REPORT CARD FOR THE SUPPORT FOR LEARNING SERVICE

Purpose of the Report

To present to Members the service report card developed by the Support for Learning (SFL) Service.

Executive Summary

For Members to consider outcomes, priorities and actions of the SFL service report card. This analyses the most recent data available.

Background

It was agreed that service report cards would be submitted for Members' consideration as at Appendix 1.

Financial Impact

The SFL service report card addresses the impact and quality of the work of the Service on Children and Young People (CYP), as well as achievements and outcomes of pupils with Additional Learning Needs. The Service covers all areas of need, including Occupational Therapy and Speech and Language Therapy, which are commissioned from ABMU Health Board.

Equality Impact Assessment

There is no equality impact associated with this report.

Workforce Impacts

The Support for Learning service report card identifies the need to adapt and review working practice and workforce capacity within the SFL Service, depending on need. The Service continually reviews demand and the need to fulfil statutory duties to build and sustain capacity.

Legal Impacts

There is a legal requirement for the service to meet the needs as outlined on CYP Statements of Special Educational Needs.

Risk Management

Identification and mitigation of risks associated with delivering services and priorities are considered.

Consultation

No requirement for consultation.

Recommendations

That Members note the report.

Appendices

Appendix 1 - Support for Learning Service Report Card
