ELLL - Community Safety - PI/901 - Number of children receiving age-appropriate Community Safety lessons; domesti	С		_1800.00	1677.00	

This work forms part of our early intervention and prevention programme around Violence Against Women, Domestic Abuse & Sexual Violence. The work is the responsibility of the 'Relationship and Sexuality Education sub group' which is co-chaired by the Principal Officer of Community Safety and the Senior Youth & Community Worker of the Youth Service.

Children are taught about the different types of domestic abuse and are encouraged to think of who they would speak to if they had concerns about their own family home, or a friend. Depending on the ages of the children they are also encouraged to think of who to speak to should they have concerns re their own relationship. From research with children and young people, they would prefer these lessons and topics to be delivered by someone other than their teacher which means providers such as Camau, and Hafan Cymru's Spectrum deliver these lessons.

Community Safety's flagship event 'Crucial Crew' has also returned during quarter 1 of this year, celebrating its 25th Year, following a break due to Covid-19 restrictions. This event sees all Year 6 pupils attend the event, taking part in a series of fun workshops on various safety topics delivered by our partner agencies; Road Safety, Police, Fire Service, RNLI, Dogs Trust and many more. This includes a workshop on Healthy Relationships and another on Cyber Crime. The event is designed to equip children with important and advice before their transition to secondary school. We will visit the children during their first year at secondary school and offer them a quiz, to see how much information they have retained. This also acts as a refresher on the information we have already provided.
