

## SWANSEA BAY CITY REGION JOINT SCRUTINY COMMITTEE

DATE 28th October 2019

### Programme Monitoring

#### RECOMMENDATIONS/KEY DECISIONS

For Members of the Joint Scrutiny Committee to note and scrutinise the Action Plan, Project Issue Log and Risk Register that are contained within the report.

The implementation plan remains unchanged from the previous version, received at the last meeting. This is attached for Members information.

#### REASONS

In the last meeting of the Joint Scrutiny Committee, Members requested that the Action Plan, Implementation Plan and Risk Register be a standing item on the agenda to ensure that the progress is monitored.

#### BACKGROUND

Following the independent and internal reviews, an action plan was developed to take forward the review recommendations. The attached action plan provides an update on progress being made against each of the recommendations.

The recommendations detailed within the action plan have emphasised the need for an implementation plan which forms the basis for monitoring the delivery of the Swansea Bay City Deal

Programme and a risk register which details the risks associated with the delivery of the Programme. These documents have been attached to provide the Scrutiny Committee with the opportunity to scrutinise the delivery of the programme.
