Age	x				H	<p>The proposal will have a positive impact on children and young people of all ages. As a result of the WESP, the Council is expected to improve Welsh medium and Welsh language education and increase the number of learners in Welsh medium education.</p> <p>In addition there may be a positive impact on adults and older children if the Welsh language is learnt by younger children and spoken within the home setting.</p> <p>Outcome 1 in the WESP specifically promotes key agencies, including education, working in partnership with the wider community to promote the benefits of bilingualism. Outcome 5 also promotes the use of Welsh outside of the classroom and in the community. This aims to have a significant effect on parents and the wider community. Disability	x				H	<p>As a result of the Additional Learning Needs and Educational Tribunal Act (Wales) 2018, significant changes are underway in relation to the statutory provision required to meet the needs of all learners with additional learning needs (ALN). All services within the local authority will be required to consider whether the child or young person needs ALP (Additional Learning Provision) in Welsh.</p> <p>Outcome 6 in the WESP is concerned with ensuring an increase in the provision of Welsh-medium education for pupils with ALN. Targets in this sections include providing support for teachers within Welsh-medium mainstream schools. This will enhance the Inclusive Learning Provision (ILP) and Additional learning Needs Provision (ALP) offer within Welsh-Medium schools and Early Years settings, as set out in the new ALN Code for Wales 2021. The WESP outlines the aim to invest in a bilingual specialist provision and specialist staff within the local authority or with regional partners, to secure the capacity to deliver a Welsh medium specialist provision for children and young people with more complex additional learning needs.</p>
Gender Reassignment		x				This is not a criterion considered in terms of the

						Council's education arrangements either for pupils or school staff, however, it is expected that all NPTCBC schools meet the needs of pupils and staff who are transgender.

Pregnancy/Maternity		x				This is not a criterion that will be impacted upon by this proposal
Race	x				M	It is evident from WM school data that families from different ethnic backgrounds choose WM education, with many English families moving to the area and making the informed decision to educate their children in WM schools. Both the WESP and the Neath Port Talbot Welsh Language Strategy aim to inform and support these families when making the decision about choosing WM education. These aims significantly alleviate concerns and it is anticipated that this will lead to an increase in the number of pupils from ethnic backgrounds attending WM education.
Religion/Belief		x				This is not a criterion that will be impacted upon by this proposal, however, it is expected that the Council's educational arrangements will meet the needs of pupils or staff members of different religions or with different beliefs.

Sex		x				Outcomes in the WESP aim to provide a plethora of opportunities for both boys and girls to develop and use Welsh outside of the classroom through cultural and sporting activities within school and in the wider community. These opportunities ensure that learners, both boys and girls, have access to the Welsh language both formally and informally, which could lead to an increase in the use of Welsh in the wider community.
Sexual orientation		x				This is not a criterion that will be impacted upon by this proposal

People's opportunities to use the Welsh language	x				H	The WESP overarching ten year target in Neath Port Talbot is to increase the number of Year 1 children taught through the medium of Welsh from 16.8% (252 pupils) in 2020/21 (PLASC 2021) to 31% (460 pupils) by 2032. Outcome 5 in the WESP seeks to provide more opportunities for learners to use Welsh in different contexts in school. The targets for this outcome have been

					<p>developed alongside the targets set out in the Neath Port Talbot Welsh Language Strategy (alongside Priority 1) with emphasis on promoting and facilitating the use of the Welsh language and increase its use in everyday life within schools and also within the wider community.</p> <p>It also aims to promote the Curriculum for Wales Framework by ensuring that All learners should have appropriate pathways for learning Welsh and English to enable them to develop the confidence to use both languages in everyday life. It aims to support learners to use Welsh confidently and appreciate its usefulness to communication in a bilingual Wales.</p> <p>The Authority recognises that having varied opportunities to use the Welsh language in different contexts within the school environment is key to promoting confidence. Learners, parents and carers will need to be supported and encouraged to participate in a variety of experiences and opportunities through the medium of Welsh in order to improve their confidence in the language.</p> <p>The WESP therefore should impact positively on people's opportunities to use the Welsh language.</p>

<p>Treating the Welsh language no less favourably than English</p>	<p>x</p>				<p>H</p> <p>The WESP includes the aim to create and provide opportunities and experiences for all learners and the wider community to use Welsh and be part of Welsh life in order to increase confidence in the Welsh language and to feel a sense of belonging.</p> <p>By September 2022, all Welsh and English medium schools will have reviewed and revisited previous Siarter Iaith/ Cymraeg Campus targets and will achieve the pre Covid standards.</p> <p>By September 2024, the Siarter Iaith/ Cymraeg Campus will be an integral part of planning for the Curriculum for Wales within all schools, with an emphasis on a whole school progression approach (supported by our Welsh in Education officer and Curriculum Development Officer (Welsh in English medium). This will increase learner and staff confidence in using the Welsh language and impact positively on the ethos of all schools.</p> <p>Siarter Iaith/ Cymraeg Campus action plans/strategies will be used to ensure regular opportunities for learners, staff and the wider community to engage in activities that increase confidence in the Welsh language and promote Welsh modern culture and history. This will lead to an increased awareness of the relevance/</p>
