

11th July 2017

Dear Mr Phillips

I am writing on behalf of the Neath Port Talbot Black Minority Ethnic Community Association. The Association has been set up as a result of the ongoing development of the BME Forum, and its desire to become an independent body which can be the voice for and represent BME communities in Neath Port Talbot.

The BME Forum has greatly appreciated the support of Neath Port Talbot County Borough Council in its development, and would welcome the ongoing involvement of Elected Members and your Officers in the new Community Association.

The Constitution allows for up to three Elected Members to be part of the Executive Committee and I would be grateful if you could confirm whether you would wish to appoint any members to sit on the Committee, and if so who these would be. A copy of the Constitution is attached for your information.

Yours sincerely

Adam Cameron
