

NEATH PORT TALBOT COUNTY BOROUGH COUNCIL

Streetscene & Engineering Cabinet Board

12 June 2017

Report of the Head of Engineering & Transport

D. W. Griffiths

Matter for Decision

Ward Affected: All

Traffic Capital Programme 2017-2018: Proposed Traffic Orders

Purpose of Report

1. To obtain Members' approval to advertise the traffic schemes contained within the Traffic Capital Programme for 2017-2018 financial year; brief descriptions of which are identified in Appendix A.

Executive Summary

2. The Traffic Capital Programme consists of traffic management schemes relating to requests made by Council Members, the public and proposals put forward by officers of the Traffic Section, who have highlighted road safety/parking issues. The proposals, if implemented, require various Legal Orders to be made to alleviate/mitigate the issues raised in the interest of road traffic management.

Background

3. Following confirmation of the Traffic Capital Programme, permission has to be sought from members for approval to advertise any schemes prior to making Legal Orders.

Financial Implications

4. The work will be funded by Welsh Government Road Safety Grant 2017-2018.

Equality Impact Assessment

5. A Screening Assessment has been undertaken to assist the Council in discharging its Public Sector Equality Duty under the Equality Act 2010. After completing the assessment it has been determined that this function does not require an Equality Impact Assessment.

Workforce Impact

6. Not applicable.

Legal Impact

7. The schemes will be publicly advertised for the requisite 21 day statutory period as required by legislation.

Risk Management

8. There are no service risk management issues associated with these Road Safety Grant schemes.

Consultation Outcome

9. Initial consultation on each scheme contained within the Traffic Capital Programme will be carried out with the Local Member(s) for each Ward affected by a scheme prior to the formal consultation process undertaken with the public and any other affected bodies.

Recommendation(s)

It is recommended that:-

10. Approval is given to Traffic Section Officers, for the schemes contained within the Traffic Capital Programme 2017-2018 to be advertised in accordance with the statutory requirements and for the schemes to be implemented in accordance with the relevant statutory requirements contained within the current Road Traffic Regulations, subject to there being no objections received. In the event of any objections being received in respect of any schemes, these will be reported back to the Environment and Highways Board for a decision.

Reasons for Proposed Decision

11. The schemes are necessary in the interest of road safety and providing adequate parking provisions within the County Borough.

Implementation of Decision

12. The decision is proposed for implementation after the three-day call-in period.

Appendices

13. Appendix A – Summary of the proposed schemes for the Traffic Capital Programme 2017-2018.

List of Background Papers

14. None
