	Yes	No	Details
Long term - how the initiative supports the long term well-being of people	x		The initiative supports the long term wellbeing of people by ensuring that public path orders are correctly introduced and implemented only when they can be justified and that resources are appropriately used in the provision of legal services to the Council and therefore the wider community.
Integration - how the initiative impacts upon our wellbeing objectives	x		The initiative will further allow the focusing of existing human and financial resources upon the 3 wellbeing objectives by ensuring that public path orders are correctly introduced and implemented only when they can be justified and that resources are appropriately used in assessing and evaluating them.
Involvement - how people have been involved in developing the initiative	x		The initiative builds upon the consultation and evidence gathering with all the stakeholders concerned, before coming to a recommendation.
Collaboration - how we have worked with other services/organisations to find shared sustainable solutions	x		This Authority has ensured all those who have an interest in this initiative have been given an opportunity to provide their views and any evidence they considered relevant.
Prevention - how the initiative will prevent problems occurring or getting worse	x		This initiative will reconcile the long term problem inherited by this Council as a result of the path not being accommodated when consent was granted for the housing development at Brookfield.

7. Declaration - based on above assessment (tick as appropriate):

A full impact assessment (second stage) is not required	X
Reasons for this conclusion	

Based upon the above assessment a second stage impact assessment is not required as the initiative does not negatively impact on any of the protected characteristics, or the Welsh Language, or biodiversity and embraces the sustainable development principle. The report is resolving a long outstanding issue by giving effect to the loss of the path from the time the houses were built across the path.
