

SWANSEA BAY CITY REGION JOINT SCRUTINY COMMITTEE

DATE 25th May 2021

Report Title SBCD Benefits Realisation

RECOMMENDATIONS/KEY DECISIONS

To inform Joint Scrutiny Committee of the proposed templates for use in the reporting and recording of benefits at a programme and project level for the SBCD Portfolio

REASONS

1. Introduction

Templates have been devised and the Main 3 Portfolio spending objectives are being drafted in order to report progress on the benefits outlined in the respective benefits registers of each scheme along with the combined benefits at a project/programme level which will deliver the portfolio spending objectives, namely – Jobs, GVA and Investment.

2. Background

The templates (Appendix A and Appendix B) show the template which will be used for each reportable benefit and the log which will be completed and regularly updated by the PoMO in order to report progress against the benefits as they develop.

Once the benefits profile has been completed for each of the project/programme level benefits to be recorded then the PoMO will add this benefit to the portfolio benefits log.
