- c) No applications will be considered from religious bodies except relating to church halls and other premises where there is significant community use of the property for non-religious activities.
- d) No applications will be considered from other public funded bodies such as community councils, hospital trusts, etc. or where the benefit may be in lieu of their contributions such as appeals for hospital equipment.
- e) Applications from individuals may be considered where both the person and the community derive a benefit.
- f) No grants will be made to any individual or organisation whose prime purpose is to distribute their funds to other charitable bodies.
