WELSH IN EDUCATION STRATEGIC PLAN 2022-2032

Purpose of report

1. To obtain approval to consult on Neath Port Talbot's draft Welsh in Education Strategic Plan 2022-2032

Executive summary

2. Section 84 of The School Standards and Organisation Act 20131 requires Local Authorities to prepare a Welsh in Education Strategic Plan (WESP).
3. Neath Port Talbot's draft WESP details the plan to support and further develop Welsh language education in schools and in the wider communities and planning for future growth. The plan details how further development will be secured over the next 10 years, January 2022 - January 2032.
4. The draft WESP will be subject to a comprehensive public consultation with a wide range of stakeholders for a nine week period, approval is therefore sought from members to embark upon the consultation process.

Background

5. Section 84 of The School Standards and Organisation Act 2013¹ requires Local Authorities to prepare a Welsh in Education Strategic Plan (WESP). The WESP must contain proposals and targets to improve the:
 - Planning and standards of Welsh medium education and teaching; and
 - Report on progress made to meet the targets of the previous WESP.

6. Neath Port Talbot's draft WESP 2022-32, will be the cornerstone for the Council's vision for increasing and improving the planning of the provision of Welsh medium education in Neath Port Talbot, to enable all learners to develop their Welsh language skills and to use the language confidently in everyday life. It both complements and assists in facilitating the National vision for the Welsh language, to have 1 million Welsh speakers by 2050:

The year 2050: The Welsh language is thriving, the number of speakers has reached a million, and it is used in every aspect of life. Among those who do not speak Welsh there is goodwill and a sense of ownership towards the language and a recognition by all of its contribution to the culture, society, and economy of Wales. Our vision is to secure favourable circumstances throughout the country that support language acquisition and use of Welsh language skills. We want to see an increase in language transmission in the family, early introduction of Welsh to every child, an education system that provides Welsh language skills for all

Cymraeg 2050 – A million Welsh speakers (Welsh Government, 2017)

7. Welsh-medium education is an integral and essential part of the learning offer in Neath Port Talbot and all children should benefit from the opportunity to learn, appreciate and understand their lives through the medium of Welsh. This principle is underpinned by ensuring universal access to this provision across the county borough. Neath Port Talbot Council recognises that language and culture are critical parts of an individual's identity and is committed to promoting and celebrating Welsh language learning across all phases and sectors.

8. It is acknowledged that the statutory education system has a vital role to play in increasing the number of Welsh speakers. We must increase the number of school learners who have the opportunity to develop Welsh-language skills in school and the opportunity to use it in their everyday lives, significantly, to achieve our goals.
9. Neath Port Talbot's draft WESP details how we plan to support and further develop Welsh language education in schools and in the wider communities and how we plan for future growth. The plan details how we will secure further development over the next 10 years, January 2022 - January 2032.
10. The draft plan has been developed through close working with partners including Neath Port Talbot schools, Menter Iaith, RhAG, Muddiad Meithrin, Neath Port Talbot College, Academi Hywel Dda Swansea University, the Urdd and with Welsh Government.
11. It aligns itself to the national policy and guidance '*The Welsh in Education Strategic Plan (Wales) Regulations 2019*', '*Cymraeg 2050*' and to the '*Education in Wales: Our National Mission, Action Plan 2017-21*'. The plan will reflect how the school system in Neath Port Talbot, including sixth forms, will move forward in the period until 2032 to ensure that the new curriculum is implemented effectively in our schools securing the opportunity and 'desire for learners to become increasingly bilingual with a strong grasp of other languages' (*Curriculum for Wales 2022*).
12. The overarching ten year target in Neath Port Talbot is to increase the number of Year 1 children taught through the medium of Welsh from 16.8% (252 pupils) in 2020/21 (PLASC 2021) to 31% (460 pupils) by 2032.
13. PLASC 2021 reception and second year nursery pupil numbers were 283 (18.7%) and 290 (21%) respectively, so over the short term, year 1 numbers and percentages are likely to increase.
14. Neath Port Talbot's draft WESP also contains information on mitigating any possible negative impacts on the Welsh language as a result of a new build English-medium primary school in the Swansea Valley area. This information is included as an appendix to the main WESP.

WESP Outcomes

15. The following outcomes are outlined in the draft WESP and address the broader aims outlined in Cymraeg 2050 and its implementation plan.
- More nursery children/3 year olds receive their education through the medium of Welsh
 - More reception class children/ 5 year olds receive their education through the medium of Welsh
