# STANDARDS COMMITTEE ANNUAL REPORT 2020-2021

### **The Ten General Principles of Public Life**

<p><b>Selflessness</b> – members should serve only the public interest and should never improperly confer an advantage or disadvantage on any person.</p>	<p><b>Personal judgement</b> – members may take account of the views of others, including their political groups, but should reach their own conclusions on the issues before them and act in accordance with those conclusions.</p>
<p><b>Honesty and integrity</b> – members should not place themselves in situations where their honesty and integrity may be questioned, should not behave improperly, and should on all occasions avoid the appearance of such behaviour.</p>	<p><b>Respect for others</b> – members should promote equality by not discriminating unlawfully against any person, and by treating people with respect, regardless of their race, age, religion, gender, sexual orientation or disability. They should respect the impartiality and integrity of the authority’s statutory officers and its other employees.</p>
<p><b>Objectivity</b> – members should make decisions on merit, including when making appointments, awarding contracts, or recommending individuals for rewards or benefit.</p>	<p><b>Duty to uphold the law</b> – members should uphold the law and, on all occasions, act in accordance with the trust that the public is entitled to place in them.</p>
<p><b>Accountability</b> – members should be accountable to the public for their actions and the manner in which they carry out their responsibilities, and should co-operate fully and honestly with any scrutiny appropriate to their particular office.</p>	<p><b>Stewardship</b> – members should do whatever they are able to do to ensure that their authorities use their resources prudently, and in accordance with the law.</p>
<p><b>Openness</b> – members should be as open as possible about their actions and those of their authority, and should be prepared to give reasons for those actions.</p>	<p><b>Leadership</b> – members should promote and support these principles by leadership, and by example, and should act in a way that secures or preserves public confidence.</p>

## **Chair's Foreword**

I am pleased to present the Standards Committee's Annual Report, which outlines the work undertaken by the Standards Committee in the municipal year 2020-2021

The Standards Committee has continued to promote the principles and values of good governance within the Council and across the County Borough. The Members of the Standards Committee are committed and dedicated to ensuring that high standards of conduct are maintained by all local elected Members.

We have been pleased to welcome a new representative for Town/Community Councils, Town Councillor Gerry Reynolds of Glynneath Town Council.

The Standards Committee regard this report as a good report, in that in this year there have been no findings of misconduct by the Standards Committee against County Borough Councillors and Town and Community Council members, particularly with the challenges that Covid-19 may have brought and the new ways of having to work.

The Standards Committee has previously continued its routine monitoring of Council policies relating to Standards, such as Whistleblowing and Gifts and Hospitality and has recommended some areas for consideration by officers of the Council and we will continue to monitor compliance with such documents.

I acknowledge the contribution of my fellow Committee members and of the officers who support us, particularly the Monitoring Officer and his staff. I wish also to acknowledge the support given by One Voice Wales to our Community Councils regarding standards and ethics.

Finally, I wish to thank all Elected Members who strive to maintain high standards in carrying out their duties for the benefit of the people of Neath Port Talbot.

The Committee wishes to do all it can to support Elected Members in their role.

## **The work of the Standards Committee in 2020-2021**

As a result of the Covid-19 pandemic, the Standards Committee did not meet in its usual cycle in 2020/2021. Advice was provided by the Monitoring Officer on behalf of the Standards Committee on regular intervals in respect of standards and Code of Conduct matters.

Irrespective of the above, a meeting took place where the following matters were considered:

### **Observation of Council Meetings**

Independent members of the Committee have attended meetings of Full Council as observers, and discussed their observations.

Such observation is helpful to inform the Standard Committee's work and understand the work of the Council.

Elected Members have indicated that the presence of Standards Committee members was a helpful influence on Members' behaviour.

The Standards Committee were pleased to observe positive Members' conduct at Council meetings, with meetings being business focussed and less fractious.

### **Community Councils**

The Standards Committee has the same statutory functions in relation to Community Councils and their Councillors as it has in relation to Neath Port Talbot Council and its Members.

The Committee has considered the ways in which it discharges its functions, and what else it may do, within available resources, to promote and maintain high standards of conduct within Community Councils and build good working relationships with them.

The Committee has noted and approved a programme of actions, which includes: offering training on the Code of Conduct; quarterly meetings between the Community Council Clerks and the Monitoring Officer to discuss issues relating to Member conduct; provision of advice and support to Clerks in relation to local resolution processes and observation of Community Council meetings by Standards Committee members.

### **Dispensations**

The Standards Committee has statutory power to grant dispensations to Members with a personal and prejudicial interest in a matter, to allow them to participate in a decision regarding that matter, in appropriate circumstances, which are set out in statutory regulations.

During the course of the year a number of dispensations were granted to allow Members to actively participate in decision making to ensure their voice and the voice of their constituents is not lost as a result of prejudicial interests.

The Standards Committee continues to approach each application with a presumption in favour of granting a dispensation wherever practicable, particularly in relation to granting a dispensation to speak. The Committee may also delegate authority to the Monitoring Officer to grant similar dispensations in relation to that business. However no such delegation was given during the period of this report.

Details of the applications that have been dealt with can be viewed as part of the minutes of the meetings of the Committee which are accessible on Neath Port Talbot Council's website ([www.npt.gov.uk](http://www.npt.gov.uk))

### **Other Activities**

In addition to the above activities the Standards Committee also:

- Received and considered the Annual Report of the Public Services Ombudsman for Wales
- Received and considered case decisions of the Adjudication Panel for Wales
- Received and considered case decisions made by other Standards Committees in Wales
- Received and considered the Code of Conduct casebook published by the Ombudsman

Where appropriate the Standards Committee have identified points of learning and best practice and have taken them into account in their own decision making and included them in any training provided

## **Complaints**

The Standards Committee has oversight of the complaints and any themes or patterns emerging (but only considers specific details of individual cases if a complaint is formally referred to the Standards Committee by the Monitoring Officer or the Public Service Ombudsman for Wales).

During the period 1<sup>st</sup> April 2020 to 31<sup>st</sup> March 2021, the Monitoring Officer was notified of a total of 5 complaints made against Members of Neath Port Talbot County Borough Council alleging a breach of the Code of Conduct.

Two of these complaints were dismissed by the Public Service Ombudsman for Wales as not being appropriate for investigation during this period with the remainder closed by the Ombudsman as finding no breach of the code of conduct in the 2021/2022 financial year.

During the period 1<sup>st</sup> April 2020 to 31<sup>st</sup> March 2021, the Monitoring Officer was notified of a total of 3 complaints made against Town and Community Councillors alleging a breach of the Code of Conduct.

Each of these complaints were dismissed by the Public Service Ombudsman for Wales as not being appropriate for investigation

### **Local Resolution Process**

The Standards Committee notes that the Local Resolution Protocol adopted by Neath Port Talbot Council continues to provide a helpful process for resolving relatively 'low-level' behavioural complaints made by Neath Port Talbot Members about other Members, in a timely and proportionate way.

The Standards Committee is pleased to note that no cases have been referred to the Hearings Panel during 2020/2021

The Standards Committee has encouraged Community Councils to adopt their own local resolution protocols, using the model developed by One Voice Wales in consultation with the Public Service Ombudsman for Wales.

## Future Priorities

The Standards Committee regularly reviews its forward work programme and has identified the following priority areas for consideration in 2021/2022

- **Code of Conduct, Member Training and Development** – the Standards Committee will consider the need for any further training on the Members' Code of Conduct focussing on Town and Community Councils
- **Observation of Council and Committee Meetings** – the Standards Committee will continue to observe proceedings at Council and Committee meetings to give feedback on observations and inform its work priorities.
- **Implementation of the Local Government and Elections (Wales) Act 2021** – the Standards Committee will look at the implementation of the Bill and revise its terms of references accordingly to meet the new obligations that are placed on Standards Committees.
- **Gifts and Hospitality** - To review the Councils procedures for the acceptance and provision of gifts and hospitality by Officers; and continue to monitor the registers of gifts and hospitality received by Members.
- **Annual Meeting with Group Leaders** - To facilitate ongoing engagement with representatives from all political groups and to identify how the approach code of conduct matters in their political groups
- **Officers' Personal Interests Policy and Code of Conduct** - To review the Council's policy and procedure for managing officers' personal interests and any updated Code of Conduct document for Officers.
- **Whistleblowing Policy** - To review the Council's Whistleblowing Policy and its implementation; and to receive information on reports made under the Policy and consider any ethical issues arising.

Much of the work of the Committee is demand led. However, it will continue to monitor elected Members performance at meetings of the Council, Cabinet and Committees (whether remote or in person) and adherence to the Council's ethical governance framework; to monitor reports on compliments, representations and complaints received under the corporate feedback system and consider any feedback arising from complaints to the Ombudsman.

It will also identify and support provision of regular training and refresher events for elected Members of the Council (particularly on the importance of the Code of Conduct and high standards of ethics and probity).

The main issue for 2021/2022 will be induction processes for the new Council and members of the Standards Committee will review the training programme for newly elected members in May 2022.
