- At Key Stage 3 the Core Subject Indicator (level 5 or above in English/Welsh, Maths & Science) improved by 4.7% in 2014/15. Neath Port Talbot however, are still ranked 22nd in Wales.

- 1.1% more 11-19 year olds are in contact with the Youth Service.
- The percentage of final statements of special educational need excluding exceptions issued within 26 weeks was again 100%. Performance including exceptions is 21.43% mainly due to the complexity of individual cases, availability of partners from outside the LA, the ability of parents to take children to their assessments, staffing pressures within the LA and long term staff absences.
- Of the 22 indicators reported, 2 were at maximum performance, 14 improved, 3 remained within 5% and 1 fell by over 5% when compared to quarter 4 2014/15. 2 indicators could not be compared to 2014/15 due to software issues.
