

Impact Assessment - First Stage

1. Details of the initiative

Initiative description and summary: Expansion of Flying Start Childcare – Phase 2

Flying Start is the Welsh Government's targeted Early Years programme for families with children under 4 years of age who live in some of the most disadvantaged areas of Wales. Flying Start aims to make a decisive difference to the life chances of children by mitigating the impact of poverty, which is linked to poor life outcomes in early childhood, including health outcomes.

Following WG's announcement of a phased expansion to Flying Start, Members approved a Phase one plan in July 2022, offering the full range of Flying Start services to an additional 127 children (0-4 years) in Neath Port Talbot. Welsh Government's Phase 2 expansion includes only the funded childcare element of the Flying Start programme and will see this offer funding childcare to an additional 251 two year old children, over two sub phases; 2a and 2b. From April 2023 Neath Port Talbot have a set target to reach an additional 135 two year old children, with an additional 116 two year olds targeted to enter the programme from September 2023. Targeted families will be required to be live within the identified expansion areas.

Service Area: Early Years and Flying Start, Think Family Partnership

Directorate: ELLL

2. Does the initiative affect:

	Yes	No
Service users	X	
Staff		X
Wider community		X
Internal administrative process only		X

3. Does the initiative impact on people because of their:

	Yes	No	None/ Negligible	Don't Know	Impact H/M/L	Reasons for your decision (including evidence)/How might it impact?
Age	X				M	The Flying Start programme is aimed at children aged 0-4 years, with this element of the expansion targeted at 2-3 year olds.
Disability	X				M	The programme includes an outreach element that sees additional learning needs (ALN) and disability as a “community of interest”, providing support for children with an ALN and/or disability to access childcare. The expansion is anticipated to have a positive impact for children with additional learning needs (ALN) and/or a disability.
Gender Reassignment		X			L	
Marriage/Civil Partnership		X			L	
Pregnancy/Maternity		X			L	
Race		X			L	
Religion/Belief		X			L	
Sex		X			L	
Sexual orientation		X			L	

4. Does the initiative impact on:

	Yes	No	None/ Negligible	Don't know	Impact H/M/L	Reasons for your decision (including evidence used) / How might it impact?
People's opportunities to use the Welsh language	x				M	Additional Welsh Language or bilingual childcare is a focus of the expansion, increasing the availability of Welsh language opportunities within some of the expansion areas.

Treating the Welsh language no less favourably than English	x				M	Positive impacts are anticipated with opportunities to use and promote the Welsh language with additional Welsh language or bilingual childcare being made available.

5. Does the initiative impact on biodiversity:

	Yes	No	None/ Negligible	Don't know	Impact H/M/L	Reasons for your decision (including evidence) / How might it impact?
To maintain and enhance biodiversity		X			L	
To promote the resilience of ecosystems, i.e. supporting protection of the wider environment, such as air quality, flood alleviation, etc.		X			L	

6. Does the initiative embrace the sustainable development principle (5 ways of working):

	Yes	No	Details
Long term - how the initiative supports the long term well-being of people	X		The programme supports the long term well-being of children, young people and families through providing quality childcare provision, which will support children's readiness for and engagement with learning, socialisation and physical activity.

Integration - how the initiative impacts upon our wellbeing objectives	X		The programme contributes to wellbeing objective 1 – Best Start in Life.
Involvement - how people have been involved in developing the initiative	X		The childcare sufficiency assessment 2022(CSA) has been used to inform the expansion plan, where stakeholders, children, young people and parents were consulted regarding childcare within Neath Port Talbot.
Collaboration - how we have worked with other services/organisations to find shared sustainable solutions	X		Appropriate professionals from NPTCBC and health services have been involved in the process via steering groups.
Prevention - how the initiative will prevent problems occurring or getting worse	X		Flying Start is the Welsh Government’s targeted Early Years programme for families with children under 4 years of age who live in some of the most disadvantaged areas of Wales. Flying Start aims to make a decisive difference to the life chances of children by mitigating the impact of poverty, which is linked to poor life outcomes in early childhood. Specific services provided under the programme are anticipated to have a positive impact for children with additional learning needs (ALN) and/or a disability.

7. Declaration - based on above assessment (tick as appropriate):

A full impact assessment (second stage) is not required	X
Reasons for this conclusion	

Based on the above assessment, a full impact assessment is not required as the programme expansion has low or no impact on most factors. Any impact that has been identified is positive through the offer of funded childcare for two year old children in some of the county's most disadvantaged areas..

The expansion has been based on robust data provided from Welsh Government, with the expansion of Flying Start childcare built into a Welsh Government commitment for Flying Start childcare for two year olds to be universally available within the next two years, using a phased roll out approach. All areas of NPT should see the offer within this timescale.

The Flying Start expansion programme provides increased access, via outreach support where necessary, to additional areas of NPT. These areas have been selected based on robust data from WG as well as supporting data from the Childcare Sufficiency Assessment 2022.

Specific support will be available for children with additional learning needs (ALN) and/or a disability to access their funded childcare place.

Positive impacts are also anticipated with opportunities to use and promote the Welsh language with additional Welsh language or bilingual childcare being made available.

A full impact assessment (second stage) is required
