Project Proposals made to the Members Community Fund

Purpose of the Report

1. To seek approval to fund three project proposals that request financial support under the Members Community Fund.

Executive Summary

2. The Members Community Fund is to be used to address local needs and to support projects and initiatives that will contribute towards creating vibrant and sustainable communities.

3. The Project Development & Funding Unit (PDFU) within ELLL is charged with the governance of the Fund and will act as the Grant Management Organisation.

4. Bids can be made for projects that enhance existing Council services, assist voluntary sector provision or form part of a larger initiative that is in need of additional financial support.

5. Eligible projects will include those that enrich the environment, promote non - statutory education and learning, assist health & well-being, and promote culture and / or recreation in all its forms.

6. Project proposals seeking funding are to be formally submitted to the PDFU. Bids are checked for completeness, accuracy and deliverability and will be deemed 'fit for purpose' and ready for determination by Cabinet. Officers have considered the project proposals submitted by Members and these are deemed to comply with the Policy as endorsed by Cabinet on the 25th June 2020 and 30th June 2021.

Background

7. The 'Background' or 'Project Specifics' pertinent to each project are set out in the appendices to this report. The detail on the 'Project Specifics' will expand upon the Project Description, the Applicant, the need, the community benefit and how the project costs have been arrived at.

8. The Appendices included with this report, and subsequently the projects to be evaluated, are as follows:-

(a) Appendix A - An Application by Cllr Steven Hunt for supply of new senior football goals to the recently formed Seven Sisters Onllwyn Football Club. The funding will be used to procure a pair of new 24' x 8' goal posts with netting. Total request of the Members Community Fund is £2,000.

Financial Impact

9. All projects must be sustainable. Projects must have a robust exit strategy that places no additional revenue or financial burden on the Council. Maintenance responsibilities and the ongoing revenue commitment to keep a project functioning beyond the life of the Grant will have been rigorously investigated to determine as to whether there are any financial burdens on the Council.

Integrated Impact Assessment

10. A first stage impact assessment has been undertaken to assist the Council in discharging its legislative duties (under the Equality Act 2010), the Welsh Language Standards (No.1) Regulations 2015, the Well - being of Future Generations (Wales) Act 2015 and the Environment (Wales) Act 2016. The first stage assessment has indicated that a more in - depth assessment is not required as the summary concludes there are positive outcomes for the sustainable development principle, collaboration and involvement, with no impact on equalities or the Welsh language.
