## A483 Fabian Way - Proposed speed limit revisions

#### **Purpose of Report**

To obtain Members approval to advertise the above traffic regulation order as indicated in Appendix A.

#### **Executive Summary**

The report outlines the proposed traffic regulation order and the reason why the order is required.

## **Background**

The traffic regulation order is required to improve road safety and to align the existing speed limits between the University Bae Campus and the M4 Junction 42 following recent changes to the speed limits at those locations.

The proposed scheme is indicated in Appendix A.

The proposed scheme will help to reduce traffic speed in the interest of road safety.

# **Financial Impact**

The work will be funded by the capital works programme.

#### **Integrated Impact Assessment**

A first stage impact assessment has been undertaken to assist the Council in discharging its legislative duties (under the Equality Act 2010, the Welsh Language Standards (No.1) Regulations 2015, the Well-being of Future Generations (Wales) Act 2015 and the Environment (Wales) Act 2016.

The first stage assessment, attached at Appendix B, has indicated that a more in-depth assessment is not required. A summary is included below:-

A full impact assessment is not required as the proposed traffic regulation order will provide a benefit to the Community.
