

Impact Assessment - First Stage

1. Details of the initiative

Initiative description and summary:

Commercial Property Grant to part fund external improvements to Units 1 & 2 Commercial Buildings, Talbot Road, Port Talbot. External improvements to install a new powdercoated aluminium shopfront to the two elevations of the two units, as well as four trough illuminated fascia signs and a projecting sign, to this prominent three storey building. The proposed works will improve the energy efficiency of the building as well as improve the appearance of the building and therefore the surrounding area.

6. Does the initiative embrace the sustainable development principle (5 ways of working):

	Yes	No	Details
Long term - how the initiative supports the long term well-being of people	X		The proposed improvement to the external appearance of Commercial Buildings will improve the appearance of the Talbot Road and the wider Port Talbot area in the long-term and so improve the quality of life for those that use it.
Integration - how the initiative impacts upon our wellbeing objectives	X		The proposed work supports business to grow the local economy and attract new investment to the area. (NPTCBC Corporate Plan 2019-2022 3.1.3)
Involvement - how people have been involved in developing the initiative		X	The design changes to the building were selected by it's owner in consideration of the franchise branding as well as the enjoyment of the building by its potential users.
Collaboration - how we have worked with other services/organisations to find shared sustainable solutions		X	The project is not of sufficient scope or scale to require the involvement of other services or organisations.
Prevention - how the initiative will prevent problems occurring or getting worse	X		The proposal will reduce the rate at which the building will deteriorate in condition and appearance, as well as contribute towards reducing the rate at which the overall appearance of the Talbot Road and wider Port Talbot area deteriorates in condition and appearance. Potentially the people that

			use an area will treat it better, in terms of reduced rates of vandalism, graffiti and litter, if they consider the quality of their environment to be good or improving.

7. Declaration - based on above assessment (tick as appropriate):

A full impact assessment (second stage) is not required	√
Reasons for this conclusion	
The proposal is to grant fund part of the cost of external improvement to a single building. The initiative embraces sustainable development by improving the condition, appearance and energy efficiency of the built environment, supporting business to grow the local economy and attract new investment to the area. The initiative does not, however, have a significant impact on any specific group of people so a full impact assessment is not required.	

A full impact assessment (second stage) is required
