REPORT**

Purpose of the Report:

1. The purpose of this report is to provide Members with Performance Information and Complaints & Compliments Data for both Children and Young People and Adult Services for the 1st Quarter Period (April 2019 – June 2019). This will enable the Social Care, Health & Well Being Cabinet Board and Scrutiny Members to discharge their functions in relation to performance management.

Executive Summary:

2. A new set of Statutory Welsh Government Performance Indicators was introduced for Social Services during 2016-17 and although they are not all reported on a quarterly basis, they are accounted for in the Full End of Year Performance Report. In addition, this report also contains information relating to the

number of Compliments and Complaints received by the Directorate during the 1st Quarter Period (April 2019 – June 2019).

Background:

3. Failure to produce a compliant performance monitoring report within timescale could lead to non-compliance within our Constitution and hinder the full and transparent scrutiny of performance across the Directorate. This report enables Members to monitor and challenge performance across Children and Young People and Adult Services, whilst taking into account our reporting obligations to Welsh Government in terms of the Statutory Performance Indicators.
