TREASURY MANAGEMENT MONITORING 2022/23

Purpose of Report

1. This report sets out treasury management action and information for 2022/23.
2. This report will also be forwarded to the next Governance and Audit Committee in line with the Council's Treasury Management Practices Scrutiny arrangements.

Rates of Interest

3. Over the past year, the cost of living has risen sharply. The speed of this increase is called the 'rate of inflation'. It is the job of the Bank of England to keep this rate around their target of 2%, however, it is currently above this – mainly due to the higher price of goods coming in from abroad along with the increase in the cost of energy.
4. To reduce the rate of inflation, the Bank of England increase their interest rates. Since December 2021 the interest rates have increased as per below:

Effective Date	Bank Rate
19 th March 2020	0.10%
16 th December 2021	0.25%
4 th February 2022	0.50%
16 th March 2022	0.75%
5 th May 2022	1.00%
16 th June 2022	1.25%
4 th August 2022	1.75%
22 nd September 2022	2.25%
3 rd November 2022	3.00%
15 th December 2022	3.50%

Santander	£7,400,000	Call Account	N/A	N/A	3.00%

9. Please note – the Council’s investment criteria (appendix 1) allows for a maximum investment for an F1 rated counterparty to be £15m. Santander are currently an F1 rated counterparty – however, the policy also allows for this to be temporarily exceeded in exceptional circumstances.

Investment Income

10. In line with the Council's Investment Strategy, the 2022/23 original budget target for investment income is £200k, income for the financial year to date totals £734k. The interest rate forecasts are higher than used in the original budget calculation, so we are suggesting a revised budget of £1m for the financial year. This additional income will lead to a removal of the budgeted reserve contribution with further balances being contributed into reserves.
11. Members should note that the majority of investments are classified as 'specified' i.e. up to 12 months and are currently deposited with Local Authorities, Police, Goldman Sachs International Bank, Nationwide Building Society and Santander Bank.
12. The Council policy will allow investments up to a maximum of £25m for periods of more than 1 year and up to 5 years, and this will be considered when decisions on investing surplus funds are made. The Council has no such investments.
