#### **4. Borrowing**

- 4.1 No long term borrowing has been undertaken since the last report.

#### **5. Investment Income**

- 5.1 In line with the Council's Investment Strategy, the 2016/17 Original Budget for investment income is £614k; treasury management investment income generated on investments made to date is £523k.

The recent cut in bank rate has led to a reduction in the interest rate paid to the Council on its investments, for example, the interest paid by the Government's Debt Management Agency has been reduced from 0.25% to 0.15%. Interest paid by Banks and Building Societies has also reduced. The expectation is that for this financial year interest generated will now be nearer to £550k rather than the £614k included in the budget.

The Council also pays interest to other funds such as trust funds and planning bonds (Escrow Accounts), the rate of interest paid on these funds will now reduce from 0.5% to 0.25% which will provide some savings to offset against the reduction in investment interest. This could mean a net shortfall of some £60k which if required will be funded from the Council's Base Budget or Treasury Management Reserve.

Members should note that the majority of investments are classified as 'specified' i.e. up to 12 months and are currently deposited with Local Authorities, UK banks including Barclays, Lloyds Group, Bank Santander and Nationwide Building Society.

- 5.2 The Council policy will allow investments up to a maximum of £25m for periods of more than 1 year and up to 5 years, and this will be considered when decisions on investing surplus funds are made.
- 5.3 No additional long term investments have been carried out since the last report. The Council currently has £10m invested for periods in excess of 12 months:

<b>Counterparty</b>	<b>Value £'000</b>	<b>Period</b>	<b>Maturity</b>	<b>Rate %</b>
Eastbourne Borough Council	4,000	4.5 Years	June 18	2.20%
Peterborough City Council	6,000	5.0 Years	Dec 18	2.10%
<b>TOTAL</b>	<b>10,000</b>			

- 5.4 Members should note that since the last report a further dividend of £15,432 has been received from the UK based administrators of the former Icelandic related bank Kaupthing, Singer & Freidlander.
