**16 JUNE 2017**

## **REPORT OF THE TREASURER - HYWEL JENKINS**

### **MATTER FOR DECISION**

### **WARDS AFFECTED - ALL**

### **OUTTURN REPORT AND ANNUAL RETURN 2016/17**

#### **1. Purpose of Report**

- 1.1 This report provides details of the Margam Crematorium Joint Committee Outturn position for 2016/17. It also includes the Annual Return required to comply with proper accounting practices.

#### **2. Outturn Report 2016/17**

- 2.1 The Outturn Report shows that during 2016/17 the Crematorium provided 1,517 funeral services compared to the original estimate of 1,350 services. This increased the cremation fee income by £96,136.
- 2.2 Members will recall from its meeting on 20th January 2017 that the revised budget position had improved, with total income projections increased to £922,520, based upon 1,450 services. The actual income for the year was £990,953, mainly due to the further increase in services to 1,517.
- 2.3 This report shows the actual gross expenditure as £685,514. There is a contribution to the General Reserve of £205,785 and a contribution to the new Cremator Renewals Reserve of £100,000. Full details of the pre-audited Final Accounts are included in Appendices 1 and 2.
- 2.4 The main variances between the Original Budget and the Actual Expenditure can be summarised as follows:

## **Expenditure**

### **Salaries +£4,445**

A provision has been added to cover the long term sickness of a staff member.

### **Organist fees +£7,442**

The organist fees have increased in line with cremations. The annual leave costs have increased from the original estimate as the basis for calculating this charge was not known at budget stage.

### **Staff Training -£1,005**

One member of staff has commenced the ICCM training course. Costs are lower than budgeted for during 2016/17.

### **Repair & Maintenance Grounds -£6,658**

The grounds maintenance includes additional hours for the gardener to ensure the grounds are maintained throughout the winter months. This also includes a sum to manage trees and shrubs in the grounds. The sum used was less than originally estimated.

### **Gas -£3,567**

The reduction in expenditure is mainly due to the new cremators being more efficient, using less gas, together with a reduction in price per unit.

### **Water +£665**

There were two water leaks this financial year at the Crematorium which have been rectified in year.

### **Air Quality Sampling -£3,000**

The air quality sampling forms part of the mechanical and maintenance contract with Facultative Technologies (FT), providing a single annual emissions test. As there are no separate costs for this, the budget has been withdrawn from 2017/18.

### **Travel fees -£370**

Travel costs were lower than budgeted.

### **Conference fees -£430**

Two delegates attended the annual conference; the original budget included a provision for three.

**Audit fee -£705**

The audit fee was less than expected last year, generating a credit this financial year.

**IT including Equipment & Website +£2,110**

A new internet server has been installed in the Crematorium to improve access to the internet and ensure efficient access to Facultative Technologies, the Cremator service provider.

**Brochures -£489**

Brochures cost less than originally anticipated.

**Equipment +£297**

A specialised trolley has been purchased for use in the chapel.

**Urns & Caskets +£295**

Additional stock has been purchased in line with the increase in Cremations.

**Palm Sunday -£600**

There were no Palm Sunday services this financial year.

**Subscriptions -£433**

The subscription fee to the Institute of Cemetery and Crematorium Management paid during 2015/16 included the membership fee for 2016/17.

**Memorials & Benches +£3,118**

The memorials expenditure includes eight granite benches which were ordered the previous year. The manufacturer was unable to deliver prior to the end of the financial year; the expenditure was therefore rolled over to 2016/17.

**Loan Charges +£3,854 and Repayment of the Historical Debt - +£2,939**

The Joint Committee has become debt free from all historical debt and the repayment of the new cremators that were installed in 2014. This is following the repayment of £3,854 for Interest and debt charges and £111,939 for the historical debt.

**Provision for Capital Works -£27,374**

The schedule is a list of Capital works that were carried out in the financial year. It was envisaged that the sewage plant works would

have been completed this year, the savings will be used to finance that project during 2017/18.

Original / Revised Estimate	£
<b>Actual expenditure</b>	<b>100,000</b>
Building cleaning	2,190
New canopy	28,581
Canopy pathway	8,800
Public address system	24,703
Refurbishment of public convenience	7,810
Sewerage plant investigation works	542
<b>Total</b>	<b>72,626</b>

## **Income**

### **Cremation fees +£96,136**

This increase in fees reflects the increase in cremations from a budgeted 1,350 to 1,517, an increase of 167 cremations in the year. The fees include 10 public health funerals.

### **CAMEO +£6,184**

The Cremation Abatement of Mercury Emissions organisation (CAMEO) has introduced a 'Burden sharing' scheme, charging Crematoria that have not installed Abatement equipment an environmental surcharge. This fee, less any administrative charges, is then re-distributed to the other Crematoria that have installed Abatement equipment.

The calculation was not known at budget stage, therefore a nominal budget of £5,000 was used. The actual sum is based on the net surplus tradable mercury abated cremations for the period 1<sup>st</sup> January to 31<sup>st</sup> December 2015. The crematorium had 722 surplus cremations at £15.49, so received income of £11,184.

The level of any future income is uncertain as the fund to be shared will reduce as more Crematoria throughout the country install abatement equipment. A refund is expected, but this will not be known until late in 2017 and will be built into the accounts when known.

### **Memorials Income +£18,990**

The memorial income includes three Memorial benches.

The Memorial income is unpredictable, however the income received has significantly exceeded the amount in the original budget. This is chiefly due to the ongoing renewal of the 10 year lease's.

### **Refund of Water usage from Cemeteries +£150**

It was previously agreed that 20% of all water usage in the Crematorium was to be apportioned to Margam Cemetery for the use of water.

### **Investment Income +£2,715**

All the Crematorium's income is paid into the Port Talbot cash office, the local authority pays all the Crematorium's invoices. The surplus balances/reserves is due interest. There are two years interest in this year's accounts.

### **Summary**

During the financial year the Crematorium has generated income in excess of the budgeted expectancy, this is chiefly due to the increase in the number of cremations. The surplus in income will be transferred to reserves.

## **3. Reserve Position**

- 3.1 The planned contributions to and from reserves, are reflected in the Margam Crematorium Accounts. The position for the year is outlined below.

Smaller local government bodies in Wales must prepare annual accounts following proper practices as set out in the One Voice Wales/SLCC publication **Governance and accountability for local councils in Wales – A Practitioners’ Guide** (the Practitioners’ Guide). The Practitioners’ Guide states that bodies may prepare their accounts in the form of an annual return prepared by the Wales Audit Office.

The accounts and audit arrangements follow the process as set out below.

**Please read the guidance on completing this Annual Return and complete all sections highlighted in red including both sections of the Annual Governance Statement.**

Incomplete or incorrect returns may require additional external audit work and incur additional costs. Send the **original** Annual Return, together with all additional information requested, to the external auditor acting on behalf of the Auditor General for Wales. Unless requested, please **do not** send any original financial or other records to the external auditor.

Audited and certified returns are sent back to the body for publication or display of the accounting statements, Annual Governance Statement and the Auditor General for Wales’ certificate and report.

## Guidance notes on completing the Annual Return

1. You must apply proper practices when preparing this annual return. For guidance, please read the Practitioners' Guide (**Governance and accountability for local councils: A Practitioners' Guide (Wales)**) – available from One Voice Wales and SLCC. It contains everything you need for the financial year-end and the statutory audit.
2. The Wales Audit Office Good Practice Exchange ([www.audit.wales/good-practice/finance/community-council-money](http://www.audit.wales/good-practice/finance/community-council-money)) provides further information on the accounts and audit process along with guidance on governance matters.
3. Make sure that the Annual Return is fully completed ie, no empty red boxes. Please avoid making any amendments to the completed return. If this is unavoidable, cross out the incorrect entries, make sure the amendments are drawn to the attention of the body, properly initialled and an explanation for them is provided to the external auditor. **Please do not use correction fluid.** Annual returns that are incomplete or contain unapproved and/or unexplained amendments or correction fluid will be returned unaudited and may incur additional costs.
4. **There are now two boxes for certification and approval by the body. The second box is only required if the annual return has to be amended as a result of the audit. You should only complete the top box before sending the form to the auditor.**
5. Use a second pair of eyes, perhaps the Chair or a member, to review your Annual Return for completeness before sending the original form to the auditor.
6. Make sure that your accounting statements add up, that the balance carried forward from the previous year (line 7 of 2016) equals the balance brought forward in the current year (line 1 of 2017). Explain any differences between the 2016 figures on this annual return and the amounts recorded in last year's annual return.
7. Explain fully any significant variances in the accounting statements. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include a detailed analysis to support your explanation and be specific about the values of individual elements making up the variances.
8. Make sure that the copy of the bank reconciliation you send to your auditor with the Annual Return covers **all** your bank accounts and cash balances. If there are no reconciling items, please state this and provide evidence of the bank balances. If your Council holds any short-term investments, please note their value on the bank reconciliation. The auditor should also be able to agree your bank reconciliation to line 9 in section 1. More help on bank reconciliation is available in the Practitioners' Guide\*.
9. **Every** small body is now required to send to the external auditor, information to support the assertions made in the Annual Governance Statement. Your auditor will tell you what information you need to provide. Please read the audit notice carefully to ensure you include all the information the auditor has asked for. You should send **copies** of the original records (certified by the Clerk and Chair as accurate copies) to the external auditor and not the original documents themselves.
10. Please do not send the auditor any information that you are not specifically asked for. Doing so is not helpful.
11. If the auditor has to review unsolicited information, repeat a request for information, receives an incomplete bank reconciliation or explanation of variances or receives original documents that must be returned, the auditor will incur additional costs for which they are entitled to charge additional fees.
12. **Do not complete the Auditor General for Wales' Audit Certificate and report.** The external auditor completes this on behalf of the Auditor General for Wales on completion of the audit.
13. **Please deal with all correspondence with the external auditor promptly.** This will help you to meet your statutory obligations and will minimise the cost of the audit.
14. **Please note that if completing the electronic form, you must print the form for it to be certified by the RFO and signed by the Chair before it is sent to the auditor.**
