

Employer Pledge Action Plan

In order to continue with your request to sign the Time to Change Wales Employer Pledge, please complete this document and email it to: pledge@timetochangewales.org.uk. We ask that you submit your plan a **minimum of four weeks** before the date of your pledge signing to allow us time to feedback on your plan and commission your pledge board.

It's not a problem if your action plan is still a draft at this stage. You can add to and develop your plan at any time as we encourage organisations to think about their action plan as a living document. While neither a quality mark nor endorsement, for a Pledge to have real value, it should lead to some practical action. Your action plan document will not be shared with anyone outside of Time to Change Wales but we need to see that you are serious about being active in the campaign to ensure the Time to Change Wales Employer Pledge maintains its value.

You should have received a full guide on how to fill out your action plan, along with an explanation of the seven key principles listed in the plan. If you have not received this, please email pledge@timetochangewales.org.uk.

This template is not prescriptive but offers a variety of suggested actions that may give ideas for writing your organisation's action plan. There are a number of suggested actions for each section but you should not feel that you are required to include as many actions in your plan. Neither should you be limited by these suggestions, in fact, we encourage you to identify actions that are relevant and achievable in your organisation.
