Legal Officer	Craig Williams														

1 Introduction

- 1.1 This report details the South West Wales Corporate Joint Committee (SWWCJC) annual budget for the financial year 2022/23 with funding options.
- 1.2 The SWWCJC operational budgets including the strategic planning functions, must be compiled and agreed by the Joint committee no later than 31st January 2022.

- 1.3 Funding of the budget requirement including the proportions contributed by local authorities is reserved to that of the Joint Committee members. Funding apportionment options are included within this report for consideration and agreement by the Joint Committee.

2 Background

- 2.1. The Joint Committee have agreed that Carmarthenshire County Council will act as the Accountable Body responsible for discharging the councils' obligations in relation to the South West Wales Corporate Joint Committee and that the Director of Corporate Services at Carmarthenshire County Council will be the S 151 Officer (Chief Finance Officer) of the SWWCJC.
- 2.2. Carmarthenshire County Council is therefore required to provide an annual costs budget for approval for the financial year 2022/23.
- 2.3. Regulation 16 and 17 of the South West Wales Corporate Joint Committee Regulations 2021 details the process for agreeing and funding costs:-

Calculation of budget requirements

16. (1) For each financial year the South West Wales CJC must calculate the amounts described in paragraph (2) attributable to-

- (a) its strategic planning functions [including an impropriate proportion of administration costs and other overhead], and*
- (b) is other functions.*

(2) The amounts that the CJC must calculate are-

- a) the amount which the CJC estimates it will spend in respect of the financial year in the exercise of its functions [including spending on administration and other overheads];*
- b) the amount which the CJC considers appropriate to raise for contingencies arising in respect of the financial year;*
- c) the amount which the CJC considers appropriate to be held as a reserve to meet expenditure it considers will be incurred in respect of future financial years;*
- d) any amount which the CJC considers is necessary to meet liabilities outstanding in respect of any earlier financial year.*

(3) For each financial year, the South West Wales CJC must also calculate the aggregate of any amount it estimates it will receive from sources other than the constituent councils, the Brecon Beacons National Park Authority and the Pembrokeshire Coast National Park Authority attributable to-

(a) its strategic planning function, and

(b) its other functions

(4) Where the sum of the amounts calculated for a financial year and the paragraph (1)(a) exceeds the amount calculated for that year under paragraph (3)(a), the amount of excess is the South West Wales CJC's strategic planning budget requirement for the financial year.

(5) Where the sum of the amounts calculated for a financial year under paragraph (1)(b) exceeds the amount calculated for that year under paragraph (3)(b), the amount of excess is the South West Wales CJC's general budget requirement for the financial year.

(6) The South West Wales CJC must

(a) carry out the calculations under paragraph (1) and (3), and

(b) agree those calculations at a meeting,

no later than 31 January in each preceding financial year.

(7) In relation to the first financial year, paragraph (6) applies as if, 4 31 January in each preceding financial year they were substituted "31 January 2022".

(8) The South West Wales CJC may revise the calculations carried out under paragraphs (1) and (3) at any time before the end of the financial year to which they relate and the South West Wales CJC's general budget requirement, or strategic planning budget requirement, may consequently be revised.

(9) Any revised calculations must be agreed at a meeting of the South West Wales CJC.

Funding of budget requirement

17. (1) The South West Wales CJC's general budget requirement must be paid to the South West Wales CJC by the constituent

councils, and the proportion of that amount payable by each constituent council is to be determined by the unanimous agreement of the council members.

(2) The South West Wales CJC's strategic planning budget requirement must be paid to the South West Wales CJC by the constituent councils, the Brecon Beacons National Park Authority, and the Pembrokeshire Coast National Park Authority, and the proportion of that amount payable by each constituent council and by the Authority is to be determined by the unanimous agreement of the members.

(3) where agreement cannot be reached as to the proportions payable under paragraph (1) or (2), the Welsh Ministers may by direction specify the proportion payable by each constituent council or each constituent council, the Brecon Beacons National Park Authority and the Pembrokeshire Coast National Park Authority.

(4) This regulation applies to a general budget requirement, or strategic planning budget requirement, revised under paragraph (8) of regulation 16 as it applies to a budget requirement initially determined under that regulation.

3. Annual Costs Budget

3.1 The proposed annual operational budgets and funding options are presented below:

4. Proposed Operational Budget 2021/22

4.1 The SWWCJC on the 13th January agreed that due to the current year budget costs be minimal and some costs being picked up by the implementation grant and some cost being absorbed by the constituent authorities that a zero budget be set and no levy raised.

5. Proposed Operational Budget 2022/23

5.1 A detailed budget for the forthcoming financial year 2022/23 is included within Appendix A. The current proposed budget is estimated at £575k.

5.2 The budget requirement is to be supported by the four constituent authorities on an agreed basis ensuring fairness and equity across the region. It was agreed at the SWWCJC on 13th January that the budget will be funded through a levy apportionment by population size.

5.3 Assumptions used within this budget are detailed below:

Joint Committee

Democratic Services (including Joint Scrutiny Committee) – Provided by NPT.

Legal and Governance – Monitoring Officer recharge provided by NPT.

Accountable Body – Section 151 Officer recharge and estimated Audit Wales costs provided by CCC.

Governance and Audit (including Sub Committee) – internal audit recharge and Governance and Audit Committee support provided by Pembrokeshire.

Support Services - IT and HR services provided by NPT, Financial services provided by CCC.

Sub-Committee

Nominal estimate of potential expenditure for Sub Committees.

Transport sub committee estimate to support ongoing development of RTP, which will be partly funded in financial years 2022/23 and 2023/24.

Central Services

Business Manager £60k – CCC Grade. Details of post and final grade to be agreed at a future meeting.

Oncosts – Initial estimate.

Income

Levy based on population size.

6. Transitional Grant

- 6.1 Members will note a revenue grant has been awarded by Welsh Government and has been receipted by The City and County of Swansea Council to the value of £250k. This grant award is to support the formation and development of the SWWCJC and is administered by City and County of Swansea.

7. Financial contribution in respect of National Park Authorities

- 7.1 Under the current legislation the National Park Authorities are only financially obligated to support the strategic planning aspects of the Corporate Joint Committee.
- 7.2 The strategic Planning sub committee is demonstrating a nominal estimated budget of £20k for the financial year 2022/23 as it establishes and develops its function and work programme under the Corporate Joint Committee.
- 7.3 With minimal costs attributed to the strategic planning function which currently are very much an estimate for the forthcoming financial year, no levy will be applied to

the National Park Authorities, as the apportionment would be seen as de minimis. This is a decision that will only apply to the first year of the SWWCJC 2022/23 and will be reviewed in future years as clarity over the strategic planning costs are established.

8. Financial Impacts

- 8.1 The total operational budget for 2022/23 is £575k. It is recommended to ensure fairness and equality across the region that funding will be provided by local authority contributions through the form of a levy, based on population size.
- 8.2 Surpluses that accrue in any year will be contained and ring-fenced within the SWWCJC reserve account and will be utilised for future expenditure.
- 8.3 The budget will be reviewed later in the financial year and revised as appropriate for the subsequent financial year and future years.

9. Integrated Impact Assessment

- 9.1 The CJC is subject to the Equality Act (Public Sector Equality Duty and the socio-economic duty), the Well-being of Future Generations (Wales) Act 2015 and the Welsh Language (Wales) Measure, and must in the exercise of their functions, have due regard to the need to:
 - Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Acts.
 - Advance equality of opportunity between people who share a protected characteristic and those who do not.
 - Foster good relations between people who share a protected characteristic and those who do not.
 - Deliver better outcomes for those people who experience socio-economic disadvantage
 - Consider opportunities for people to use the Welsh language
 - Treat the Welsh language no less favourably than English.
 - Ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.
- 9.2 The Well-being of Future Generations (Wales) Act 2015 mandates that public bodies in Wales must carry out sustainable development. Sustainable development means the process of improving the economic, social, environmental and cultural well-being of Wales by taking action, in accordance with the sustainable development principle, aimed at achieving the 'well-being goals'.

9.3 There is no requirement for an Integrated Impact Assessment for this report as the setting up of the CJC is underpinned by legislation and this report is to establish financial arrangements in accordance with legislation.

8. Workforce Impacts

8.1 Currently any employment within the SWWCJC will be undertaken by constituent authorities and the financial arrangements relating to such are considered in this report.

9. Legal Impacts

9.1 Part 5 of the Local Government and Elections (Wales) Act 2021 provides for the establishment, through regulations, of CJC's and compliance will be had with this and other legislative obligations in the establishment of CJC's. In particular the South West Wales Corporate Joint Committee Regulations came into force on 1st April 2021 and set out an initial framework for example, that the CJC should be established and the timeframes for the discharging of specific functions. However, a series of further Regulations are being drafted and consulted on by Welsh Government. The Welsh Government has concluded its consultation on the Corporate Joint Committees (General) (No.2) (Wales) Regulations 2021. The Welsh Government is also currently consulting on draft statutory guidance. A third stage of Regulations will put in place further legislation for the operation of the CJC's and its functions, which Welsh Government are currently being consulted on. A fourth stage will put in place any remaining provisions that a CJC might need.

9.2 The key legislative requirements in respect of setting a budget for the SWWCJC are set out in paragraph 2.3 of this report

10. Risk Management Impacts

10.1 Failure to set a balanced budget would render the SWWCJC in breach of its obligations exposing itself to legal challenge. In addition, suitable arrangements must be put in place to ensure that the constituent authorities and national park authorities are able to fulfil their legal obligations in establishing the SWWCJC.

11. Consultation

11.1 There is no requirement for formal consultation however, constituent authorities have been consulted.

12. Reasons for Proposed Decision

12.1 To ensure the financial budget is set for the SWWCJC in line with relevant legislative requirements applicable to CJC's.

13. Implementation of Decision

13.1 This decision is proposed for immediate implementation.

14. Appendices

14.1 Appendix A – Annual Budget for 2022/2023

15. List of Background Papers

15.1 None
