Testimonials

"Having a modern, light and airy environment with the latest technology is essential if we are to achieve our ambitions for our young people. Our new classrooms, the outdoor areas, the extensive playing fields are outstanding. Theatre Chiswell is a professional standard performance space which ensures that our pupils are able to participate as both audience and performer in a fantastic environment. The refurbishment of Nedd has ensured that a part of the history of Ysgol Gymraeg Ystalyfera sits at the heart of the new 21st Century building."
