### 1. Details of the initiative

	<b>Title of the Initiative: Draft Public Participation Strategy 2023-2028</b>
<b>1a</b>	<b>Service Area:</b> Corporate Policy, Performance and Engagement
<b>1b</b>	<b>Directorate:</b> Chief Executive's
<b>1c</b>	<p><b>Summary of the initiative:</b></p> <p>The Local Government and Elections (Wales) Act 2021 (“the Act”) requires councils to encourage local people to participate in their decision making. This includes where councils are making decisions in partnership with another principal council or in conjunction with another individual or body such as a local health board. The Act requires local authorities to publish, consult on, and regularly review a public participation strategy. These strategies are required to set out:</p> <ol style="list-style-type: none"> <li>I. ways of promoting awareness among local people of the principal council's functions;</li> <li>II. ways of promoting awareness among local people of how to become a member of the principal council, and what membership entails;</li> </ol>

	<p>III. ways of facilitating access for local people to information about decisions made, or to be made, by the principal council;</p> <p>IV. ways of promoting and facilitating processes by which local people may make representations to the principal council about a decision before, and after, it is made;</p> <p>V. arrangements made, or to be made, for the purpose of the council's duty in section 62 of the 2011 Measure (bringing views of the public to attention of overview and scrutiny committees);</p> <p>VI. ways of promoting awareness among members of the principal council of the benefits of using social media to communicate with local people. The draft Public Participation Strategy for 2023-2028 outlines the council's objectives, approach and mechanisms for encouraging and enabling public participation, together with information on how local people can influence decision-making</p> <p>Neath Port Talbot Council's Draft Public Participation Strategy has been developed in line with our wellbeing objectives, as well as the legislation set out in the Act. It supports the priorities in our Corporate Plan 2022-2027 and reflects our values by setting out how we will encourage and enable local people and communities in Neath Port Talbot to be actively involved in decisions that affect them. It outlines how people can influence the council's decision-making, the mechanisms already in place to encourage and support local people to participate in our decision making and an action plan to build on these.</p> <p>Neath Port Talbot County Borough Council exists to serve and represent the interests of its citizens and communities and is strongly committed to fostering a culture of partnership with local people and communities, encouraging and supporting them to participate in our decision making, and keeping them informed about how their participation has influenced decisions.</p>
<b>1d</b>	<p><b>Is this a 'strategic decision'?</b> Yes, the draft strategy sets out the Council's approach to public participation</p>
<b>1e</b>	<p><b>Who will be directly affected by this initiative?</b> Everyone who lives, works in and/or visits Neath Port Talbot</p>
<b>1f</b>	<p><b>When and how were people consulted?</b> Following the Statutory Guidance on Public Participation Strategies, made under section 44 of the Local Government and Elections (Wales) Act 2021, we involved a number of stakeholders in developing the draft strategy, including:</p>

	<ul style="list-style-type: none"> <li>• An officer working group – for initial scoping, mapping of existing participation pathways and drafting key information for the strategy</li> <li>• NPT Community of Practice on Involvement and Engagement (NPT CoP) to further develop the baseline, identify what works well, gaps and aspirations for ‘what we could do better’. The NPT CoP also contributed to the overarching objective and approach for the strategy.</li> <li>• The NPT Citizens’ Panel were asked to complete a questionnaire to provide an indication of how much residents currently participate in the council’s decision-making process; which mechanisms for participation they are aware of; the level of interest in participation opportunities; to what extent those who have participated feel their involvement allowed them to have a genuine impact on the decision(s) made; and listen to any suggestions as to what the council could do more to improve public involvement in our decision-making processes. The feedback from this informed the action plan for the strategy</li> </ul> <p><b>December 2022 to February 2023 – formal consultation</b>  Subject to agreement from Cabinet on 30 November 2022, a formal consultation will take place on the draft strategy</p>
1g	<p><b>What were the outcomes of the consultation?</b></p> <p><b>NPT Citizens’ Panel Questionnaire – Oct/Nov 2022</b>  The questionnaire received 71 responses. Themes included:</p> <ul style="list-style-type: none"> <li>• Most respondents don’t know that they can get involved in decision making (or that we want them to), not all of those who do know that they can get involved know how to go about doing this</li> <li>• Some feel that council engagement is just box ticking/lip service and we're not really interested in engaging (there is a perception that decisions have already been made)</li> <li>• We don't ‘close the loop’, so for those who have completed surveys/engaged previously they don't see the outcomes of that engagement (there is a mixture with regards to this, some seem to think if we don't do what they want then we haven't listened, maybe because we aren't explaining why we make certain decisions; others seem keen to see survey reports, but don't know where to find them)</li> <li>• There are a number of comments to indicate that respondents don’t feel that our decision making is transparent</li> <li>• Some people don't know who their councillor is, or where to find out – the same goes for council meetings, respondents aren't aware that papers are public and/or that members of the public are able to attend meetings</li> </ul>

- Most are aware of the website, but there are a few comments that mention we don't do enough for people who are not online.

This feedback, along with information from the NPT CoP and Officer Working Group was used to help develop the overarching objective and the action plan

**December 2022 to February 2023 – formal consultation**

To be completed once the formal consultation has taken place

**2. Evidence**

**What evidence was used in assessing the initiative?**

The draft plan has been informed at an early stage by:

- Officer working group - including representation from Legal Services, Corporate Policy, Communications, Democratic Services, Digital Services and Electoral Services.
- NPT Community of Practice on Involvement and Engagement (NPT CoP) - the NPT CoP was established in 2019 and membership has grown to 60+ council officers and representatives from partner organisations who regularly engage with specific stakeholder groups as part of their work. The purpose of the CoP is to provide a vehicle for members to work more smartly and in a more collaborative way to ensure that everyone in our communities can have the opportunity to have their say on the decisions that affect them. It is intended to provide a professional and respectful forum for members to share experiences and knowledge on involvement and engagement issues in a spirit of mutual learning and peer support.
- NPT Citizens' Panel - launched in January 2020, the panel is made up of more than 500 residents from across the county borough and actively involves them in decision making at a very early stage, so they help shape proposals before these go out to wider public consultation.

Subject to agreement from Cabinet on 30 November, the draft will go out to a 12 week public consultation to involve a much wider group of stakeholders. The draft strategy will be amended in light of the consultation feedback before being finalised in March 2023.

To advance equality of opportunity between different groups	+			<ul style="list-style-type: none"> <li>• Accessibility – we will adapt what we do for different audiences, ensuring that our activities are made available in the formats and language(s) that people need. In addition, we will make the most of the opportunities that digital technology presents to enable our communities to participate in decision making, but equally, we are aware that digital technology is not available to or the preference of everyone and we will make provision for this.</li> <li>• Inclusivity and Non-discrimination - We will be sensitive to the characteristics protected under the Equality Act 2010 - age; disability; gender reassignment; marriage and civil partnership; pregnancy and maternity; race; religion or belief; sex; sexual orientation.</li> <li>• Empowerment – we will endeavour to make sure our communities can be part of our decision making process, enable them to influence meaningful change, and demonstrate back to them that their voices have been heard</li> </ul> <p>This approach will help to work to reduce inequalities across a range of different groups, not just in relation to protected characteristics.</p>

## 8. Well-being of Future Generations

How have the five ways of working been applied in the development of the initiative?

Ways of Working	Details
i. <b>Long term</b> – looking at least 10 years (and up to 25 years) ahead	The Public Participation Strategy will be reviewed and subject to formal consultation by the council following local government ordinary elections – the next due to take place in 2027.
ii. <b>Prevention</b> – preventing problems occurring or getting worse	<p>The Public Participation Strategy will support the decision-making process by ensuring a corporate and coordinated approach to participation, involvement and engagement. By working towards shared objectives and embedding a consistent approach, we aim to ensure our public participation activities are of a consistently high standard and involve as many local people as possible.</p> <p>Greater public participation can help prevent problems occurring or getting worse by building trust and leading to more robust decisions that have considered the needs and interests of stakeholders.</p>
iii. <b>Collaboration</b> – working with other services internal or external	<p>The Council will be unable to implement the Public Participation Strategy without collaboration. The NPT Community of Practice on Involvement and Engagement (60+ council officers and representatives from partner organisations who regularly engage with specific stakeholder groups as part of their work) has played a key role in shaping the draft strategy and will be key in its roll out.</p> <p>The Council is also statutory partner of a number of multi-agency partnerships locally, regionally and across Wales including: the Public Services Board, Voluntary Sector Liaison Forum, Regional Partnership Board and West Glamorgan Safeguarding Board and these are key stakeholder groups for public participation.</p>
iv. <b>Involvement</b> – involving people, ensuring they reflect the diversity of the population	<p>The strategy aims to encourage local people to participate in the making of decisions by the Council and sets out how we will:</p> <ul style="list-style-type: none"> <li>• Promote awareness of the Council’s functions and how to become a Member of the authority;</li> <li>• Facilitate access to information about decisions made, or to be made by the Council;</li> </ul>

	<ul style="list-style-type: none"> <li>• Promote and facilitate processes by which local people may make representations to the Council about a decision before, and after, it is made;</li> <li>• Set out the arrangements for bringing views of the public to the attention of scrutiny committees; and</li> <li>• Promote awareness among Members of the benefits of using social media to communicate with local people.</li> </ul>
<b>v. Integration</b> – making connections to maximise contribution to:	
<b>Council’s draft well-being objectives</b>	<p>This Public Participation Strategy reflects the values in our Corporate Plan 2022-2027 by setting out how we will encourage and enable local people and communities in Neath Port Talbot to be actively involved in decisions that affect them, including decisions relating to:</p> <ul style="list-style-type: none"> <li>• All children have the best start in life</li> <li>• Communities are thriving and sustainable</li> <li>• Our local environment, culture and heritage can be enjoyed by future generations</li> <li>• Local people are skilled and access high quality, green jobs</li> </ul>
