## **Cabinet**

2 October 2019

### **Report - Head of Transformation - A.Thomas**

#### **Matter for Decision**

#### **Wards Affected:**

Crynant

### **Project Proposal made to the Members Community Fund**

#### **Purpose of the Report**

1. To seek Cabinet approval to fund a project proposal that requests financial support under the Members Community Fund. The project has been tabled by the respective Ward Member.

#### **Executive Summary**

2. The Members Community Fund is to be used to address local needs and to support projects and initiatives that will contribute towards creating vibrant and sustainable communities.

The Project Development & Funding Unit (PDFU) within ELLL is charged with the governance of the Fund and will act as the Grant Management Organisation.

Bids can be made for projects that enhance existing Council services, assist voluntary sector provision or form part of a larger initiative that is in need of additional financial support.

Eligible projects will include those that enrich the environment, promote non - statutory education and learning, assist Health & Well Being, and promote culture and / or recreation in all its forms.

Another project proposal now seeks funding and has been formally submitted to the PDFU. The bid has been checked for completeness, accuracy and deliverability and is 'fit for purpose' and ready for determination by Cabinet.

## **Background**

### **3. Purchase of essential items of capital equipment for the 8th Neath Crynant Scout Group**

This bid has been developed to 'Assist Voluntary Sector Providers.'

The funding will be used to purchase items that will facilitate camping trips and jamborees, and assist the Scouts, Cubs and Beavers when working towards their achievement badges. Equipment to be purchased includes water carriers, camping stoves, folding picnic tables, head torches and an events shelter.

The need for the proposal has been brought to the attention of the Ward Member for Crynant. The Cubs, Scouts and Beavers currently possess a limited inventory of equipment and this places restrictions on the scope of activities they can undertake. The provision of this new apparatus will enable them to participate in additional activities such as away days, orienteering and camping further afield than the area adjacent to the Scout Hut.

The long term community benefits associated with the project include more individuals becoming involved in the Scouting movement, additional opportunities for children to take part in outdoor activities and helping to instil in the young people the Scouts core values of teamwork, leadership and resilience.

The request for grant aid from the Members Community Fund is for £1,060.91 from Councillor Sian Harris' allocation, which is the total value of the project. If this application prevails Cllr Harris will have £8,939.09 remaining in her Members Fund portfolio to invest in community projects.

### **Financial Impact**

4. In order to win favour in Cabinet all projects must be sustainable. Projects must have a robust exit strategy that places no additional revenue or financial burden on the Council.

The equipment will be the responsibility of the 8th Neath Crynant Scout Group, who have made an ongoing commitment to ensuring that it is appropriately cared for and maintained for the foreseeable future. The equipment will be stored within a secure area at the Scout Hut in Crynant. The children and young people will be shown how to use the apparatus safely and pack it away securely in order to avoid accidental damage.

This scheme has no financial implications for NPTCBC.

### **Integrated Impact Assessment**

5. A first stage impact assessment has been undertaken to assist the Council in discharging its legislative duties (under the Equality Act 2010), the Welsh Language Standards (No.1) Regulations 2015, the Well - being of Future Generations (Wales) Act 2015 and the Environment (Wales) Act 2016.

The first stage assessment has indicated that a more in - depth assessment is not required as the summary concludes there are positive outcomes for the sustainable development principle, collaboration and involvement, with no impact on equalities or the Welsh language.

### **Valleys Communities Impacts**

Under section 56 of the Local Government (Wales) Measure 2011 sanction is given for both Executive and Non - Executive Members to invest within their own Ward.

The Council's Constitution should be referred to for explicit guidance on governance.
