out in writing to the employee, using the form attached (Payment Authorisation Form), stating the remuneration to be received and the anticipated length of the acting up period. If this period [by reference to date/s or circumstances] is subsequently extended, this should be confirmed in writing. Where this is not practical, because urgent arrangements need to be put into place to meet service delivery needs, Acting up arrangements can be confirmed by the line manager / supervisor verbally, authorised and certified for payment on the time-sheet and then followed up subsequently in writing, at a later date.

## 6. PROVISIONS TO COVER THE PERIOD 1ST APRIL 2008 TO THE DATE THE NEW SCHEME IS AGREED AND INTRODUCED

- 6.1** If the grade of the post the employee is acting-up into is **higher** than the grade the employee was paid under the “old” pay structure, the employee will receive the higher salary from the 1<sup>st</sup> April 2008.
- 6.2** If the grade of the post the employee is acting-up into is **lower** than the grade the employee was paid under the “old” pay structure, no action will be taken to recovery any “overpayment”. However, a joint review of the acting-up arrangements will be undertaken by the line manager and employee as soon as practicable after the collective agreement is signed in order to decide whether to continue with the arrangements under the new Scheme provisions.
- 6.3** Similarly if more than one employee is receiving an Acting-up payment when this Scheme is introduced, which will not qualify under the provisions of the new Scheme, a joint review will be undertaken to determine whether the provisions of the new Honorarium Scheme, should supersede the Acting-up arrangements.

## 7. MONITORING AND REVIEW

The Acting-up arrangements and payments will be monitored by the Head of Human Resources from an equality, diversity and cost effective perspective on an annual basis, to ensure that the Scheme is implemented in a non-discriminatory manner in accordance with the provisions of the Scheme. The trade unions will be consulted on the outcome of the annual monitoring/review exercise.

## 8. GRIEVANCES

An employee can raise a grievance in connection with the application of this scheme via the Authority’s Grievance Policy and Procedure.

A	Honoraria Form	6-8
---	----------------	-----

## 1. PURPOSE

To outline a revised scheme for the payment of honoraria to Neath Port Talbot County Borough Council employees (with the exception of those employed under Teaching, Soulbury, Youth & Community Workers and Chief Officer's terms and conditions of employment) from the date the collective agreement is signed.

## 2. EQUALITY PRINCIPLE

This scheme should adhere to the principles of the Equality of Opportunity in Employment Policy

## 3. DEFINITION

**3.1** An honoraria is a payment for:

- duties outside the scope of an employee's normal role over an extended period, but not more than 12 months
- duties or responsibilities which are within the scope of an employee's normal role but are temporarily exceptionally onerous

**3.2** In both of the above circumstances, honorarium payments are to be initiated by the line manager and agreed in writing using the form attached (Payment Authorisation Form), in advance of these duties or responsibilities being undertaken.

**3.3** Honoraria should not be used where there is a permanent change to the normal duties of a job or where an employee is requested to 'Act up' to cover a higher-graded post. In these circumstances the post should be assessed under the Council's Job Evaluation Scheme by being included within the Job Evaluation Questionnaire or an Acting Up payment should be set up.

**3.4** Accelerated increments within an employee's pay scale should not be used instead of an honoraria payment. Increments can only be awarded in accordance with the criteria agreed under the NPT Pay and Grading Agreement. Individual managers do not have discretion to authorise increments and they will not be actioned for payment by the payroll section.

## 4. PRINCIPLES OF APPLICATION

- 4.1.1 Honoraria should be treated as a one-off recognition or reward relating to a particular piece of work or circumstances as described in Section 3, [and should be paid as soon as possible after the completion of that task] **or** staged/regular payments where appropriate.
- 4.2 To ensure consistency across the Council the application and payment of honoraria must be in accordance with this Scheme.
- 4.3 The payment of honoraria should be exceptional rather than the expected norm.

## 5. PAYMENT LEVELS

- 5.1 In deciding the level of payment to be made, the following should be taken into consideration:
- The nature, scope and level of difficulty of the additional duties/responsibilities
  - The length of time involved
  - The impact on the employee's normal role
  - The level of 'new' learning for the employee
  - Current level of pay
  - The level of pay of a "comparator" post, where appropriate
- 5.2 As honoraria are meant to provide some flexibility for managers to recognise specific tasks, it is expected that payment will be made as soon as possible after successful completion of the task.
- 5.3 Where an employee is receiving regular honoraria payments linked to an additional or exceptionally onerous responsibility, this should be reviewed by the line manager on a regular basis and reference made to section 2 of this scheme.

## **6. PROVISIONS TO COVER THE PERIOD 1ST APRIL 2008 TO THE DATE THE NEW SCHEME IS AGREED AND INTRODUCED**

- 6.1** The new provisions should apply as soon as practicable after the collective agreement has been signed.
- 6.2** The new provisions will not be reviewed retrospectively to see whether there is a retrospective entitlement, unless there are exceptional reasons for carrying out the review.
- 6.3** The position of those employees in receipt of an honorarium payment post April 2008, will be reviewed to determine whether the employee(s) are still eligible under the new provisions of the Scheme to determine whether the payment needs to be adjusted, again there will be no recovery of any "overpayment"

## **7. MONITORING AND REVIEW**

The Honoraria arrangements and payments will be monitored by the Head of Human Resources from an equality, diversity and cost effective perspective on an annual basis, to ensure that the Scheme is implemented in a non-discriminatory manner in accordance with the provisions of the Scheme. The trade unions will be consulted on the outcome of the annual monitoring/review exercise.

## **8. GRIEVANCES**

An employee can raise a grievance in connection with the application of this scheme via the Authority's Grievance Policy and Procedure.

## 1. CONTEXT AND PURPOSE OF NPT MARKET PAY SCHEME

The use of a job evaluation system to create an equality-proofed pay and grading structure ensures that basic rates of pay are based on robust “internal pay relativities”. This process may not always result in the consequential basic rates of pay reflecting the value of similar jobs in the wider labour market.

This Market Pay Scheme for Neath Port Talbot Council has been developed in the recognition that the Authority’s services are delivered by employees who possess skills and experience which may sometimes be in short supply and, therefore, the use of market pay supplements is one measure which is available to safeguard the provision of such services.

The purpose of this Market Pay Scheme is to enable the Council to establish competitive rates of pay for specific posts which, following the introduction of a new NPT pay structure, do not attract a basic rate of pay which is sufficient to recruit and/or retain the number and quality of postholders required.

A key aim of this Scheme is to ensure that all market pay supplements are initially introduced, and subsequently operated, in a fair and consistent manner which avoids potential non-compliance with equal pay legislation.

In particular, there must be clear evidence that the basic rate of pay for a specific post determined by the Council’s pay and grading structure is significantly less than the relevant market rate of pay for a similar post **and** also that there are recruitment and/or retention problems.

## 2. NPT MARKET PAY SCHEME IMPLEMENTATION – PHASES 1 AND 2

This Scheme will be implemented alongside the new NPT pay and grading structure and replaces all former arrangements for market pay supplements and recruitment/retention payments.

**Phase 1 – initial implementation of Market Pay Scheme** – the introduction of a new pay and grading structure will require this Market Pay Scheme to be introduced initially on the basis of assessing which posts may immediately require the application of a market pay supplement **to retain existing postholders**. This will require a speedy review of all “red circled” employees and the posts they occupy taking into account the market pay data which is available at that time.

**Phase 2 - subsequent operation of Market Pay Scheme** – following the initial implementation phase, this Scheme will be operated **taking into account recruitment and retention issues as they emerge**.

A market pay database will be developed with a specific emphasis on those posts identified to be critical from a recruitment/retention perspective. This will be done collaboratively with other local authorities, where possible. The Trade Unions will be involved in the development of the market pay database.

This Scheme will be jointly reviewed and revised as necessary following its initial implementation period recognising that further developmental work remains to be undertaken, particularly in relation to collecting and validating market pay data.

Market pay supplements will be applicable to specific post/s and are not intended to reflect the contribution or performance of individual postholders.

### **3. SCOPE OF MARKET PAY SCHEME**

Each post falling within the scope of the NJC for Local Government Services (“Green Book”) will be eligible to attract a market pay supplement, but always subject to a satisfactory recruitment and/or retention business case being developed and approved.

### **4. PREPARATION OF A MARKET PAY SUPPLEMENT BUSINESS CASE**

#### **Phase 1 - initial implementation of Market Pay Scheme**

The Head of Human Resources will be responsible for reviewing, in consultation with key stakeholders, all posts, but as a matter of priority all red circled posts when the new pay and grading structure is sufficiently certain.

The review will consider which posts may require a market pay supplement when the new pay and grading structure is implemented in order to retain existing postholders.

The involvement and support of Heads of Service, senior HR staff and NPT trade union representatives will be a key part of this process.

#### **Phase 2 - subsequent operation of Market Pay Scheme**

Prior to a business case being developed in relation to a proposed market pay supplement, the “employing” Head of Service must satisfy him/herself that all other reasonable options have been considered, including a review of the skills, qualifications and experience needed for the post/s in question.

The Head of Human Resources will be responsible for researching the business case for the payment of a market pay supplement and will formally make a recommendation in response to the Head of Service who proposes any such payment in relation to a specific post.

The following criteria will be taken into account when considering if a business case exists for a market pay supplement to be payable as part of the Phase 2 stage:

- availability of relevant NPT workforce data/evidence to demonstrate the nature and extent of the recruitment and/or retention difficulties being experienced, or anticipated, at NPT
- the extent to which there may be an adverse effect on service delivery at NPT if a recruitment and/or retention difficulty is not addressed
- an assessment of the likely duration of the recruitment/retention difficulties being experienced – short term or longer
- the availability of up to date and accurate market pay data from relevant comparator organisations relating to the NPT post/s which are subject to recruitment and/or retention difficulties. Such data may be collected on a local, travel to work/regional or national basis, dependent upon the post/s involved.

Wherever possible, the market pay data from other organisations will comprise not only the basic rate of pay, but also other pay and non-pay benefits, including pension provisions.

These criteria will be used as guiding principles initially, but will be developed over time into a more comprehensive Scheme. The trade unions will be involved in the development of the comprehensive scheme.

## 5. FUNDING

Market pay supplements approved under **Phase 1** arrangements will be funded corporately as part of the implementation arrangements for the NPT Pay Review until such time as a specific payment is withdrawn, in which case the corporate funding will be withdrawn.

**Phase 2** (new) pay market supplements will be funded by the “employing” Head of Service.

## 6. PAYMENT ARRANGEMENTS FOR MARKET PAY SUPPLEMENTS

Each approved market pay supplement will be a calculated sum.

Whilst the market pay supplement will not be included in “basic pay” and will not be taken into account in relation to the calculation of overtime hours worked or other pay allowances, it will be permissible for the market pay supplement to include an appropriate compensatory adjustment for premium rates of pay for contractual overtime and/or contractual unsocial hours working.

Market pay supplements will be shown separately on employees’ payslips and will be subject to tax, NI and pension contributions in the normal way.

Market pay supplements will be paid in accordance with the employee’s usual pay frequency.

If a postholder in receipt of a market pay supplement moves to an alternative post within the Council which does not attract a market pay supplement, the payment shall cease from the date on which the postholder leaves the post which attracts the pay supplement.

## 7. DURATION AND REVIEW OF INDIVIDUAL MARKET PAY SUPPLEMENTS

The duration of market pay supplements will be determined at the outset (maximum of two years, then subject to review) and details conveyed to the postholder/s concerned in writing.

The market pay supplement payable for each post will be reviewed at intervals of no more than two years.

Where, at the time of the review, the business case to support the continued payment of a market pay supplement is no longer sustainable, the supplement shall be withdrawn and 12 months’ notice of this given in writing.

Where a decision is made to withdraw the pay supplement from a specific category of post, this shall apply to all similar posts and their consequential postholders simultaneously.

### **Example**

Employees A, B and C are awarded a market pay supplement on 1<sup>st</sup> February 2008 for a period of 2 years, i.e. until 31<sup>st</sup> January 2010.

Employee D is appointed to a similar post to Employees A, B and C 11 months later on 1<sup>st</sup> January 2009. Duration of market pay supplement will be until 31<sup>st</sup> January 2010, i.e. 13 months, to coincide with payments made to Employees A, B and C.

A review of all four posts is carried out and completed in January 2010. A business case for market pay supplements can no longer be justified and notice of withdrawal is given to each employee concerned.

Pay supplements for everyone - Employees A, B, C and D - cease twelve months later on 31<sup>st</sup> January 2011.

In this case, Employees A, B and C have received a market pay supplement for a total of 36 months. Employee D received a market pay supplement for a total of 25 months.

## **8. AUTHORISATION PROCESS**

**Phase 1** market pay supplements will be agreed and implemented as part of the overall NPT Pay Review process. The occupants of posts which are to be paid a market pay supplement as part of the Phase 1 arrangements will be informed of the sum involved when formally notified about the JE score and new pay scale applicable to their post.

**Phase 2** market pay supplements will be considered, and authorised where appropriate, by the “employing” Head of Service following receipt of supporting information and a formal recommendation from the Head of Human Resources.

Designated NPT trade union representatives will be consulted regarding all proposed changes to market pay supplements.

## **9. ORGANISATIONAL REVIEW OF MARKET PAY SUPPLEMENTS**

An annual review will be undertaken of all market pay supplements being paid, in consultation with the trade unions, and the outcome reported to the Corporate Director Group and others, as appropriate.

## **10. INTERPRETATION**

Any matters of interpretation arising from this Scheme will be determined by the Head of Human Resources, in consultation with designated trade union representatives.

Any employee who is aggrieved with the application of this Scheme is entitled to pursue his/her grievance in accordance with agreed procedures. The Trade Unions will jointly be involved in the development of the more comprehensive scheme.

## 1. SCOPE

This Scheme is applicable to all NPT Council employees, including those appointed and managed by School Governing Bodies.

## 2. VOLUNTARY REDUNDANCY (VR)

The Council may, from time to time, in accordance with the needs of the service and within a specified period, invite expressions of interest in voluntary redundancy (VR) as part of its Workforce Strategy to reduce employee costs. It is unlikely that all volunteers will be allowed to leave the Council's employment under this Scheme as the Council will have an ongoing need to retain employees with the necessary skills and competencies to both deliver and transform a range of services.

The Council will consider "bumped" redundancies, where appropriate. In these circumstances, employees may apply for voluntary redundancy, thereby making available their post for employees with transferable skills whose job has or will become redundant and who do not wish to leave the employment of the Council. Such "bumping" of a redundancy will be considered across service areas, with appropriate funding arrangements being agreed by the Heads of Service or Head teachers involved.

All VR expressions of interest will be considered at management's sole discretion, based on a robust business case (including the cost of any consequential organisational/pay grade changes). All VR expressions of interest will need to be authorised by the relevant Head of Service and Directorate Management Team.

The Council's grievance procedure will not apply in the case of VR, but the Head of Human Resources has an advisory and monitoring role in this respect.

## 3. EARLY RETIREMENT (ER)

Applications for Early Retirement (ER), where a job loss does not take place, will be granted in exceptional circumstances only, and on the basis of "in the interests of efficiency of the service" (due to the range of alternative, and usually more cost-effective, measures available to manage capability issues). All such ER decisions will be subject to a robust business case (including the cost of any consequential organisational/pay grade changes) being approved by the relevant Head of Service and Directorate Management Team, or Head teacher and School Governing Body, as appropriate. Where a Head teacher is the subject of the ER application, Governing Body authorisation will be required.

The Council's grievance procedure will not apply in the case of ER, but the Head of Human Resources has an advisory and monitoring role in this respect.

#### 4. FLEXIBLE RETIREMENT

The Council's Flexible Retirement Policy will remain available to eligible employees alongside this ER/VR/CR Scheme, as will Teachers Pension Scheme (TPS) phased retirement provisions.

#### 5. COMPULSORY REDUNDANCY (CR)

It is the Council's policy to prevent compulsory redundancies from arising to the greatest extent possible. However, where unavoidable, selection for compulsory redundancy (CR) will take place in accordance with relevant management of change and associated employment policies.

#### 6. SCHEME PAYMENTS, COSTS AND FUNDING (ER/VR/CR)

##### **VR and CR Payments**

Subject to **the total cost to the Council of early release of pension and/or severance payment being limited to the equivalent of 52 weeks' pay** for the employee concerned (see Note 1), the following provisions will apply in cases of Voluntary Redundancy (VR) and Compulsory Redundancy (CR):

**early release of pension** for "qualifying" employees (see Note 2);

lump sum **statutory redundancy payment** (see Note 3), using the 30 week Statutory Redundancy table (Appendix A);

Lump sum **discretionary compensation payment**, using the Council's 50 week table (Appendix B), (reduced by the statutory redundancy payment referred to above).

Where the total cost of early access to pension and the cost of statutory redundancy payments equates to more than 52 weeks' pay, the payback period may be extended "up to 104 weeks", **but subject to only early access to pension plus statutory redundancy pay being applicable (i.e. no discretionary severance payment)**

##### **ER Payments**

Subject to **the total cost to the Council of early release of pension being limited to the equivalent of 52 weeks' pay** (see Note 1), the following will apply in cases of Early Retirement (ER): Early release of pension for "qualifying" employees (see Note 2).

##### **ER, VR and CR Funding**

Early retirement, statutory redundancy and discretionary compensation payment costs will all be met by the employing Directorate, with the exception of school Governing Bodies where the costs will be met from a separately identified element of schools' delegated budgets.

Any severance package in respect of early termination of employment that exceeds a threshold of £100,000 must be approved beforehand by Full Council.

## 7. OTHER ER/VR/CR PROVISIONS

In cases of **compulsory redundancy (CR)**, there will be a presumption that employees will continue to be employed during the statutory notice period, particularly as this will maximise the prospects of potential redeployment. Employees in this situation must arrange to take any outstanding annual leave during the notice period but, if not practicable and certified accordingly by the relevant Head of Service, an employee will be paid for any untaken annual leave which remains outstanding on expiry of the notice period. Any annual leave entitlement exceeded will be recovered from pay. Exceptionally, pay in lieu of notice, which is subject to tax and National Insurance, may be granted.

Employees leaving the Council's employment on the grounds of **ER or VR** will do so on the basis of a **mutually agreed termination date, with no notice period being applicable on either side** and with **no extra payment being made** for any outstanding holidays, time off in lieu or flexi leave.

Statutory notice provisions in relation to teachers will apply, as appropriate.

Employees who leave the Council's employment on the grounds of early retirement (ER) or voluntary redundancy (VR) will be "retirees" and will, therefore, normally be precluded from returning to any paid temporary or permanent NPT Council employment (which includes schools). However, in exceptional circumstances, re-employment may be permitted if the "employing" Head of Service is able to provide a robust business case for doing so which is acceptable to the Director of Finance & Corporate Services and Head of Human Resources, in consultation with the relevant trade union/s.

## 8. NOTES

**Note 1:** All employees who are made redundant are entitled to a statutory redundancy payment (see Note 3 below).

"Qualifying" employees are also entitled to early release of pension if their employment is terminated on the grounds of redundancy (or in the interest of efficiency of the service). Statutory redundancy payments may be enhanced through the payment of discretionary compensation payments and will be calculated having regard to the total cost of:

- (a) early release of pension,
- (b) statutory redundancy payments and
- (c) discretionary compensation payments not exceeding - in total – the equivalent of 52 weeks' pay for the employee concerned.

For example, where an employee's entitlement under the 50 week table takes the total cost above the value of his/her annual pay, the number of weeks of redundancy and/or discretionary compensation payments and/or the weekly pay calculator rate will be adjusted downwards as necessary.

The definition of a "week's pay" will be in accordance with statutory provisions for redundancy pay calculation purposes.

In summary, this will be the gross amount payable for a week's work in accordance with the employee's contract of employment as applicable on the "calculation date", which will be the pay period immediately preceding the first day of his/her notice period. If an employee's remuneration is variable, a 12 weekly average will be calculated. Sections 220 to 229 and Section 234 of ERA 1996 further define the calculation of a "week's pay".

**Note 2: "Qualifying"** generally means aged 55 years, or over, with 3 months' membership of the Local Government Pension Scheme (LGPS). The definition of "qualifying" is covered by LGPS Regulations and may change as a result of future legislative changes. Employees in the Teachers' Pensions Scheme (TPS) have a different qualifying period (usually 2 years). The TPS is a statutory scheme and may also change as a result of future legislative changes. Access to pension for teachers before age 60, without actuarial reduction, is at the discretion of Neath Port Talbot Council.

**Note 3:** To use the statutory redundancy table in Appendix A, firstly look up the employee's age and number of years' continuous service with the Council (& its predecessor authorities). Where the two intersect on the table, this is the number of weeks' pay which becomes payable. The "week's pay" to be used to calculate the lump sum statutory redundancy payment will be in accordance with statutory provisions (maximum of £475 per week with effect from 1st February 2015).
