## Introduction

The Council has adopted the 2016 Delivering Good Governance in Local Government: Framework (the Framework), developed by the Chartered Institute of Public Finance and Accountancy (CIPFA) and the Society of Local Authority Chief Executives (SOLACE). To comply with the Framework, the Council must publish an Annual Governance Statement (AGS), which explains the processes and procedures in place to enable the Council to carry out its functions effectively. The governance framework comprises the systems, processes, cultures and values by which the Council is directed and controlled, and through which we engage with and lead the local community. The framework brings together an underlying set of legal requirements, good practice and management processes.

In preparing the AGS, the Council conducted a review on the effectiveness of its system of internal control in place for the year ending 31<sup>st</sup> March 2021 to ensure that:

- its business is conducted in accordance with all relevant laws and regulations;
- public money is safeguarded and properly accounted for;
- there is sound and inclusive decision making;
- resources are used economically, efficiently and effectively; and
- there is clear accountability for the use of those resources to achieve agreed priorities which benefit local people and communities.

***“Corporate governance is about making sure that the Council is run properly. It is about ensuring the Council does the right things, at the right time and in the right way.”***

The Council’s system of internal control are designed to manage risk to a reasonable level. The Council cannot eliminate all risk of failure to achieve policies, aims and objectives and can therefore only provide reasonable and not absolute assurance of effectiveness. During the year ending March 2021, Covid-19 had a dramatic impact on the way we live and work and during that time the Council’s leadership and governance arrangements needed to adapt very quickly. Those

changes are reflected in this document to evidence how the Council ensured visibility of decision making and business was continued to be conducted in accordance with all relevant laws and regulations.

## The Framework

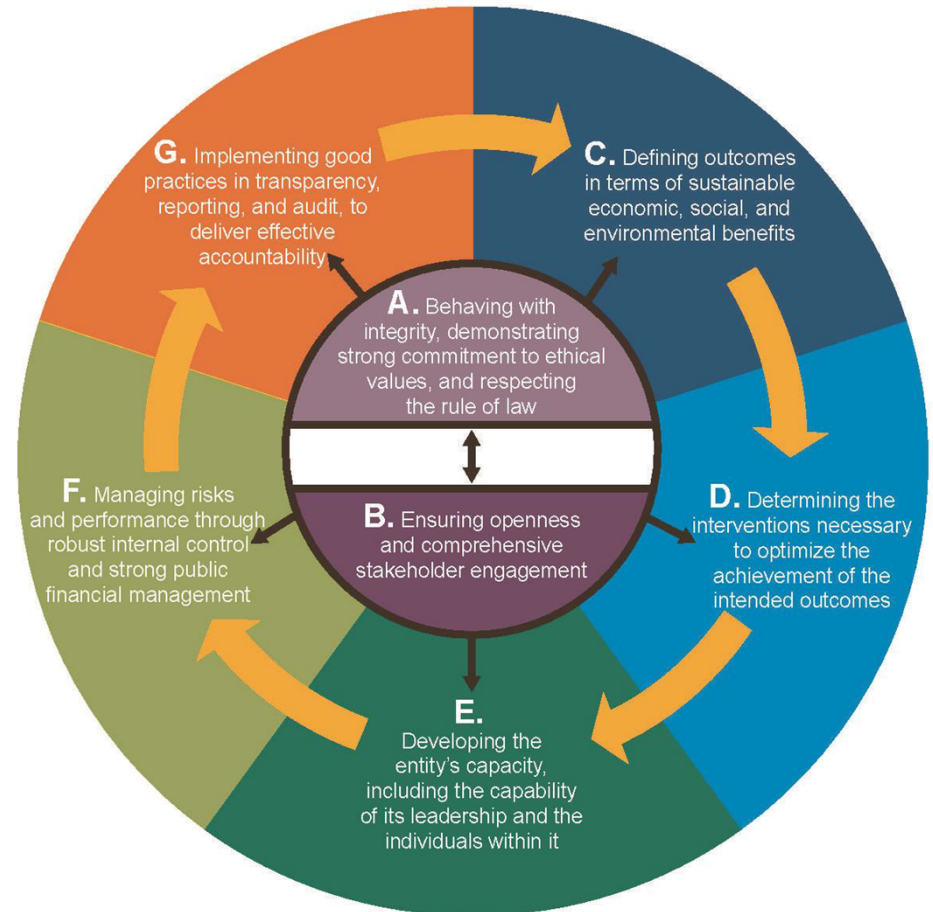

The Framework comprises two core principles and five supporting principles as illustrated in the diagram.

Principles A and B run through principles C to G but good governance is dynamic, and the Council as a whole is committed to improving governance on a continuing basis through a process of evaluation and review.

**The next section: Putting the Principles into Practice,** illustrates examples of how the Council demonstrates compliance to meet these seven principles and the assurances taken during the year on the effectiveness of our governance arrangements.

Any governance improvement areas identified from undertaking the review have been included in an action plan set out in **Table 2** on page 63. The Corporate Governance Group, will oversee the action plan and progress will be reported to Corporate Directors Group, Cabinet and Audit Committee throughout the financial year.

Progress made on improvement work identified during 2019/2020 are contained in **Table 1** on page 57.

## Review of Effectiveness

The Council has responsibility for conducting, at least annually, a review of the effectiveness of its governance framework including the system of internal control. The review of effectiveness is informed by the work of the Chief Officers and the Internal Audit Service who have responsibility for the development and maintenance of the governance environment and also by comments made by the external auditors and other review agencies and inspectorates. A Corporate Governance Group, reporting to the Corporate Directors Group ensures that improvement work is scheduled, resourced and monitored. The Council uses a number of ways to review and assess the effectiveness of its governance arrangements, the table below highlights the different mechanisms during 2020/2021:

Constitution Review & Monitoring (2020/2021)	Internal Audit Service (2020/2021)	Audit Committee (2020/2021)	Standards Committee (2020/2021)	External Auditors (2020/2021)

## Governance Improvement Areas

The Council is committed to improving the governance arrangements in place and addressing issues identified.

**Table 1** improvement areas identified during 2019/2020 and progress made during 2020/2021.

	Improvement Areas 2019/2020	Progress (during 2020/2021)
1.	Democratic arrangements - continuous review of arrangements being undertaken to evolve democratic arrangements when meetings will be held remotely.	<p>Continuous review of the Council's democratic arrangements was undertaken by the Head of Democratic Services in consultation with Leader and Group Leaders and Chairs and Vice Chairs of Scrutiny Forum and Democratic Services Committee.</p> <p>The cycle of meetings for the remainder of 2020/2021 was agreed at Council on 23<sup>rd</sup> December 2020 (which included the standing up of Cabinet Boards) and the next cycle of meetings for the civic year 2021/2022 was agreed at the Annual Meeting on the 17<sup>th</sup> March 2021.</p> <p>The Local Government and Elections (Wales) Act 2021 will require amendments to processes to reflect changes, including increased provision of webcasting, remote attendance and participation schemes. A Member Seminar was held during March 2021 and work will be ongoing to implement the legislative requirements with reports being brought back to Members accordingly</p> <p>With regard to simultaneous translation, there is no solution to date and officers continue to work with WLGA and Welsh Government to source suitable requirements and a report will be brought to Democratic Services Committee on updates as and when available.</p>
2.	Audit - refocusing of the audit work programmes to focus on issues related directly to the crisis and revisiting risk assessments to identify priorities for forward programme of work for Internal Audit	<p>Due to the impact of the pandemic, the Audit Committee on 14<sup>th</sup> September approved an Audit Plan for the quarter September 2020 – December 2020.</p> <p>A further update was presented to Audit Committee at their meeting on 14<sup>th</sup> January 2021 in relation to Audit work completed to date and plans for the remainder of the financial year.</p>

	Improvement Areas 2019/2020	Progress (during 2020/2021)
		<p>The focus of Internal Audit work in 2020/2021 was on auditing areas considered to be a higher risk due to remote working due to the pandemic and the subsequent changes in control processes.</p> <p>Coverage of these areas will provide the Head of Internal Audit with sufficient assurance not to have to issue a limitation of scope when providing the opinion required for the financial year.</p>
3.	<p>Health, safety and welfare - ensuring risk assessments and associated control measures are robust across the Council to protect the workforce, those who need to use our services and functions and to uphold confidence in the Council's response to the ongoing situation.</p>	<p>"Homeworking Guidance – during Covid-19" - guidance and information prepared on what it is recommended an employee should have in place to ensure home working is carried out in a safe manner.</p> <p>"Return to Workplaces Processes – following COVID-19" – a framework developed within which services can commence their planning in relation to how they return to the workplace and deliver services in a sustainable way.</p>
4.	<p>Equalities and other impacts - ensuring there is scrutiny of the extent to which the changes implemented and planned discharge the Council's legal obligations.</p> <p>(Ensuring democratic oversight of the wider impact on the community arising from the crisis and how this may vary between geographies and between people who share protected characteristics).</p>	<p>Assessing the impact of various new/changes to policies and services is a requirement of the Council's reporting arrangements. First stage integrated impact assessments, and/or full integrated impact assessments as required, are undertaken as part of the policy development process and consider the impact of policies and/or services to meet legal requirements. The assessment provides members with information on which to make an informed decision with the minutes reflecting the consideration given. With the recent changes and developments as a result of the commencement of the socio economic duty the IIA framework has been reviewed.</p> <p>The Public Services Board is leading on the multi-agency recovery planning for the County Borough following the Covid-19 outbreak. An initial community impact assessment was commissioned to understand how people, businesses and organisations have experienced the pandemic and what impact it has had. The evidence from the community impact assessment will inform the approach to recovery and to help identify key areas where collective action by partners could reduce the negative impacts.</p>

	<b>Improvement Areas 2019/2020</b>	<b>Progress (during 2020/2021)</b>
5.	Finance – understanding the one-off and recurring costs associated with the situation and the impact of this on the Council’s financial health.	<p>Monthly claims processes were set up to reclaim additional costs from the WG Hardship Fund. Claims also submitted for income loss resulting from the pandemic.</p> <p>Budget monitoring reports to Members moved to bi-monthly from quarterly to ensure Cabinet were kept informed as to the financial impact of the pandemic.</p> <p>The Council acted as agent for the Welsh Government to pay grants to support businesses affected by the Covid pandemic.</p>
6.	ICT - ensuring there is an assessment of the impact of innovation on Information Risk and suitable measures in place to manage the risks.	Digital Services and Information Governance have conducted Data Protection Impact Assessments (DPIAs) including Risk Assessments in respect of the introduction of new Digital solutions and to cover any significant changes to existing processes.
7.	Business Continuity – a review of business continuity planning to identify lessons learned for both the ongoing situation and for future incidents. (Assurance that emergency response can be mobilised quickly to any rise of infection across the county borough or to local clusters/outbreaks).	In September the Emergency Planning Team published the “1 <sup>st</sup> wave Covid-19 debrief report”. There are a number of recommendations which will be incorporated into the Council’s recovery plan.
8.	Statutory duties – careful consideration of Council responses to statutory duties suspended or relaxed during the emergency situation to ensure lessons learned from the emergency response inform choices made about the way such statutory duties are discharged into the future.	Ongoing review takes place of current and forthcoming legislative obligations and consideration will be given to all legislative aspects that have and will take place during the pandemic as part of recovery planning.
9.	Partnership working – ensure the lessons learned from mobilising the emergency response inform future choices made about partnership working	This improvement work to be carried over to 2021/2022 when a mapping exercise will be undertaken (as part of recovery planning) to capture the lessons learned including the identification of those partnerships that were effective and the de-prioritisation of those that were not.

	Improvement Areas 2019/2020	Progress (during 2020/2021)
10.	Capacity and capability – review the Council’s workforce planning priorities to ensure they continue to be aligned with the organisation’s priorities given the challenges and opportunities associated with the ‘new normal’.	<p>The already established Workforce Planning Group met more frequently throughout the emergency, weekly, and fortnightly from June and then as required later in the year.</p> <p>This forum supported the identification of critical skill shortages, enabled the rapid redeployment of staff to plug identified gaps, critical recruitment, and reviewed key employment strategies to support the Council’s response to the Covid-19 emergency. It is an inclusive approach, ensuring participation of all directorates and trade unions. The Group also provided sounding board for the Human Resource Team on key workforce strategies and ensured directorates had a framework for providing workforce data and intelligence.</p> <p>Audit Wales are working with the Council to identify learnings and future improvements for workforce planning with focus groups for key stakeholders planned</p>
11.	Report annually to the Standards Committee to give an assurance that the Member Code of Conduct is fit for purpose	<p>At a Standards Committee meeting in January 2021 Members considered code of conduct matters. A report will be presented to the 21<sup>st</sup> May Standards Committee meeting on the Code of Conduct to ensure it is fit for purpose.</p> <p>To date there have been no breaches referred to the Standards Committee in 2020-21 and a suitable assurance was given to the Corporate Governance Group.</p>
12.	Update the constitution and bring a report to members in Autumn 2020 following royal assent of the Local Government and Elections (Wales) Bill.	<p>The updating of the Constitution is continuing and a report was brought to Council in December 2020 seeking authority for the Democratic Services Committee to establish a task and finish group to review the appropriate provisions and to consider the implementation of the Local Government and Elections (Wales) Act 2021.</p> <p>Democratic Services Committee will now undertake this work stream during 2021/2022.</p>

Revised Policy approved by Cabinet at its meeting on 16 <sup>th</sup> March 2021.

16.	To provide training on implementation of Contract Procedure Rules - training to be scheduled for Spring 2020 and bi annually thereafter.	As a result of Covid-19 an extensive training programme was not able to take place. Officers adopted a new approach therefore of training officers in smaller groups via Microsoft Teams and issuing briefing and guidance notes to colleagues to assist in implementation. Ongoing support was provided by Corporate Procurement Team to any issues.
17.	Report annually to the Cabinet on the implementation and operation of the Ethical Employment in Supply Chain Policy - add to Cabinet forward work programme for 2020/2021.	Due to the pandemic this work has been delayed. A report will be brought to Cabinet for information in July 2021 as to the how the Ethical Employment in Supply Chain Policy has been implemented in Council Contracts.

19.	Reports annually to the Corporate Governance Group to give an assurance that the current system for dealing with data protection breaches is fit for purpose.	Data protection matters are reported to the Corporate Governance Group at every meeting and any updates or changes required are discussed at every meeting. The position has been that the policy remains fit for purpose because no changes are needed. However, a formal review of the policy is now taking place as a result of the exit from the European Union and suitable updates will be taken to the group in due course with an assurance provided at the same time.
