**6. Does the initiative embrace the sustainable development principle (5 ways of working):**

	Yes	No	Details
<b>Long term</b> - how the initiative supports the long term well-being of people	X		The allocation included on the budget, will assist in providing visible improvements throughout the borough.
<b>Integration</b> - how the initiative impacts upon our wellbeing objectives	X		Providing the additional allocation will assist in the well-being objectives throughout the borough
<b>Involvement</b> - how people have been involved in developing the initiative	X		Feedback from residents, members and service staff has influenced the proposed allocations, for example re: additional investment in bus shelters and play areas.
<b>Collaboration</b> - how we have worked with other services/organisations to find shared sustainable solutions	X		The proposals and their delivery involves collaboration between internal sections of the council.
<b>Prevention</b> - how the initiative will prevent problems occurring or getting worse	X		The allocation recognises the importance of maintaining the built environment as poor maintenance can lead to graffiti and vandalism for example and a spiral of environmental degradation. Adequate maintenance is also necessary to keep highways and the general environment safe.

**7. Declaration - based on above assessment (tick as appropriate):**

A full impact assessment (second stage) <b>is not</b> required	X
Reasons for this conclusion	
The allocation of the additional monies will have a positive impact on the services and will provide improvements that may not have been undertaken should the additional monies not been allocated.	

A full impact assessment (second stage) <b>is</b> required	X
Reasons for this conclusion
