#### Notes to the accounts

#### 1. Accounting Policies

##### a) Basis of preparation and assessment of going concern

The financial statements have been prepared in accordance with the requirements of the Welsh Church Act and the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS102), the Charities Act 2011 and UK Generally Accepted Practice as it applies from January 2015.

The financial statements have been prepared to give a “true and fair” view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a “true and fair view”. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102) issued on the 16th July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1st April 2005, which has since been withdrawn.

The accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note to the accounts.

##### b) Fund structure

The Welsh Church Act Fund was established from the proceeds and assets of the disestablishment of the Church in Wales and was originally created in 1914. The assets were distributed evenly amongst the former county councils in Wales, and then divided between the Welsh Unitary Authorities when they were formed in 1996, with Neath Port Talbot County Borough Council taking responsibility for the share of the Fund included in this report.

Funds are unrestricted funds which are available for use at the discretion of the Trustee in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

## Appendix 1

### c) **Basis of Accounting**

The accounts have been prepared using the accruals basis and there has been no change to this accounting basis.

Income is recognised once the trust fund becomes entitled to the income and there is sufficient certainty that the income will be received and the amount receivable can be measured reliably.

Expenditure or the liability to spend is recognised as soon as there is a legal or constructive obligation committing the trust fund to that expenditure. All expenditure on governance and support services is accounted for on an accruals basis.

Grants payable are accrued where there is certainty that the funds will be drawn down. However, where grants awarded are subject to the recipient fulfilling performance conditions, the grant is only accrued at the time that the performance conditions are met.

### 2. **Investment Income**

The Welsh Church Act Fund holds short term cash deposits with Neath Port Talbot County Borough Council. These investments operate on an instant access basis, and interest is based on the Council's return on its investments. The average interest rate for 2020/21 was 0.18% (2019/20 was 0.71%).

Details of short term deposits are provided at Note 10.

### 3. **Other income**

The Welsh Church Act Fund receives rental income from various properties, land and wayleaves. Further details of the properties are included in note 8 to the Balance Sheet.

### 4. **Management and Administration/Related parties**

The Fund has paid Neath Port Talbot Council £2,273 (2019/20 £2,228) for financial support services and £549 (2019/20 £538) for legal advice.

These payments are the only related party transactions within these accounts.

## Appendix 1
