Re: Prohibition of Waiting at any Time- Waun Gron/ Gelligron / Fford Cefn Llan, Pontardawe

Dear Mr Isaac,

I am the proprietor of the Post Office/shop at 42 Gelligron Road, Rhydyfro, I have owned and run the business since June 2003. I wish to object to your proposals of introducing double yellow lines outside and around my business premises. I have provided 4 off road car park spaces, however 2 of these spaces are used in constant use by staff/Deliveries/Residents of flat above shop. My business is also a convenience store many of my customers park on the road because it is quicker. I oppose having Double yellow lines outside my shop.

Some of the reasons for why I object are listed below:

- 1: I do not think that the junction outside my shop is an accident hot spot.
- 2: I fear I will lose custom if you proceed with your proposals
- 3: Some of my Post Office Customers are elderly or disabled and need to park as close to the shop as possible.
- 4: Introduction of double yellow lines outside my business premises would certainly put off potential buyers of my business and would subsequently decrease the value of my business.
- 5: May have to lay off or reduce the hours of employees if business trade is affected

Some of my neighbours in the adjoining houses are concerned that shop customers will be parking further back outside their houses. Please take my concerns into account when you come to the final decision on this proposal. I enclose a petition signed by 300 of my customers who all oppose your proposal.

It appears that most of my neighbours will be affected by your proposition, so could you please write to all residents that live on Waun Gron, Gelligron Road and Fford Cefn Llan explaining your decisions. Having spoken to all the neighbours it appears that these proposals are being pushed through due to only 1 or 2 people complaining.

Yours Sincerely

Manjit Sanghera
