Treasury Management Monitoring 2020/21

Purpose of Report

1. This report sets out treasury management action and information for the first quarter of 2020/21.
2. This report will also be forwarded to the next Audit Committee in line with the Council's Treasury Management Practices Scrutiny arrangements.

Rates of Interest

3. The global outbreak of coronavirus has forced the UK Government to take drastic steps to stem the economic impact and this resulted in the Bank of England reducing the bank base rate.
4. During a special meeting of the Bank of England's Monetary Policy Committee on 10th March 2020, the Bank of England cut the rate from 0.75% to 0.25%, effective from 11th March, with a further reduction to 0.10% following shortly after on 19th March. The bank

warned that the pandemic will result in a "sharp and large" economic shock.

The following table details the changes in bank rate:

8th January 2009	1.50%
5th February 2009	1.00%

Investments

8. The following are a list of investments as at 3rd November 2020:

<u>Counterparty</u>	<u>Value (£)</u>	<u>Investment type</u>	<u>Investment start</u>	<u>Investment maturity</u>	<u>Interest rate</u>
Lloyds Bank	£10,000,000	95 Day Call Account	27 th August 2020	95 days after called	0.20%

<u>Counterparty</u>	<u>Value (£)</u>	<u>Investment type</u>	<u>Investment start</u>	<u>Investment maturity</u>	<u>Interest rate</u>

Santander	£57,500,000	Call Account	N/A	N/A	0.10%

9. Please note – the Council’s investment criteria (TMP2 - appendix 1) allows for a maximum investment for an F1 rated counterparty to be £15m. Santander are currently an F1 rated counterparty – however, the policy also allows for this to be temporarily exceeded in exceptional circumstances. Member should note that during the COVID pandemic, this balance has been exceeded. The maximum amount placed with Santander was £117m on 9 June 2020 and the current balance invested as at 3rd November 2020 (i.e. at time of writing this report) is £57.5m.

Investment Income

10. In line with the Council’s Investment Strategy, the 2020/21 original budget target for investment income is £400k, income for the financial year to date totals £155k. Due to the very low interest rates at present with base rate at 0.1%, it is highly unlikely that the investment income target will be met. Any unachieved income will be met from the treasury management equalisation reserve at year end, subject to the Council’s overall financial position.
11. Members should note that the majority of investments are classified as ‘specified’ i.e. up to 12 months and are currently deposited with Local Authorities and Santander Bank.

12. The Council policy will allow investments up to a maximum of £25m for periods of more than 1 year and up to 5 years, and this will be considered when decisions on investing surplus funds are made. The Council has no such investments.
