

My name is Daniel Smith,  
I live on ymysderw Rd  
Pontardawe, almost directly  
opposite my house is the  
Other place pub.

I want to make it clear  
that there is no issue  
with noise. I have a  
2 year old son that  
has never been woken or  
even disturbed by the pub  
or music even with his  
window open.

This is a nice family friendly  
pub that does so much for  
the community.

The other place has done  
nothing wrong
